"Break free of your comfort zone, sharpen your senses to perceive the world around you and find happiness in play. On this painterly journey, Tracy Verdugo leads you from self-doubt to self-appreciation by helping you find your voice through a myriad of vibrantly-hued making, painting and self-reflection techniques. There are not mistakes here, only opportunities to learn and grow. Learn the language of your own sacred marks by painting with personal symbology. Discover the inspiration that exists all around you, in your home, your community, the present moment. 19 step-by-step exercises use popular mixed media materials such as pastels, acrylic paints, inks and more! See how to use art making to plant creative seeds and cultivate your wildest dreams"--

### **Pop Painting**

This ambitious and vivid study in six volumes explores the journey of a single, electrifying story, from its first incarnation in a medieval French poem through its prolific rebirth in the nineteenth and twentieth centuries. The Juggler of Notre Dame tells how an entertainer abandons the world to join a monastery, but is suspected of blasphemy after dancing his devotion before a statue of the Madonna in the crypt; he is saved when the statue, delighted by his skill, miraculously comes to life. Jan Ziolkowski tracks the poem from its medieval roots to its rediscovery in late nineteenth-century Paris, before its translation into English in Britain and the United States. The visual influence of the tale on Gothic revivalism and vice versa in America is carefully documented with lavish and inventive illustrations, and Ziolkowski concludes with an examination of the explosion of interest in The Juggler of Notre Dame in the twentieth century and its place in mass culture today. In this volume Jan Ziolkowski follows the juggler of Notre Dame as he cavorts through new media, including radio, television, and film, becoming closely associated with Christmas and embedded in children's literature. Presented with great clarity and simplicity, Ziolkowski's work is accessible to the general reader, while its many new discoveries will be valuable to academics in such fields and disciplines as medieval studies, medievalism, philology, literary history, art history, folklore, performance studies, and reception studies.

vibrant, a weak composition - predictable, repetitious or monotonous - means a weak painting. The Simple Secret to Better Painting ensures that your compositions work every time. It's an insightful artistic philosophy that boils down the many technical principles of composition into a single master rule that's easy to remember and apply: Never make any two intervals the same. You can make every painting more interesting, dynamic and technically sound by varying intervals of distance, length and space, as well as intervals of value and color. The rule also applies to balance, shape and the location of your painting's focal point. Greg Albert illustrates these lessons with eye-opening examples from both beginning and professional artists, including Frank Webb, Tony Couch, Kevin Macpherson, Charles Reid, Tony Van Hasselt and more. You'll discover that the ONE RULE is the only rule of composition you need to immediately improve your work - the moment your brush touches the canvas.

### **Look Closer, Draw Better**

Capture your subjects on paper like never before. Look Closer, Draw Better will transform the way you see the subjects of your artwork, lighting the way with practical techniques in a range of mediums. Are you looking to make a leap in the quality of your artwork? Are you looking for new perspectives on the art of drawing? Or maybe you want to bring more poetry and presence to your work. Look Closer, Draw Better will help you reach your goals with projects that explore graphite, charcoal, ink, and watercolor wash, emphasizing techniques that Kateri Ewing has refined over years of practice and teaching. Ewing teaches by training your eye to see subjects clearly in contour, line, and shadow, while you learn to make marks with tools that are expressive of what we really see. Her focus is on nature—birds, flowers, and plants that can be closely observed. Discover the techniques for capturing the delicacy of feathers, the natural blemishes on a piece of fruit, the veins and velvety texture of a leaf—all the tiny details that enhance the realistic quality of a drawing. Ewing takes you carefully through every step. Let Look Closer, Draw Better inspire and transform your artistic eye.

Exciting, unexpected, impressionistic the Slonem bunny paintings run the gamut. This is a mega collection for the adult and child alike that is publishing for the Easter holiday but is sure to last for many years to come. A treasury filled with enchanting color and black-and-white paintings by celebrated artist Hunt Slonem, Bunnies features a foreword by bestselling author (and friend of the artist) John Berendt and an essay by artist and gallerist, Bruce Helander. John Berendt writes, "Every morning, upon rising - even before he's had his first cup of coffee - Hunt Slonem performs his daily warm-ups He approaches his work table where a stack of small rectangular panels awaits. Some of the panels are made of wood, some of Masonite. In the course of the next half hour he will have populated all the panels with rabbits. These paintings are what he calls his warm-ups." Encased in cloth box, this deluxe edition comes with a limited edition numbered print of an original artwork by the artist, designed exclusively for this set. Only 100 editions are available. Contents: Foreword, Warming Up by John Berendt; Essay, Quantum Lepus by Bruce Helander, Edited by Susan

Charlie O'Shields is the creator of Doodlewash®, founder of World Watercolor Month in July, and host of the Sketching Stuff podcast. Every single day, for over three years, he created a watercolor illustration and wrote a short essay about whatever came to mind that day and posted it on his blog. These are some of the collected favorites along with some brand new musings. With over 180 illustrations, this book is part personal memoir and sometimes just a randomly fun romp through the sillier bits of this crazy world we all inhabit. Written to take on the impossible task of inspiring creativity, unleashing your inner child, and instilling hope, it will, at the very least, make you smile and touch your heart.

Take a fresh look at an up-and-coming art medium with *Anywhere, Anytime Art: Gouache!* Gouache paint has a long history, but it's often associated with watercolor and multimedia art. Until now, that is! Trendy artists with large social-media followings are reinvigorating gouache, making this the ideal time to add this medium to your toolbox or start your art journey with it! Like the other books in the *Anywhere, Anytime Art* series, *Gouache* explores this medium in a portable, approachable, and contemporary way. Basic painting topics, such as tools and materials, techniques, and color theory, are presented in an easy-to-read, visual style. The subsequent step-by-step projects focus on various subjects that artists can find anywhere, whether they're home or out and about. Artists can learn to paint their favorite things, including plants, flowers, cats, patterns, and more. *Anywhere, Anytime Art: Gouache* is filled with vibrant, colorful artwork that's sure to inspire any artist to give gouache a try and get out there and paint!

### **Collecting Cats**

*Big-Eye Art: Resurrected and Transformed* provides a compelling introduction to the genre, including a dazzling array of more than 150 astonishing works by twenty-two big-eye fantasy artists, both renowned and emerging, among them Blonde Blythe, Jasmine Becket-Griffith, Misha, Mark Gleason, and Vicki Berndt. The book shows how dolls, and Japanese anime and manga, along with popular culture and Gothic and fantasy elements, have altered the face of this haunting, sometimes disturbing and challenging art form. A wide range of big-eyed works is featured, and essays by the artists reveal how they came to develop and create their particular visions. As big-eye and fantasy art collide and fuse in a remarkable resurgence, this spectacular and captivating book demonstrates why masterpieces by the leading practitioners of the moment are once again stealing the hearts of the masses.

Poetry Nation is a compelling overview of all the movements in current "alternative" poetries, with special attention to women, gay, Black, Asian, and indigenous writers. Major figures are presented alongside the most exciting younger voices. The anthology features Allen Ginsberg's last poem, a never-collected poem by Evelyn Lau, and a newly-discovered love poem by Ian Stephens. One hundred cutting-edge poets including Sandra Cisneros, Bill Bissett, Clifton Joseph, Ras Baraka, Stan Rogal, Steven Heighton, Lynn Crosbie, Robert Priest, Nicole Blackman, David McGimpsey, Louise Bak, Golda Fried, and Hal Sirowitz. -- distributor's website.

### **Big-eye Art**

### **Anywhere, Anytime Art: Gouache**

The first ten lies they tell you in high school. "Speak up for yourself--we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless, outcast, because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. As time passes, she becomes increasingly isolated and practically stops talking altogether. Only her art class offers any solace, and it is through her work on an art project that she is finally able to face what really happened at that terrible party: she was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. Her healing process has just begun when she has another violent encounter with him. But this time Melinda fights back, refuses to be silent, and thereby achieves a measure of vindication. In Laurie Halse Anderson's powerful novel, an utterly believable heroine with a bitterly ironic voice delivers a blow to the hypocritical world of high school. She speaks for many a disenfranchised teenager while demonstrating the importance of speaking up for oneself. Speak was a 1999 National Book Award Finalist for Young People's Literature.

### **Zenspirations**

Examines Burchfield's art as the culmination of a vein of pantheism that stretches from Emerson, Thoreau, and the Hudson River school to Burchfield's last great watercolors of the 1960s. The author draws on Burchfield's journal and letters to trace the artist's development (American Art Series) Illustrated.

### **Trade Names Dictionary**

When Wesley Boone writes a poem for his high school English class, some of his classmates clamor to read their poems aloud too. Soon they're having weekly poetry sessions and, one by one, the eighteen students are opening up and taking on the risky challenge of self-revelation. There's Lupe Alvarin, desperate to have a baby so she will feel loved. Raynard Patterson, hiding a secret behind his silence. Porscha Johnson, needing an outlet for her anger after her mother OD's. Through the poetry they share and narratives in which they reveal their most intimate thoughts about themselves and one another, their words and lives show what lies beneath the skin, behind the eyes, beyond the masquerade.

### **Bunnies**

"Most people think of love as a feeling," says David Richo, "but love is not so much a feeling as a way of being present." In this book, Richo offers a fresh perspective on love and relationships—one that focuses not on finding an ideal mate, but on becoming a more loving and realistic person. Drawing on the Buddhist concept of mindfulness, *How to Be an Adult in Relationships* explores five hallmarks of mindful loving and how they play a key role in our relationships throughout

## Access Free Artist Sketchbook Watercolor Cover Tickle Me Pink Sketchbook For Kids Extra Large 8 5 X 11

life: 1. Attention to the present moment; observing, listening, and noticing all the feelings at play in our relationships. 2. Acceptance of ourselves and others just as we are. 3. Appreciation of all our gifts, our limits, our longings, and our poignant human predicament. 4. Affection shown through holding and touching in respectful ways. 5. Allowing life and love to be just as they are, with all their ecstasy and ache, without trying to take control. When deeply understood and applied, these five simple concepts—what Richo calls the five A's—form the basis of mature love. They help us to move away from judgment, fear, and blame to a position of openness, compassion, and realism about life and relationships. By giving and receiving these five A's, relationships become deeper and more meaningful, and they become a ground for personal transformation.

### **The Inlander**

A first introduction to the natural world that looks at the myriad ways in which plants and animals have adapted to give themselves the best chance of survival. Natural World explores and explains why living things look and behave the way they do in a series of visually compelling information charts.

### **Celestial Watercolor**

A unique behind-the-scenes guide to the painting process of one of the most popular artists working in the growing, underground art scene of Pop Surrealism. Get ready for a behind-the-scenes look at the painting tools, methods, and inspirations of one of the top artists working in the growing field of Pop Surrealism. For the first time, beloved best-selling author and artist Camilla d'Errico pulls back the curtain to give you exclusive insights on topics from the paints and brushes she uses and her ideal studio setup, to the dreams, notions, and pop culture icons that fuel the creation of her hauntingly beautiful Pop Surrealist paintings. With step-by-step examples covering major subject areas such as humans, animals, melting effects, and twisting reality (essential for Pop Surrealism!), Pop Painting gives you the sensation of sitting by Camilla's side as she takes her paintings from idea to finished work. This front row seat reveals how a leading artist dreams, paints, and creates a successful body of work. For fans of Camilla and the underground art scene, aspiring artists looking to express their ideals in paint, and experienced artists wanting to incorporate the Pop Surrealist style into their work, Pop Painting is a one-of-a-kind, must-have guide. From the Trade Paperback edition.

have you dancing your way through the exercises. In no time at all, you will have a selection of beautifully faced portraits ready to view, display, or even sell to a fashion designer.

### **How to Be an Adult in Relationships**

The book demonstrates the uses of traditional and cutting edge lettering tools, from classic calligraphy pens to bling-producing metallic foils and glue pens. It introduces a wide array of lettering styles with complete alphabets sample artworks that show an application. Fully stepped-out illustrations break down each letterform, taking the reader through each stroke and a large collection of gallery images provides further inspiration for how to use creative lettering in artwork. Calligraphy, the art of elegant, beautiful lettering, has increased in popularity over the last several years. From brides who want to address their wedding invitations to do-it-yourselfers who want to prepare certificates or make a family tree, and even for art journalers and scrapbookers who like creative text in their works, calligraphy books and classes are hot. This new-in-paperback book will spark the interest of the calligraphy novice by introducing a new approach to lettering, one that combines a lively combination of traditional lettering styles, fun and scripty modern styles, and artsy street-style lettering, along with project ideas that incorporate creative lettering.

### **Blank Drawing Book for Kids**

Creating stylish sketches by hand is easy and fun with this inspiring guide. Freehand breaks down basic drawing techniques into bite-sized chunks, and reveals their practical application in dazzling examples by today's coolest artists.
