Learn how to navigate the latest changes to the tax law—and save big on your taxes! For most people, tax time is the most dreaded time of the year. After the recent tax overhaul enacted by Congress, taxpayers are more anxious and confused than ever. Lower Your Taxes—Big Time! helps you understand how the latest tax bill affects your personal and business taxes. Fully updated for the 2019 – 2020 season, this essential book covers everything you need to know about saving money on tax day—and every other day of the year. Whether you're a consultant, business owner, independent contractor, or home filer, you'll learn how to legally, morally and ethically take advantage of the tax system to get a yearly subsidy of \$5,000 or more back from the IRS—and bulletproof your records forever. Written by tax expert and former IRS attorney Sandy Botkin, this is a must-have resource for saving thousands of dollars at tax time. Lower Your Taxes Big Time! shows you how to:

- Properly document any business deduction so you never have to worry about being audited
- Get a tax subsidy of \$5,000 or more for starting up your own home-based business
- Turn tuition, entertainment, orthodontia, and other expenses into huge deductions
- Take advantage of small-business tax changes and extensions recently passed by the American Tax Cuts and Jobs Act, and more.
- Learn how to easily navigate and maximize the new 20% pass through deduction for most small businesses

### **475 Tax Deductions for Businesses and Self-Employed Individuals**

Rev. ed. of: 422 tax deductions for businesses & self employed individuals. 5th ed. c2004.

### **Nolo's Guide to Single-Member LLCs**

The Tax Rules Have Changed. Your Business Should, Too. The Tax Cut and Jobs Act of 2017 marks the biggest tax reform in more than 30 years. The changes to the tax code are complex (especially for the small-business owner), but you don't have to go it alone. CPA and Attorney Mark J. Kohler delivers a comprehensive analysis of the new tax and legal structure you desperately need to help make the new tax law work for you. In this revised edition of *The Tax and Legal Playbook*, Kohler reveals clear-cut truths about tax and legal planning and delivers a practical, play-by-play guide that helps you build wealth, save on taxes, and protect your assets. Using real-world case studies, tax-savvy tips, game plans, and discussion points, Kohler coaches you through the complexities of the tax game of the small-business owner. You'll also learn how to: Examine your business needs and pick the right business entity for you Build your personal and corporate credit in eight steps Implement affordable asset protection strategies Take advantage of underutilized business tax deductions Pick the right health-care, retirement, and estate plans Bring on partners and investors the right way Plan for your future with self-directed retirement funds Reading from cover to cover or refer to each chapter as needed, you will come away wiser and better equipped to make the best decisions for your business, your family, and yourself.

### **Deduct It!**

### **Tax Deductions for Professionals**

Start your business off on the right foot Ready to be your own boss? Congratulations! This book provides all the legal and tax information you need. Whether you need to draft a contract, price your services, maximize your tax deductions, or sort out your benefits options, we've got you covered. Find out how to:

- determine how much to charge your clients
- write legally binding contracts and letter agreements
- qualify for independent contractor tax treatment
- make the most of your tax deductions
- get benefits (including health coverage)
- keep accurate records in case you get audited
- make sure you're paid in full and on time

The 9th edition is completely revised to provide the up-to-date information you need, including recent changes in tax law and new benefit options available through Obamacare.

### **Deduct It!**

In her debut book *Dear Debt*, personal finance expert Melanie Lockert combines her endearing and humorous personal narrative with practical tools to help readers overcome the crippling effects of debt. Drawing from her personal experience of paying off eighty thousand dollars of student loan debt, Melanie provides a wealth of money-saving tips to help her community of debt fighters navigate the repayment process, increase current income, and ultimately become debt-free. By breaking down complex financial concepts into clear, manageable tools and step-by-step processes, Melanie has provided a venerable guide to overcoming debt fatigue and obtaining financial freedom. Inside *Dear Debt* you will learn to:

- Find the debt repayment strategy most effective for your needs
- Avoid spending temptations by knowing your triggers
- Replace expensive habits with cheaper alternatives
- Become a frugal friend without being rude
- Start a side hustle to boost your current income
- Negotiate your salary to maximize value
- Develop a financial plan for life after debt

### **Dear Debt**

Don't sweat the IRS! The information you need to minimize your taxes and avoid audits. At least 10% of the American workforce are now gig workers who obtain jobs through online hiring platforms like Uber, Lyft, Upwork, TaskRabbit and many others. Gig workers are typically treated as self-employed, which means their taxes are far more complicated than those of traditional employees. Many gig workers lose valuable deductions or otherwise overpay their taxes or get in trouble with the IRS because they don't understand the tax rules that apply to them. Tax Guide for Gig Workers explains: how a gig worker is classified for tax purposes how to pay self-employment and estimated taxes what deductions to take how to lower their taxes by taking advantage of the new 20% pass-through deduction what records to keep, and more. Whether you drive for Uber or Lyft, code for Upwork clients, or perform paid chores through TaskRabbit, this book gives you the practical information you need to minimize your taxes while avoiding problems with the IRS.

### **Home Business Tax Deductions**

Updated to include information on the Tax Cuts and Jobs Act, including the 20% pass-through deduction available to SMLLC owners Single-member LLCs are the new business entity of choice for small businesses with one owner. Easy to form and operate, Single Member LLCs combine some of the most desirable features of older, more traditional business structures like corporations, partnerships, and sole proprietorships. With a Single Member LLC, you get personal liability protection, pass-through taxation, and flexibility of management. This book provides an overview of everything you need to know about Single Member LLCs, including: what forms and documents you need to create an SMLLC how to initially fund an SMLLC what your options are for managing an SMLLC how to prepare taxes for an SMLLC what kinds of records you need to maintain for your SMLLC, and liability issues specific to SMLLCs. Nolo's Guide to Single-Member LLCs has all the essential information you need to decide whether an SMLLC is the right choice for your business. The book includes a sample operating agreement and written consent forms as well as tips and examples throughout to help clarify the most important points.

### **Profit First**

### **Deduct It!: Lower Your Small Business Taxes**

Are you paying more taxes than you have to? The IRS is certainly not going to tell you about a deduction you failed to take, and your accountant won't catch everything. This invaluable book not only lists the individual items that are deductible in your home-based business—from utilities to that part of the home where you work—but also explains where to list them on your income tax form.

### **Keep What You Earn**

Between 1995 and 2010, millions of Americans moved between the states, taking with them over \$2 trillion in adjusted gross incomes. Two trillion dollars is equivalent to the GDP of California, the ninth largest in the world. It's a lot of money. Some states, like Florida, saw tremendous gains (\$86.4 billion), while others, like New York, experienced massive losses (\$58.6 billion). People moved, and they took their working wealth with them. The question is, why? Why did Americans move so much of their income from state to state? Which states benefitted and which states suffered? And why does it matter? Using official statistics from the IRS, *How Money Walks* explores the hows, whys, and impact of this massive movement of American working wealth. Consider these facts. Between 1995 and 2010: The nine states with no personal income taxes gained \$146.2 billion in working wealth The nine states with the highest personal income tax rates lost \$107.4 billion The 10 states with the lowest per capita state-local tax burdens gained \$69.9 billion The 10 states with the highest per capita state-local tax burdens lost \$139 billion Money—and people—moved from high-tax states to low-tax ones. And the tax that seemed to matter the most? The personal income tax. The states with no income taxes gained the greatest wealth, while the states with the highest income taxes lost the most. Why does this matter? Because the robust presence of working wealth is the leading indicator of economic health. The states that gained working wealth are growing and thriving. The states that lost working wealth lost their most precious cargo—their tax base—and the consequences are dire: stagnation, deterioration, an economic death spiral as they continue to raise taxes and lose people, businesses, and working wealth. The numbers don't lie.

---

“When I read *How Money Walks*, I thought, ‘It’s about time.’ Finally, we have a book that addresses one of our nation’s most critical (yet rarely discussed) fiscal issues: the migration of working wealth as a direct result of personal income tax rates. Brown’s book paints a clear portrait of where money goes and why. *How Money Walks* should be required reading for anyone who wants to understand why some states struggle to retain people and businesses while others welcome billions of new dollars each year.” Dr. Arthur Laffer Founder and chairman, Laffer Associates and Laffer Investments Former economic advisor to President Ronald Reagan

### **Independent Contractor, Sole Proprietor, and LLC Taxes**

Maximize your bottom line with the nation's most trusted small business tax guide J.K. Lasser's *Small Business Taxes 2019* is the small business owner's ultimate guide to a money-saving, stress-free tax season. Providing straightforward advice from the nation's most trusted tax expert on small business taxes, this book gives you the answers you need quickly, with clear, concise guidance. Updated to cover changes from the Tax Cuts and Jobs Act and other legislation, this edition also includes an e-supplement covering additional developments from Congress and the IRS to keep you fully up-to-date. A complete listing of all available business deductions and credits helps you identify those you qualify for, and includes critical information on dollar limits, recordkeeping requirements, and how to actually take the write-off—all the way down to the IRS form to use. Organizational and planning strategies help you get through the process quickly and with fewer headaches, and this year's changes to the tax laws are explained in terms of how they affect your filing. Keeping up with the intricacies of tax law and filing is a full-time job—but it's not your full-time job. You have a business to run. This book gives you the guidance you need in the time that you have so you can get taxes out of the way and get back to work. Learn which expenses qualify for deductions—and which ones don't Adopt a more organized recordkeeping system to streamline the filing process Explore small-business-specific strategies for starting or closing a business, running a sideline business, and operating in multiple businesses Decode the various forms and worksheets correctly with step-by-step guidance Audit-proof your return Review obligations for the “other taxes,” including payroll and excise taxes Every year, millions of small business owners overpay their taxes because they lack the time and expertise to make tax-sensitive business decisions throughout the year only to learn that it's too

late to act when it comes to tax time. Now you can put your money back where it belongs—in your business. J.K. Lasser's *Small Business Taxes 2019* helps you take wise actions during the year and tells you how to file completely and accurately while maximizing your bottom line.

### **Every Airbnb Host's Tax Guide**

Only a small number of the deductions that business owners and the self-employed are entitled to take are listed in the IRS instructions. The rest can be found here. The author explains hundreds of write-offs in an easy-reference format.

### **Tax Savvy for Small Business**

Many tax books promise readers a radical reduction in taxes (or no taxes at all). All too often, they tout obscure tax strategies that apply to nearly no one or doubtful schemes that may draw unwelcome attention from the IRS. Written by veteran USA TODAY financial columnist Sandra Block and bestselling tax writer Stephen Fishman, *Easy Ways to Lower Your Taxes* has useful insights and legitimate tactics that many readers can employ to lower their tax bills. It explains, in plain English, the rules of tax planning: Boost tax-free income Get a lower tax rate Defer paying taxes Make the most of deductions Take advantage of exemptions Identify and use credits Shift income to other taxpayers Each rule is fleshed out with plenty of ideas, excerpts, strategies and examples, as well as dozens of USA TODAY Snapshots.

### **Working for Yourself**

### **J.K. Lasser's 1001 Deductions and Tax Breaks 2020**

### **Tax Guide for Gig Workers**

Author of cult classics The Pumpkin Plan and The Toilet Paper Entrepreneur offers a simple, counterintuitive cash management solution that will help small businesses break out of the doom spiral and achieve instant profitability. Conventional accounting uses the logical (albeit, flawed) formula: Sales - Expenses = Profit. The problem is, businesses are run by humans, and humans aren't always logical. Serial entrepreneur Mike Michalowicz has developed a behavioral approach to accounting to flip the formula: Sales - Profit = Expenses. Just as the most effective weight loss strategy is to limit portions by using smaller plates, Michalowicz shows that by taking profit first and apportioning only what remains for expenses, entrepreneurs will transform their businesses from cash-eating monsters to profitable cash cows. Using Michalowicz's Profit First system, readers will learn that:

- Following 4 simple principles can simplify accounting and make it easier to manage a profitable business by looking at bank account balances.
- A small, profitable business can be worth much more than a large business surviving on its top line.
- Businesses that attain early and sustained profitability have a better shot at achieving long-term growth.

With dozens of case studies, practical, step-by-step advice, and his signature sense of humor, Michalowicz has the game-changing roadmap for any

entrepreneur to make money they always dreamed of.

## **The Real Estate Agent's Tax Deduction Guide**

More than a half-million new businesses are started every year by creative, energetic people looking to capitalize on their ideas and ingenuity. Unfortunately, only about 3 out of 10 last more than two years, and only about 50% those make it five years. A key reason small businesses fail is because of IRS problems. The tax code heaps a mountain of reporting, payment, and compliance obligations on small businesses that most business owners don't know anything about. In fact, the Government Accountability Office once counted more than 200 distinct obligations placed on the shoulders of businesses. Can you name all 200? Can you name even 20? If not, you need this book. And since the tax code was changed more than 5,900 times just since 2001, you need this book now more than ever. In the Small Business Tax Guide, Dan covers important topics, including: - Identifying the 15 most common mistakes small business make, and how to avoid them - - Whether an LLC, Subchapter S corporation or partnership is best for you - - Everything you need to know about hiring employees and using independent contractors - - How to properly set up and use an office in your home - - How to avoid the IRS's costly "hobby loss" rules - - How to avoid tax penalties that can kill your business - - How to properly deduct business travel and mileage expenses - - Understanding the complex new rules for business meals and entertainment expenses - - Dan's fool-proof record-keeping system to keep you out of trouble with the IRS - - Plus much, much more! It's not enough to be the creative genius behind your company. You also have to keep your company out of trouble with the IRS. Don't get clobbered for violating tax rules you never knew existed. If you currently operate or intend to operate your own small business, you need this important new book right now.

## **Basis of Assets**

Pay less to the IRS For any home business, claiming all the tax deductions you are entitled to is essential to your business's financial success. Don't miss out on the many valuable deductions you can claim. Here, you'll find out how to deduct: start-up costs home office expenses vehicles, meals, and travel expenses medical expenses, and retirement expenses. You'll also learn how to keep accurate, thorough records in case the IRS ever comes calling. Easy to read and full of real-life examples, this book can help you take advantage of all the valuable deductions you are entitled to. The 16th edition is updated to cover changes under the Tax Cuts and Jobs Act.

## **J.K. Lasser's 1001 Deductions and Tax Breaks 2013**
