Edgar award nominee James N. Frey, author of the internationally best-selling books on the craft of writing, *How to Write a Damn Good Novel*, *How to Write a Damn Good Novel II: Advanced Techniques*, and *The Key: How to Write Damn Good Fiction Using the Power of Myth*, has now written what is certain to become the standard "how to" book for mystery writing, *How to Write a Damn Good Mystery*. Frey urges writers to aim high-not to try to write a good-enough-to-get-published mystery, but a damn good mystery. A damn good mystery is first a dramatic novel, Frey insists-a dramatic novel with living, breathing characters-and he shows his readers how to create a living, breathing, believable character who will be clever and resourceful, willful and resolute, and will be what Frey calls "the author of the plot behind the plot." Frey then shows, in his well-known, entertaining, and accessible (and often humorous) style, how the characters-the entire ensemble, including the murderer, the detective, the authorities, the victims, the suspects, the witnesses and the bystanders-create a complete and coherent world. Exploring both the on-stage action and the behind-the-scenes intrigue, Frey shows prospective writers how to build a fleshed-out, believable, and logical world. He shows them exactly which parts of that world show up in the pages of a damn good mystery-and which parts are held back just long enough to keep the reader guessing. This is an indispensable step-by-step guide for anyone who's ever dreamed of writing a damn good mystery.

Star Wars: The Concept Art of Ralph McQuarrie Mini Book

Some of the world's foremost historians - from Morris Bishop and J. Christopher Herold to H. R. Trevor-Roper and Barbara Tuchman - tell the stories of the greatest showdowns of all time. Here, Richard the Lionheart faces off against the sultan Saladin, Pope Leo I against Attila the Hun, Spanish Explorer Hernán Cortés against Aztec King Moctezuma II, and Emperor Napoleon against Russia's Alexander I. The collection ends with the 1904 standoff between President Teddy Roosevelt and Moroccan desperado Mulay Ahmad al-Raysuni over the kidnapping of an American citizen.

Badass: Ultimate Deathmatch

Read Book Great Showdowns The Return

From the Ben Thompson, author of *Badass: The Birth of a Legend*, comes a collection of history's most awe-inspiring duels and showdowns, brutal crusades and epic brawls, and profiles of the fascinating people who fought in them. From Caliphs to Green Berets, some of civilization's toughest warriors are profiled in *Badass: Ultimate Deathmatch*, including Cyrus the Great, St. Moses the Black, and The Rani of Jhansi, as well as in-depth analyses of how they battled their way to victory. Featuring original artworks by top graphic artists and comic book illustrators, and Ben Thompson's signature wry, side-splitting commentary, *Badass: Ultimate Deathmatch* is the history of badasses, the only way it should be written: covered in blood!

Five years ago, Corin Cadence's brother entered the Serpent Spire -- a colossal tower with ever-shifting rooms, traps, and monsters. Those who survive the spire's trials return home with an attunement: a mark granting the bearer magical powers. According to legend, those few who reach the top of the tower will be granted a boon by the spire's goddess. He never returned. Now, it's Corin's turn. He's headed to the top floor, on a mission to meet the goddess. If he can survive the trials, Corin will earn an attunement, but that won't be sufficient to survive the dangers on the upper levels. For that, he's going to need training, allies, and a lot of ingenuity. The journey won't be easy, but Corin won't stop until he gets his brother back.

The Beatles Yellow Submarine

We hoped, desperately, that they came in peace. We were wrong. Thirty years after the Second Swarm War devastated Earth and its colonies, a powerful, mysterious alien ship has invaded our space. Entire planets are ravaged, whole moons shattered. Any starship sent against it never comes home. But Admiral Proctor, a war hero from our last brush with annihilation, is called out of retirement to take the reins of humanity's newest starship. The ISS Independence and her crew, with Admiral Proctor at the helm, will stand as Earth's last defense. Somehow, against all odds, they will save us, even when our enemy is not just an unstoppable alien ship, but a ghost from humanity's past bent on its utter destruction. And if they fail, we fall. For good.

The Art of Mondo

Dear Gazelle, For some time now I have wanted to write a letter to say how much I admire you. You are so graceful and fine. Even when you are running from tigers you are like a ballerina who is running away from tigers. I think that what I'm trying to say is that I love you. XO, OX And so begins an epic, if initially unrequited, love affair between a graceful gazelle and a clumsy, hapless ox. Romance will never be the same. Adam Rex's hilarious, sweet, and at times heartbreaking letters between a hopelessly romantic ox and a conceited, beautiful gazelle is paired perfectly with Scott Campbell's joyful illustrations to bring you a romance for the ages.

The Sinner

Read Book Great Showdowns The Return

Ever witness a miracle up front? Do you know anybody who has seen many and lived to tell it all? If your answer is no, you should read my book "Wounded." It is based on a true story of one man's struggles throughout his life. It will take you to the depths of poverty like no other. It will display how hard it is for someone to survive lacking the basic needs in life. The main character is a man named Santiago Jim Nunez. He is a Mexican American born in East Los Angeles, CA in 1949. He lived through foster homes since the age of six years old till he was 18 years old. His struggles continued when he went to fight in the Vietnam War. He was critically wounded and returned home. Only to discover a world where nobody cared about the veterans coming back from Nam. The aftermath and pain that came with it was draining. The lengthy battles with the VA to the constraints of money and resources. The battle between good and evil showdowns the ultimate test of faith. The battle is constantly fought throughout the entire book. This story is through the eyes of a young, battle weary soldier, adjusting to civilian life. The horrors that came home with Jim were relentless. They also took a toll on his personal relationships and his family. With nowhere to turn for help and the VA's lack to acknowledge veteran issues, Jim turned to the Lord for help. His faith would be tested in the most crucial times of his life. Throughout all the good and bad times, Jim never lost his faith. It is the biggest reason he conquered his demons and is here to share his story today. His story is one that is not here to glamourize his mistakes. What it is here for is to instill hope and faith in others who feel alone. To help those who have gone through the same pitfalls as he has. Others who feel like they have no place to turn for help. The same way he felt when he came back from Vietnam. It is here to give thanks to the many who helped him with his struggles along the way. It is here to give thanks to the Lord for all his blessings he has endured through life. The great changes he made to make life worth living and fighting for.

As unrest against the crown grows, the King chooses to send the now-famous Kara-Meir and her friends across the holy river into Morytania, the land of the dead.

Hug Machine

When I Knew is a collection of smart, hilarious, and often poignant stories about that revelation for all gay men and women: when they first knew. In this

gorgeously illustrated, cleverly designed, and colorful book, acclaimed fashion and celeb-rity photographer Robert Trachtenberg brings humor and style to the EUREKA! moments of more than eighty contributors, including B. D. Wong, Arthur Laurents, Simon Doonan, Stephen Fry, Marc Shaiman, Michael Musto, and more. Also mixed in are tales about when parents knew and when everyone else knew, as well as laugh-out-loud coming-out stories. Readers will fall in love with these anecdotes, from the seven-year-old who looked under the television set to sneak a peek under Tarzan's loincloth, to the inquisitive grandmother who asked her grandson, "You don't like a girl to get married? You prefer a boy?", to the courageous field trip participant who passed up the universal favorite burger-and-fry combo in favor of the fruit plate with cottage cheese. Filled with original art by New Yorker illustrator Tom Bachtell, historical images, and personal photographs from the contributors, When I Knew is a vibrant and witty celebration of that sometimes glorious, sometimes painful, but always captivating moment when everything suddenly makes sense.

Ultimate Showdown

Princeton political scientist Walter Murphy analyzed the role of Congress in trying to manage an activist Supreme Court at a time of seismic change in the law and evolving interplay between these powerful institutions. As the original dustjacket offered, this is a "first-rate assessment of the delicate balance of power between Congress and the Supreme Court as it affects the American political process." The new digital republication of this classic work adds a 2014 Foreword by law professor Thomas Baker, who notes the continuing relevance of Murphy's insights: "The principal object lesson he offers is that what happened in the 1950s happened before and will happen again, that separation of powers showdowns are cyclical." In sum, "This book was recognized immediately upon publication as an important contribution to the literature on separation of powers and in particular the constitutional dynamic between Congress and the Court." It "continues to enjoy in the canon of constitutional law" a recognized status, to both legal academics and political scientists, as Baker explains in his contemporary introduction. The new digital edition presents the original text and tables accurately and properly formatted as an ebook; it features active contents, linked chapter footnotes and endnotes, and even a fully-linked Index for continuity with the original print edition. Originally published by the University of Chicago Press, this is an authorized and unabridged new addition to the Classics of Law & Society Series from Quid Pro Books.

Congress and the Court

Fans always answer in the affirmative when their team asks: Will you still love me tomorrow? However, for many GAA fans it is their rivalries that guide them and define them. This unique book celebrates the age-old rivalries that have energised and enlivened the GAA. Based on exclusive interviews with a veritable Who's Who of the great and the good of Gaelic Games, here are remarkable insights into the controversies, epic matches and the thrilling events on and off the field which great GAA rivalries have generated. Full of arresting anecdotes that represent each county, these pages capture the extraordinary pride and passion of Ireland's greatest national treasures: Gaelic football, hurling, ladies football and camogie. John Scally is a lecturer in Trinity College, but in his spare time is a writer and broadcaster. Since 1992 he has written 40 books with cumulative sales of over 150,000 copies. He is the author of the biggest selling GAA book in Ireland, Raising the Banner: The Biography of Ger Loughnane, and for a few years his biography of Tony Ward was the biggest selling rugby book in Ireland. 'Will bring back a treasure trove of great memories for GAA fans.' Cyril Farrell 'There have been many rivalries through the decades and John Scally will navigate you through them as only he can, with great insight and knowledge and an unrivalled love for our native games.' Donal Ryan 'Pulsates with the thrills and spills of epic contests, clashes and controversies. A must read book for GAA fans. It reminds us of who

we are.' John O'Mahony

The Great Showdowns

The second book in a thrilling sci-fi action adventure, set on Donovan, a treacherous alien planet where corporate threats and dangerous creatures imperil the lives of the planet's colonists. New York Times bestselling author W. Michael Gear returns us to the world he laid out with such sure purpose in *Outpost*. The struggle for survival sharpens as resources dwindle, technology fails, and the grim reality of life on Donovan unfolds. Supervisor Kalico Aguila has bet everything on a fragile settlement far south of Port Authority. There, she has carved a farm and mine out of wilderness. But Donovan is closing in. When conditions couldn't get worse, a murderous peril descends out of Donovan's sky--one that will leave Kalico bleeding and shattered. Talina Perez gambles her life and reputation in a bid to atone for ruthlessly murdering a woman's husband years ago. Ironically, saving Dya Simonov may save them all. Lieutenant Deb Spiro is losing it, and by killing a little girl's pet alien, she may have precipitated disaster for all. In the end, the only hope will lie with a "lost" colony, and the alien-infested reflexes possessed by Security Officer Talina Perez. On Donovan, only human beings are more terrifying than the wildlife.
