## **Arifureta: From Commonplace to World's Strongest (Manga) Vol. 5**

((Minor Spoiler and Warning at the bottom of the blurb. Please read all the way through.)) Sameerixis, or Sam for those who actually know him, isn't what you'd call normal. He had been a door-to-door salesman, of sorts. One that peddled wares, wishes, and whims to anyone willing to pay his prices. Except that life is gone now. His old business model had been modernized. Email, phone contacts, letters, flyers, business cards, and scheduled consultations. Sam was a man trapped in place by his own success. And loving it. Additionally, he was also the owner of a Private Military Company that specialized in dealing with criminals or those wanted by a government. His goals were simple. Rebuilding his strength, establishing a comfortable life for himself and others, and taking from Jenaphila as much as he could. As he works to complete those objectives though, Sam's going to run up against some of the biggest players in any of the planes. And make enemies out of more than a few. Everything is changing faster than Sam would like it to.

Heading right toward what might just be the end of the prime plane itself. Warning: This novel explores dark subjects, and what people will give up of themselves, and each other, to get what they want. The main character is written as a demon from another plane in a tough situation, and will not make choices that line up with societal and cultural norms. It contains adult themes and moral ambiguities. As with my previous work, explicit scenes are found within. It has violence and a harem relationship.
