B. P. R. D. - Plague of Frogs

In 1925, earthquakes and a rising sea level left Lower Manhattan submerged under more than thirty feet of water, so that its residents began to call it the Drowning City. Those unwilling to abandon their homes created a new life on streets turned to canals and in buildings whose first three

stories were underwater. Fifty years have passed since then, and the Drowning City is full of scavengers and water rats, poor people trying to eke out an existence, and those too proud or stubborn to be defeated by circumstance. Among them are fourteen-year-old Molly McHugh and her friend and employer, Felix Orlov. Once upon a time Orlov the Conjuror was a celebrated stage magician, but now he is an old man, a psychic medium, contacting the spirits of the departed for the grieving loved ones left behind. When a seance goes horribly wrong, Felix Orlov is abducted by strange men wearing gas masks and rubber suits, and Molly soon finds herself on the run. Her flight will lead her into the company of a mysterious man, and his stalwart sidekick, Joe Golem, whose own past is a mystery to him, but who walks his own dreams as a man of stone and clay, brought to life for the sole purpose of hunting witches.

Dragon Age: Knight Errant

At the bottom of the world, there is an island. It is a land of rugged wilderness, of ice and snow and blistering heat, of the oldest trees on earth . . . They say tigers still roam there. They say other things roam, too. When a school group of teenage girls goes missing in the remote wilderness of Tasmania's Great Western Tiers, the people of Limestone Creek are immediately on alert.

Three decades ago, five young girls disappeared in the area of those dangerous bluffs, and the legend of 'the Hungry Man' still haunts locals to this day. Now, authorities can determine that the teacher, Eliza Ellis, was knocked unconscious, so someone on the mountain was up to foul play. Jordan Murphy, the local dealer and father of missing student Jasmine, instantly becomes the prime suspect. But Detective Con Badenhorst knows that in a town this size - with corrupt cops, small-town politics, and a teenage YouTube sensation - everyone is hiding something, and bluffing is second nature. When a body is found, mauled, at the bottom of a cliff, suspicion turns to a wild animal - but that can't explain why she was discovered barefoot, her shoes at the top of the cliff, laces neatly tied. 'Tense, atmospheric and unsettling, this book will stay with you long after you turn the last page, and long after you turn out the lights.' - Christian White
