Modern Roses in Australasia

Simple Soulful Sacred is a guidebook for the modern woman who seeks clarity and guidance on how to live the life of her dreams, on her own terms. It's for the women of our time-the mothers, teachers, healers, light workers, dreamers, creators, leaders-who are ready to find their voice, speak their truth and own their power, whilst living life with less hustle and more flow. For modern women wanting more for their lives, it's the now age definition of having it all. Women are rising; ready to step out of the cloak of masculine traits that keep them striving for a version of success that is not their own. Ready to stop hiding their light and playing the comparison game. And ready to fully embody their feminine power. Because whilst the feminine may have been disowned and devalued for centuries, we are so done with that story now. But it's still a paradox. Because within this very rising, women are longing to step out of the noise and chaos, to live more simply. They want time and space for what's most important to them; and the comfort, consciousness and connection that often gets lost in the busyness and distractions of daily life. This book is the bridge women

have been seeking. Written with the time-poor reader in mind, this book includes 200 short-form chapters, the perfect length for dipping into while commuting; during a lunch break or at the end of the day. The perfect gift, or self-gift, for women of all ages.

New York Times and USA Today bestselling author Karen Hawkins pens a delightfully sexy tale of modern love in a small Southern town. *Do Blondes Have More Fun?* Newly divorced Roxie Treymayne is dying to find out. After years of being the perfect Southern lady, all she ended up with was a cheating husband. So she goes bombshell blond, gets a provocatively placed tattoo, and prepares to live it up as a Bad Girl. But then her mother falls ill and Roxie is forced to return to Glory, North Carolina. *He'd Love to Know.* Once the town bad boy, Nick Sheppard is now Glory's highly respected sheriff. When the hot blonde he stops for speeding turns out to be formerly prim Homecoming Queen Roxanne Treymayne, Nick doesn't quite know where to look -- though he'd like a much closer one at the tattoo peeking from her shorts. *But It Takes Two to Tango.* Roxie and Nick had a steamy fling in high school, but a love affair between a Southern princess and a boy from the wrong side of the tracks was doomed from the start. Now they have a second chance. Can they get it right? Or will they just end up the talk of the town?

Mia moves from the shadows to the spotlight when her matchmaking plans go awry in this contemporary MIX novel from the author of *30 Days of No Gossip*. Mia is used to feeling overlooked: her perfect older sister gets all the attention at home, and the popular clique at school are basically experts at ignoring her. So when it ' s time for the annual Student Council chocolate rose sale, Mia is prepared to feel even worse. Because even though anyone can buy and send roses to their crushes and friends, the same (popular) people always end up with roses while everyone else gets left out. Except a twist of fate puts Mia in charge of selling the roses this year—and that means things are going to change. With a little creativity, Mia makes sure the kids who usually leave empty-handed suddenly find themselves the object of someone ' s affection. But her scheme starts to unravel when she realizes that being a secret matchmaker isn ' t easy—and neither is being in the spotlight.
