### The Complete Book of Drawing

In those countless cheap and long forgotten men's humor magazines, Ward's voluptuous "girly" drawings shared the pages with photos of Bettie Page and

Mamie Van Doren, and pin-up cartoons by the likes of Archie's Dan DeCarlo and Playboy magazine's Jack Cole. Thumbing through those digests, it quickly becomes evident that Ward was Humorama's dominant pin-up cartoon artist. His mastery of the Conte crayon allowed him to produce unparalleled textures, including the wonderful sheen on satiny curve-hugging dresses and on black thigh-high stockings that became Ward trademarks. Ward's other trademark, of course, was his penchant for drawing extremely well endowed women accentuated by tiny waists, and whether playing the role of office secretaries, arm candy at cocktail parties or vamping it up in a boudoir, his women played to multiple fetishes adorned in opera-length gloves, lacy lingerie, and five-inch stiletto heels. Sometimes bawdy, but never tawdry, Ward's top-heavy Humorama women always managed to maintain their allure, innocence and glamour that made Torchy so popular.

The phenomenal draftsman Gustav Klimt occupies a unique place in modern art. His extant oeuvre comprises some 250 paintings and more than 4,000 works on paper. The study of the human figure--above all female--lies at the heart of the artist's activity as a draftsman, which he practiced assiduously.

Through his study of the poses and gestures of his models, Klimt repeatedly examined the essence of particular psychological and existential states of being. In his constant quest for the ideal solution, Klimt often went beyond the preparation of his paintings, which, particularly after 1900, were dominated by the themes of Eros, Love, Life, and Death. His art cannot be understood without carefully considering the drawings, which are characterized by an unsurpassed mastery of line, in all the phases of his artistic development--from Historicism, through Stilkunst around 1900, the Golden Period, and up to his freer late work. This lavishly illustrated publication accompanies the exhibition organized by the Albertina Museum in Vienna (March 13 to June 10, 2012) and the J. Paul Getty Museum in Los Angeles (July 3 to September 23, 2012) to mark the 150th anniversary of Gustav Klimt's birth. In both venues, the emphasis will be placed on showing not only the variety of his draftsmanship, but also the centrality of drawing to Klimt's artistic enterprise. Most of the works on display will come from the Albertina's outstanding collection, one of the most extensive and representative groups of Klimt drawings in the world, complemented by select Austrian and international loans.

Sargon the Sorcerer joins forces with the Justice Society in their battle against the Crime Champions. The Flash and Hourman take on Chronos and the Fiddler; Red Tornado and the Huntress fight Dr. Alchemy and the Icicle; and Power Girl and Sargon tackle Felix Faust and the Wizard. Meanwhile, the Thunderbolt recounts for Starman and Black Canary the secret of her true origin. Johnny Thunder and Black Canary had been crime-fighting teammates at the start of her career, until Johnny decided to forgo the use of his T-Bolt and Black Canary eventually took his place in the JSA. Larry Lance became

Dinah Drake's boyfriend, and after the Justice Society disbanded in the 1950s, the two were married and had a daughter, also named Dinah. When the child was still an infant, however, the Wizard, seeking revenge on Black Canary, cast a spell giving the baby uncontrollable sonic powers, and the tearful parents allowed the T-Bolt to take the child to his home dimension, where her power would do no harm. The Thunderbolt then caused everyone to forget what had happened. His story is interrupted at this point, as the Earth-2 Johnny Thunder frees himself and overcomes his counterpart, thus allowing the T-Bolt to revive the JLA heroes, who join the fight against the Crime Champions, with the result that the villains are soundly beaten. Superman and the Spectre then appear in the Thunderbolt Dimension to complete the tale of Black Canary's beginnings, as it is revealed that the original Canary had died shortly after her husband (in JUSTICE LEAGUE OF AMERICA #74), and that the Black Canary who joined the Justice League was actually the child Dinah Lance, now grown to adulthood, able to control her sonic powers, and imbued by the T-Bolt with her mother's memories.

### Magical Beauties

Art and Pornography presents a series of essays which investigate the artistic status and aesthetic dimension of pornographic pictures, films, and literature, and explores the distinction, if there is any, between pornography and erotic art. Is there any overlap between art and pornography, or are the two mutually exclusive? If they are, why is that? If they are not, how might we characterize pornographic art or artistic pornography, and how might pornographic art be distinguished, if at all, from erotic art? Can there be aesthetic experience of pornography? What are some of the psychological, social, and political consequences of the creation and appreciation of erotic art or artistic pornography? Leading scholars from around the world address these questions, and more, and bring together different aesthetic perspectives and approaches to this widely consumed, increasingly visible, yet aesthetically underexplored cultural domain. The book, the first of its kind in philosophical aesthetics, will contribute to a more accurate and subtle understanding of the many representations that incorporate explicit sexual imagery and themes, in both high art and demotic culture, in Western and non-Western contexts. It is sure to stir debate, and healthy controversy.
