Realized Strategy. A realized strategy is the strategy that an organization actually follows. Realized strategies are a product of
a firm ' s intended strategy (i.e., what the firm planned to do), the firm ' s deliberate strategy (i.e., the parts of the intended
strategy that the firm continues to pursue over time), and its emergent strategy (i.e., what the firm did in reaction to
unexpected

Cost Management A Strategic Emphasis

Project management is the process of leading the work of a team to achieve goals and meet success criteria at a specified time. The primary challenge of project management is to achieve all of the project goals within the given constraints. This information is usually described in project documentation, created at the beginning of the development process.
