It successfully combines experience with science. The story is clear and the reading is fluid. Its pages present the author as a benevolent person with good intentions to help us. In hard times, I remember Tessa and her story, and try not to forget that there is life before death." Benjamín Espinoza. Chemical engineer "This book has helped me face my death-related fears. It made me aware of how easy it is to live without fearing death as such. It gave me a lot of strength, energy and, most precious, Love.
