Physical concerns. A letter's physical appearance, in addition to content, was a key concern for letter-writing guides. For men, they advocated as plain paper as could be made available, and for women a light spritz of perfume was sometimes acceptable. Other sources, however, disagreed, and suggested high outward ornamentation such as ribbons, flowery drawings, and interesting colors could

Henry James OM (15 April 1843 – 28 February 1916) was an American author. He is regarded as a key transitional figure between literary realism and literary modernism and is considered by many to be among the greatest novelists in the English language. He was the son of Henry James Sr. and the brother of renowned philosopher and psychologist William James and diarist Alice James.
