Turning up in ripped jeans and a pair of trainers hardly gives a professional impression. Knowing the type of company you have applied to should give you a clue as to the dress code. For example, in legal or business firms dress is usually more formal, while in creative companies or IT the dress code is more relaxed.

Failing Forward: Turning Mistakes Into Stepping Stones for

It is better to slowly inch forward than to have to put your car into reverse because you overshot the line. This can result in an automatic fail. Make sure that you don't stop unless you need to. This can create problems with the cars behind you. For example, if you are at a green light and turning right, you shouldn't stop.

China Is Maneuvering for Global Leadership During the
