Perdue Olympic gold medalist in swimming Deep Down, Don't You Long to Be a World-Changer? Did you know that the famed Proverbs 31 woman was more than just a "virtuous woman"? In Hebrew, she is called a woman of valor. And if you think the Bible paints women as "less than," better look again! From telemarketers to traffic jams to twenty-item shoppers in the ten-item line, our lives are full of interruptions. They're often aggravating, sometimes infuriating, and can make us want to tell people what we really think about them. But they also tell us something quite important about ourselves. The prophet Jonah's life was interrupted by a clear call of God that made him mad enough and scared enough to run in the completely opposite direction. Yet it wasn't really an interruption. It was an opportunity for Jonah to be involved in something the likes of which the Old Testament world had never seen: national revival in a Gentile country. What if Jonah had seen God's interruption for what it truly was—a divine intervention that held more adventure and possibility than any other thing he could have been doing at the time? What could have felt any better than being directly in the center of God's will? Yet we play it that same way—always running from major pains and minor problems that just don't seem to suit us at the time. Who knows what we're missing by being so interruption avoidant? In this very personal account of opportunities lost and lessons learned,

Alcoholics Anonymous (also known as the Big Book in recovery circles) sets forth cornerstone concepts of recovery from alcoholism and tells the stories of men and women who have overcome the disease. The fourth edition includes twenty-four new stories that provide contemporary sharing for newcomers seeking recovery from alcoholism in A.A. during the early years of the 21st century. Sixteen stories are retained from the third edition, including the "Pioneers of A.A." section, which helps the reader remain linked to A.A.'s historic roots, and shows how early members applied this simple but profound program that helps alcoholics get sober today. Approximately 21 million copies of the first three editions of "Alcoholics Anonymous" have been distributed. It is expected that the new fourth edition will play its part in passing on A.A.'s basic message of recovery. This fourth edition has been approved by the General Service Conference of Alcoholics Anonymous, in the hope that many more may be led toward recovery by reading its explanation of the

From the bestselling author of *A History of God* and *The Great Transformation* comes a balanced, nuanced understanding of the role religion plays in human life and the trajectory of faith in modern times. Why has God become incredible? Why is it that atheists and theists alike now think and speak about God in a way that veers so profoundly from the thinking of our ancestors? Moving from the Paleolithic Age to the present, Karen Armstrong details the lengths to which humankind has gone to experience a sacred reality that it called God, Brahman, Nirvana, Allah, or Dao. She examines the diminished impulse toward religion in our own time when a significant number of people either want nothing to do with God or question the efficacy of faith. With her trademark depth of knowledge and

profound insight, Armstrong elucidates how the changing world has necessarily altered the importance of religion at both societal and individual levels. And she makes a powerful, convincing argument for structuring a faith that speaks to the needs of our dangerously polarized age. From the Hardcover edition.

### **Defined - Teen Guys Bible Study Book**

"The fear of the Lord is the beginning of wisdom." In the Wisdom literature of the Bible we first hear the cool voice of a teacher calling us to think--to think hard and humbly. "How long will fools hate knowledge?" cries Wisdom in the book of Proverbs. Then in Job comes the anguished voice of the questioner, earnest enough to seek answers, honest enough to doubt easy ones. In Ecclesiastes the chastened tone of the Preacher warns of the vanity of all life under the sun. Sensitive to both literary form and theological content, Derek Kidner introduces Proverbs, Job and Ecclesiastes, explaining their basic character and internal structure. He also summarizes and evaluates the wealth of modern criticism focused on each book. Looking at all three books together, Kidner shows how their many voices compare, contrast and ultimately give a unified view of life. Kidner extends his analysis to include Ecclesiasticus and The Wisdom of Solomon from the Apocrapha, and he reprints excerpts from non-Israelite works

How would you describe the spiritual aroma of your home? The source of this aroma is the relationship between husband and wife. Many can fake an attempt at keeping God's standards in some external way. What we cannot fake is the resulting, distinctive aroma of pleasure to God. Reforming Marriage does what few books on marriage do today: it provides biblical advice. Douglas Wilson points to the need for obedient hearts on the part of both husbands and wives. Godly marriages proceed from obedient hearts, and the greatest desire of an obedient heart is the glory of God.

Now a New York Times bestseller, Nadia Bolz-Weber takes no prisoners as she reclaims the term "pastrix" (pronounced "pas-triks," a term used by some Christians who refuse to recognize female pastors) in her messy, beautiful, prayer-and-profanity laden narrative about an unconventional life of faith. Heavily tattooed and loud-mouthed, Nadia, a former stand-up comic, sure as hell didn't consider herself to be religious leader material - until the day she ended up leading a friend's funeral in a smoky downtown comedy club. Surrounded by fellow alcoholics, depressives, and cynics, she realized: These were her people. Maybe she was meant to be their pastor. Using life stories - from living in a hopeful-but-haggard commune of slackers and her unusual but undeniable spiritual calling to her

experiences pastoring people from all walks of life - and poignant honesty, Nadia portrays a woman who is both deeply faithful and deeply flawed, giving hope to the rest of us along the way. Wildly entertaining and deeply resonant, this is the book for people who hunger for a bit of hope that doesn't come from vapid consumerism; for women who talk too loud and guys who love chick flicks; and for the gay person who loves Jesus and won't be shunned by the church. In short, this book is for every misfit suspicious of institutionalized religion but who is still seeking transcendence and mystery.

Another Landmark Book by Rick Warren. You are not an accident. Even before the universe was created, God had you in mind, and he planned you for his purposes. These purposes will extend far beyond the few years you will spend on earth. You were made to last forever! Self-help books often suggest that you try to discover the meaning and purpose of your life by looking within yourself, but Rick Warren says that is the wrong place to start. You must begin with God, your Creator, and his reasons for creating you. You were made by God and for God, and until you understand that, life will never make sense. This book will help you understand why you are alive and God's amazing plan for you---both here and now, and for eternity. Rick Warren will guide you through a personal 40-day spiritual journey that will transform your answer to life's most important question: What on earth am I here for? Knowing God's purpose for creating you will reduce your stress, focus your energy, simplify your decisions, give meaning to your life, and, most importantly, prepare you for eternity. The Purpose Driven Life is a blueprint for Christian living in the 21st century---a lifestyle based on God's eternal purposes, not cultural values. Using over 1,200 scriptural quotes and references, it challenges the conventional definitions of worship, fellowship, discipleship, ministry, and evangelism. In the tradition of Oswald Chambers, Rick Warren offers distilled wisdom
