White Space Is Not Your Enemy is a practical graphic design and layout
guide that introduces concepts and practices necessary for producing
effective visual communication across a variety of formats—from web to
print. Sections on Gestalt theory, color theory, and WET layout are
expanded to offer more in-depth content on those topics. This new
edition features new covering current trends in web design—Mobile-
first, UI/UX design, and web typography—and how they affect a
designer's approach to a project. The entire book will receive an
update using new examples and images that show a more diverse set of
graphics that go beyond print and web and focus on tablet, mobile and
advertising designs.
