Secret Origins

The Boy, the Wolf, and the Stars

Sabrina has to face the Witches Council for an accusation of conspiring with a mortal against the Church of Night. It will take a series of unnatural tests to prove her innocence, but none of it will bring her beloved Harvey back. She'll have to take matters into her own hands to find Harvey's missing soul. Recruiting two other young witches (from a neighboring coven), Sabrina holds a séance, but as ever, Madame Satan is pulling the strings behind the scenes, and what Sabrina taps into is much more dangerous—and diabolical. And will send our beloved teen witch on an epic quest.

Chilling Adventures of Sabrina #5

The witch as a cultural archetype has existed in some form since the beginning of

recorded history. Her nature has changed through technological developments and sociocultural shifts--a transformation most evident in her depictions on screen. This book traces the figure of the witch through American screen history with an analysis of the entertainment industry's shifting boundaries concerning expressions of femininity. Focusing on films and television series from *The Wizard of Oz* to *The Craft*, the author looks at how the witch reflects alterations of gender roles, religion, the modern practice of witchcraft, and female agency.

Outside the Charmed Circle

Half-witch, half-mortal 16-year-old Sabrina Spellman has made her choice: She's embraced her witchy roots, and her power is growing daily. But will it come at too high a price?

The Complete Sabrina the Teenage Witch: 1962-1971

Sabrina: Something Wicked #1

The world would come to know him as Muhammad Ali, but on 25 February 1964, a twenty-two-year-old Cassius Clay celebrated his world heavyweight title not by hitting the town, but in a hotel room with his three closest friends: activist Malcolm X, singer Sam Cooke and American football star Jim Brown. To the outside world, they were American icons. But in that hotel room, here were four men who understood each other and their moment in history in a way that no one else could. With the Civil Rights movement stirring outside, and the melody of ‘A Change is Gonna Come’ hanging in the air, these men would emerge from that

room ready to define a new world.

Tell the Wind and Fire

The Horror began in Riverdale when Reggie Mantle struck and killed Jughead's beloved pooch Hot Dog. Since then, Reggie has been living with this secret knowledge—and terrible guilt. With no one to talk to about it, Reggie has started to crack under the strain. He is seeing visions of his dead friends—or are they literal ghosts? When an act of kindness prompts a confession from him, Reggie must decide for himself, once and for all—is there any good within him? Or is Reggie, as we've always suspected, beyond redemption? For TEEN+ Readers.

Chilling Adventures of Sabrina #4

"Witches are gathering." When most people hear the word "witches," they think of horror films and Halloween, but to the nearly one million Americans who practice

Paganism today, it's a nature-worshipping, polytheistic, and very real religion. So Alex Mar discovers when she sets out to film a documentary and finds herself drawn deep into the world of present-day witchcraft. *Witches of America* follows Mar on her immersive five-year trip into the occult, charting modern Paganism from its roots in 1950s England to its current American mecca in the San Francisco Bay Area; from a gathering of more than a thousand witches in the Illinois woods to the New Orleans branch of one of the world's most influential magical societies. Along the way she takes part in dozens of rituals and becomes involved with a wild array of characters: a government employee who founds a California priesthood dedicated to a Celtic goddess of war; American disciples of Aleister Crowley, whose elaborate ceremonies turn the Catholic mass on its head; second-wave feminist Wiccans who practice a radical separatist witchcraft; a growing "mystery cult" whose initiates trace their rites back to a blind shaman in rural Oregon. This sprawling magical community compels Mar to confront what she believes is possible-or hopes might be. With keen intelligence and wit, Mar illuminates the world of witchcraft while grappling in fresh and unexpected ways with the question underlying all faiths: Why do we choose to believe in anything at all? Whether evangelical, Pagan priestess, or atheist, each of us craves a system of meaning to give structure to our lives. Sometimes we just find it in unexpected places.
