"Self-help meets memoir. Party girl meets wise sage. Beauty meets reality. Zara Barrie is the cool older sister you wish you had. The one that lets you borrow her designer dresses and ripped up fishnets, buys you champagne (she loves you too much to let you drink beer), and colors your lips with bright pink lipstick. She'll take you to the coolest parties, and will stick by your side and she guides you through the glitter, pain, danger, laughter, and what it means to be a f\*cked up girl in this f\*cked up world (both of which are beautiful despite the darkness). Girl, Stop Passing Out in Your Makeup is for

the girls that are too much of a beautiful contradiction to be contained. Zara is a gifted writer—one second she'll have you laughing over rich girls agonizing over which Birkin bag to buy, the next second she'll shatter your heart in one sentence about losing one's innocence. Zara is the nuanced girl she writes for—light, irreverent, snarky, bitchy, funny; and aching, perceptive, deep, flawed, wise, poised, honest—all at once. Perhaps the only thing that can match Zara's unparalleled wit and big sister advice is her candid humor and undeniable talent for the written word. Zara is one of the most prolific and entertaining honest voices on the internet—and her talent is only multiplied in book form. Girl, Stop Passing Out in Your Makeup is for the bad girls, honey.”—Dayna Troisi, Executive Editor, GO Magazine “Reading Zara's writing will make you feel like you're at your cool-as-hell big sister's sleepover party. You will be transfixed by her unflinching honesty and words of wisdom, and she'll successfully convince you to not only ditch the shame you feel about the raw and messy parts of yourself, but to dare to see them as beautiful.”—Alexia LaFata, Editor, New York Magazine “If Cat Marnell and F. Scott Fitzgerald had a literary baby it would be Zara Barrie. She's got Marnell's casual, dark, downright hilarious tone of an irreverent party girl. But then she also has Fitzgerald's talent for making words literally feel like they sparkle on the page. I've always been a fan of Zara's writing but Girl, Stop Passing Out in Your Makeup takes it to the next level. With shimmery words that make her dark stories sparkle, she seamlessly manages to inspire even the most coked-out girl at the party to get her shit together.”—Candice Jalili, Senior Sex & Dating Writer, Elite Daily

## **What Matters Most**

From the New York Times bestselling author of The Life-Changing Magic of Not Giving a F\*ck and Get Your Sh\*t Together comes more straight talk about how to stand up for who you are and what you really want, need, and deserve -- showing when it's okay to be selfish, why it's pointless to be perfect, and how to be "difficult." Being yourself should be easy, yet too many of us struggle to live on other people's terms instead of our own. Rather than feeling large and in charge, we feel little and belittled. Sound familiar? Bestselling "anti-guru" Sarah Knight has three simple words for you: YOU DO YOU. It's time to start putting your happiness first -- and stop letting other people tell you what to do, how to do it, or why it can't be done. And don't panic! You can do it without losing friends and alienating people. Knight delivers her trademark no-bullsh\*t advice about: The Tyranny of "Just Because" The social contract and how to amend it Turning "flaws" into strengths -- aka "mental redecorating" Why it's not your job to be nice Letting your freak flag fly How to take risks, silence the doubters, and prove the haters wrong Praise for Sarah Knight: "Genius." -- Cosmopolitan "Self-help to swear by." -- The Boston Globe "Hilarious truly practical." -- Booklist

## The Entrepreneur's Guide to Business Law

"Humorous and forthright[Gaby] Dunn makes facing money issues seem not only palatable but possibly even fun.Dunn's book delivers."  
—Publishers Weekly The beloved writer-comedian expands on her popular podcast with an engaging and empowering financial literacy book for Millennials and Gen Z. In the first episode of her "Bad With Money" podcast, Gaby Dunn asked patrons at a coffee shop two questions: First, what's your favorite sex position? Everyone was game to answer, even the barista. Then, she asked how much money was in their bank accounts. People were aghast. "That's a very personal question," they insisted. And therein lies the problem. Dunn argues that our inability to speak honestly about money is our #1 barrier to understanding it, leading us to feel alone, ashamed and anxious, which in turns makes us feel even more overwhelmed by it. In *Bad With Money*, she reveals the legitimate, systemic reasons behind our feeling of helplessness when it comes to personal finance, demystifying the many signposts on the road to getting our financial sh\*t together, like how to choose an insurance plan or buy a car, sign up for a credit card or take out student loans. She speaks directly to her audience, offering advice on how to make that #freelancelife work for you, navigate money while you date, and budget without becoming a Nobel-winning economist overnight. Even a topic as notoriously dry as money becomes hilarious and engaging in the hands of Dunn, who weaves her own stories with the perspectives of various comedians, artists, students, and more, arguing that—even without selling our bodies to science or suffering the indignity of snobby thrift shop buyers—we can all start taking control of our financial futures.

## Get Your Sh\*t Together

There's a mantra that real writers know but wannabe writers don't. And

the secret phrase is this: NOBODY WANTS TO READ YOUR SH\*T. Recognizing this painful truth is the first step in the writer's transformation from amateur to professional. From Chapter Four: "When you understand that nobody wants to read your shit, you develop empathy. You acquire the skill that is indispensable to all artists and entrepreneurs—the ability to switch back and forth in your imagination from your own point of view as writer/painter/seller to the point of view of your reader/gallery-goer/customer. You learn to ask yourself with every sentence and every phrase: Is this interesting? Is it fun or challenging or inventive? Am I giving the reader enough? Is she bored? Is she following where I want to lead her?"

Founder of popular website Get Your Shit Together blends personal story and must-have advice in the ultimate guide to getting your affairs in order—from wills and advance directives to insurance, finances, and relationships—before the unthinkable happens. On July 17, 2009, Chanel Reynolds' husband, José, was struck by a car while cycling near their home in Seattle. In the wake of her husband's untimely death, Reynolds quickly realized that she was completely unprepared for what came next. What was the password to his phone? Did they sign their wills? How much insurance did they have? Could she afford the house? And what the hell was probate anyway? Simply put, when life went sideways she didn't have her shit together. As it turns out, most of us don't either. We're too busy, in denial, overwhelmed by too much information, uncertain where to start, or just uncomfortable having those difficult conversations. Reynolds learned the hard way that hoping for the best is not a plan, but you don't have to. Drawing on her first-hand experience, expert advice, and the unparalleled resources she's compiled for her celebrated website, Reynolds lends a human voice to a warren of checklists and forms and emotional confusion, showing readers how to: Create a will and living will Update (or finally get) the right life insurance policy Start or grow an emergency fund Make a watertight emergency plan Keep secure, up-to-date records of personal information Authoritative yet personal, grounded but irreverent, Reynolds' voice carries readers through a tough subject with candor and compassion. Weaving personal story with hard-won wisdom, What Matters Most is the approachable, no-nonsense handbook we all need to living a life free of worry and "what ifs."

Looking back over his life, from schoolboy crushes (on girls and boys) to discovering the power of making people laugh (in the Cambridge Footlights with David Mitchell), and from losing his beloved mother to becoming a husband and father, Robert Webb considers the absurd expectations boys and men have thrust upon them at every stage of life. Hilarious and heartbreaking, How Not To Be a Boy explores the relationships that made Robert who he is as a man, the lessons we learn as sons and daughters, and the understanding that sometimes you aren't the Luke Skywalker of your life - you're actually Darth Vader.

Sons and Lovers, a story of working-class England, is D. H. Lawrence's third novel. It went through various drafts, and was titled "Paul Morel" until the final draft, before being published and met with an indifferent reaction from contemporary critics. Modern critics now consider it to be D. H. Lawrence's masterpiece, with the Modern Library placing it ninth in its "100 Best English-Language Novels of the 20th Century." The novel follows the Morels, a family living in a coal town, and headed by a passionate but boorish miner. His wife, originally from a refined family, is dragged down by Morel's classlessness, and finds her life's joy in her children. As the children grow up and start leading lives of their own, they struggle against their mother's emotional drain on them. Sons and Lovers was written during a period in Lawrence's life when his own mother was gravely ill. Its exploration of the Oedipal instinct, frank depiction of working-class household unhappiness and violence, and accurate and colorful depiction of Nottinghamshire dialect, make it a fascinating window into the life of people not often chronicled in fiction of the day. This book is part of the Standard Ebooks project, which produces free public domain ebooks.
