This is your year! Your best life comes from being the best you. That's why it isn't enough to focus only on setting goals and organizing your schedule for the new year. Real change, the kind that transforms you and gives you freedom to live a life you're proud of, comes from the inside out. The Christy Wright Goal Planner was created for women who want to live a life that matters. In addition to setting goals and scheduling your time, each month you'll focus on growing in one area of life--starting with your spirit, mind, and body, then moving out to your relationships and resources--so you can live your life on purpose. What you'll see each month: **TEACHING** Christy encourages and challenges you to work on yourself by focusing on the most important areas of your life, including your spirit, mind, body, relationships, and resources. **JOURNAL** Guided journal questions and prayer prompts help you internalize what you're learning and grow in your faith. **ACTION PLAN** These worksheets and templates are an opportunity to put what you're learning into practice. The action you take is what will truly change your life! **CALENDAR** The monthly and weekly calendars help you plan your schedule, manage your time, tackle your goals, and even knock out your to-do list. **REVIEW** This is a time for you to pause and reflect on the previous month before you dive into the next one. Whether you want to dream a new dream, tackle a new goal, or just manage your time more intentionally, The Christy Wright Goal Planner will help you do all of that and become a better version of yourself in the process.

From the internet phenomenon whose aesthetic has influenced millions of young people around the world comes an undated planner to help you keep your life in order your way. Emma Chamberlain is a lot of things. The Atlantic calls her “The Most Important YouTuber Today.” W Magazine calls her “The Most Interesting Girl on YouTube.” But what does she call herself? A girl in desperate need of The Ideal Planner! Until now, it seemed like every planner was for “that perfect girl.” But what if you’re just muddling through? What if you’re kind of weird, a little obsessed, definitely silly, love art and fashion, and sometimes accidentally skip days or weeks or months in your planner but don’t want those pages to go to waste? Emma looked everywhere but could not find such a planner. So she decided to make one herself and share it with the world. With guided journal pages, custom mood boards, puzzles, games, lists, corny quotes, cool designs, and silly messages from Emma, it’s a diary, scrapbook, guided journal, coloring book, and planner all in one. And because you fill in the dates you want, it never becomes outdated.

The uneasy balance between these worlds is shattered when Starr witnesses the fatal shooting of her childhood best friend Khalil at the hands of a police officer. Khalil was unarmed. Soon afterward, his death is a national headline. Some are calling him a thug, maybe even a drug dealer and a gangbanger. Protesters are taking to the streets in Khalil's name. Some cops and the local drug lord try to intimidate Starr and her family. What everyone wants to know is: what really went down that

night? And the only person alive who can answer that is Starr. But what Starr does—or does not—say could upend her community. It could also endanger her life. And don't miss *On the Come Up*, Angie Thomas's powerful follow-up to *The Hate U Give*.
