A Tired Older Woman: Loses Weight and Keeps It Off!

Remnants of the Beginning is one of the most transparent "coming of age" memoirs for the urban lesbian community. With brutally honest short stories and emotion-filled, thought provoking poetry, Parker Bryant doesn't hold back any truths as she takes her time to expose the deep wounds and high altitudes of life and love. If there is a truth serum about the effects relationships with self and others have caused on our lives, you can assure to find it in Remnants of the Beginning. Packing a distinct power that creates an atmosphere for self dialogue, you'll find yourself having that much needed talk with yourself. Fall in love with the characters, and rediscover the beauty of being a woman on the journey of life and love. Definitely an eye opener to everyone who dares to take the plunge in the pages of the book and their own heart! The collection is intensely personal and fiercely unapologetic -- from one of the most compassionate, outspoken writers of our generation. Unlike many of the books currently in this particular genre, R.O.T.B. explores absolute truth. It is not just about feeling better when it comes to reading this book, it's also about going to the extreme of understanding why it hurts. Fall in love with people you may or may not know through honest reflections of experiences in life and love. There's nothing trendy about this book, because it was not written because love poems are now a trending topic. From the perspective of Parker Bryant, the creator of BrokenMyrror.com and UrbGasm.com, Remnants of the Beginning is a compilation of her most transparent and candid writings exploring topics such as: Sex Relationships Religion & the Church Racism Love and the lack thereof Family The Technology Effect Plus More Purposely leaving the date stamp on many of the pages, Parker opens up to expose and confess about people, places and things she has experienced in her life. You can't find a piece of literature that comes close to the rawness of Remnants of the Beginning, that's why you should make sure this masterpiece is in your collection.

Women with Money

In October 1928 Virginia Woolf was asked to deliver speeches at Newnham and Girton Colleges on the subject of 'Women and Fiction'; she spoke about her conviction that 'a woman must have money and a room of her own if she is to write fiction'. The following year, the two speeches were published as A Room of One's Own, and became one of the foremost feminist texts. Knitted into a polished argument are several threads of great importance – women and

learning, writing and poverty – which helped to establish much of feminist thought on the importance of education and money for women’s independence. In the same breath, Woolf brushes aside critics and sends out a call for solidarity and independence – a call which sent ripples well into the next century. 'Brilliant interweaving of personal experience, imaginative musing and political clarity' — Kate Mosse, *The Guardian* 'Probably the most influential piece of non-fictional writing by a woman in this century.' — Hermione Lee, *The Financial Times*

Herland

The bestselling motivational guide that *TheAtlantic.com* calls "a rallying cry for women to get the money they deserve." Why are women so often overlooked and underpaid? What are the real reasons men get raises more often than women? How can women ask for--and actually get--the money, the job, the recognition they deserve? Prompted by her own experience as cohost of *Morning Joe*, Mika Brzezinski asked a wide range of successful women to share the critical lessons they learned while moving up in their fields. Power players such as Facebook's Sheryl Sandberg, Senator Elizabeth Warren, Harvard's Victoria Budson, comedian Susie Essman, and many more shared their surprising personal stories. They spoke candidly about why women are paid less and the pitfalls women face--and play into. Now expanded to address gender dynamics in the #MeToo era, *Know Your Value* blends compelling personal stories with the latest research on why many women don't negotiate their compensation, why negotiating aggressively usually backfires, and what can be done about it. For any woman who has ever wondered if her desire to be liked can be a liability (yes), if there is a way to reclaim her contribution after it's been co-opted in a meeting (yes), and if there are strategies men use to get ahead that women should too (yes!), *Know Your Value* provides vital advice to help women be their own best advocates.

The Memo

Mystery writer, Annie Acorn, had a hysterectomy at age 34 and gained weight. After several years and some medical problems, she decided to lose weight and dropped 50 pounds. In this book, she shares her methods and successes.

The Enchanted April

Did you ever wonder how you could tell the difference between the good guys and bad? Once you can, what do you do? Most importantly, what do you need to be to live the most satisfied and productive life, and to attract the right kind of guy (Prince) while avoiding the wrong (the Frog)? The author, along with countless women and law enforcement officers, offers a guide on the single girl who is singleminded in her search for Prince Charming. Christine Kerrick reveals stories and techniques used by professionals to get the most information from a date to make the most informed decision for your future.

He-goat

Why are women so often overlooked and underpaid? In *Knowing Your Value*, the prequel to her new book *Grow Your Value*, bestselling author Mika Brzezinski takes an in-depth look at how women today achieve their deserved recognition and financial worth. Prompted by her own experience as co-host of *Morning Joe*, Mika interviewed a number of prominent women across a wide range of industries on their experience moving up in their fields. Mika shares the

surprising stories of such power players as presidential adviser Valerie Jarrett, comedian Susie Essman, writer and director Nora Ephron, Facebook's Sheryl Sandberg, television personality Joy Behar, and many others. Mika also gets honest answers from the likes of Donny Deutsch, Jack Welch, Donald Trump, and others about why women are paid less, and what pitfalls women face — and play into. Knowing Your Value blends personal stories with the latest research on why many women don't negotiate their compensation, why negotiating aggressively usually backfires, the real reasons why the gender wage gap persists, and what can be done about it. Written in Mika's brutally honest, funny, and self-deprecating style, Knowing Your Value is a vital book for professional women of all ages.

Loving Him Ain't Worth a Damn Part Two

Get paid what you're worth, build secure relationships, and make your money last with this valuable guide from a Today show financial editor and bestselling author. Ask successful women what they want from their money and they'll tell you: independence, security, choices, a better world, and--oh yes--way less stress, not just for themselves but for their kids, partners, parents, and friends. Through a series of HerMoney Happy Hour discussions (when money is the topic, wine helps) and one-on-one conversations, Jean Chatzky gets women to open up about the one topic we still never talk about. Then she flips the script and charts a pathway to this joyful, purpose-filled life that today's women not only want but also, finally, have the resources to afford. Through Chatzky's candid three-part plan--formed through detailed reporting with the world's top economists, psychiatrists, behaviorists, financial planners, and attorneys, as well as her own two decades of experience in the field--readers will learn to: 1. Explore their relationships with money, 2. Take control of their money, and 3. Use their money to create the life they want. Women With Money shows readers how to wrap their hands around tactical solutions to get paid what they deserve, become inspired to start businesses, invest for tomorrow, make their money last, and then use that money to foster secure relationships, raise independent and confident children, send those kids to college, care for their aging parents, leave a legacy, and--best of all--bring them joy!

FUN FACT: "Becoming Zara" is a standalone novella, but if you're following the character of Samantha Bradford as she crosses off the items of her bucket list (the Single Wide Female Series), this is the book that Samantha publishes to complete her bucket list item #18 (Publish a Book). Note: You can download #1 Learn Pole Dancing of that series for free. *** Hi, I'm Zarawarrior princess. I don't usually tell that last bit to strangers, but I say it in my head all the time. It's one of the many mantras that have helped me to get to where I am today. And believe me when I say that I've come a long way. Besides, if you're a woman and you happen to have ever struggled with issues of self-esteem, we're probably gonna be fast friends anyway, so I won't hold anything (much) back. Oh, and Zara wasn't the name I was born with--but you'll find out more about that in the book. I don't know about you, but my own struggle with my weight has held me back a bit in life. And my self-esteem took a real nose dive after my fiance dumped me--via text, no less. (I know, right? Jerk! but I don't usually dwell on things in the past, so let's just move right along from that, shall we?) So, I'm still a work-in-progress for sure, but I'm really starting to figure it all out--how to be more of who I'm meant to be every day--including the bumps, the lumps, and my bruised ego along the way. Oh and I love my sisterhood (more about that later) - the women who join me in believing that we are all capable of being strong, amazing, warrior princesses--just the way we are right now."

Becoming Zara

The New York Times bestselling author of *The Wait* and “spiritual teacher for our times” (Oprah Winfrey) frankly and openly explores why men behave the way they do and what everyone—men and women alike—need to know about it. We hear it all the time. Men cheat. Men love power. Men love sex. Men are greedy. Men are dogs. But is this really the truth about men? In this groundbreaking book, DeVon Franklin dishes the real truth by making the compelling case that men aren't dogs but all men share the same struggle. He provides the manual for how men can change, both on a personal and a societal level by providing practical solutions for helping men learn how to resist temptation, how to practice self-control, and how to love. But *The Truth About Men* isn't just for men. DeVon tells female readers everything they need to know about men. He offers women a real-time understanding of how men's struggles affect them, insights that can help them navigate their relationships with men and information on how to heal from the damage that some misbehaving men may have inflicted. This book is a raw, informative, and accessible look at an issue that threatens to tear our society apart yet it offers a positive way forward for men and women alike.

Grow Your Value

We are living in a time of the struggle. The struggle isn't just to keep you from enjoying what

you have, but it's to keep you from what God has for you. You have to know your worth. God began to speak to me in an unusual way, about the struggle. He first asked me a few questions. Some, I assumed He already knew the answer to, but was testing me. The question was, "Are you my child?" I laughed and said, "Well, yes Lord, why should you ask such a question as this?" He led me to the word, "Train up a child in the way he should go, even when he is old he will not depart from it." Proverbs 22:6 Many of you thought this reflects what we should do as parents in our homes, but this is actually a lot deeper to me. God showed me in a vision of a man of authority. The man was dressed in armor. He stood with such authority. He walked with his shoulders back, head up and with so much confidence. Before him were little children playing. It seems as though it was in a park, because the kids seem to be so busy and excited there. The man walked over to the kids and they gathered around him. They sat before him. They listened to him. I began to see the influence that he had on them. Even with the amusement and noise around them, they sat, listened, and heard. Many of us are running around in the amusement park of life. We are running in confusion, searching for God and we have gotten caught up with the noise, in our ears.

The Verdict

This book is aimed at helping women to handle and control their relationships with men. My goal is to help women become the self-reliant, self-sufficient, calm alpha-leader in their relationships. A strong foundation for a happy family and home environment can be established and maintained through the proper handling of a man by an emotionally strong and stable woman. Everyone might agree that a happy and stable family is the key basis for mature and well-balanced future generations. This prosperity can be established only by an alpha woman, by a man-minder. Please remember! The unchanging fact is that the universe always changes. Just face the pattern of change calmly A pack leader alpha woman should have the following: 1) self-confidence (or self-assertiveness) 2) determination (or commitment) 3) consistency (or integrity) 4) patience (or calmness) 5) warm-heartedness (or compassion) We know you have these in your blood.

Earn It!

Merriam-Webster's dictionary defines healing as "to make free from injury or disease, to make sound or whole, to cause an undesirable condition to be overcome, to patch up or correct such as breach between friends, to restore to original purity or integrity, healed from sin." Even from a worldly standpoint or definition, healing encompasses a "restored or whole" viewpoint. There are a plethora of verses in the Bible regarding God's healing. His Word addresses recovery of the body, bones, heart, flesh, mind, thoughts, and emotions. These verses are powerful for they are the Lord's Words and the Bible records, ..".so is my Word that goes out from my mouth; It will not return to me empty, but will accomplish what I desire and achieve the purpose for which I sent it." (Isaiah 55:11) The Word of God is flawless bringing health to the body and strength to the bones (Proverbs 3:8, 2 Samuel 22:31, Psalm 12:6, Psalm 18:30, Proverbs 30:5). God's Word has brought healing and restoration to many situations in my life. I have prayed over depression, thoughts, my marriage, my children, my emotions, a broken heart, trust issues, and more. God has been faithful in all circumstances to reveal and refresh my life. I have written several books on the women in the Bible. This volume is a collection of the women I have penned throughout my *One a Day* series. Many of these women you know. You have heard their stories and testimonies, but this volume focuses on their healing, which has brought such comfort for my heart. God used His daughters in amazing ways to achieve His purpose and plans. Many women mentioned in the Word were healed from oppressive situations and I have gained much insight from their story. These thirty women were healed in different ways, as we all come to God broken and in need of restoration. You will read stories and testimonies of remarkable women who surpassed and conquered hardships and were healed from infirmities. Many of their journeys were difficult, as many of ours are today. God's Word is still relevant and available for human nature has not changed. We still seek healing, we still seek our purpose and plan, and we still seek the Living God.

Know Your Worth, Get Your Worth

The deliberate devaluation of Blacks and their communities has had very real, far-reaching, and negative economic and social effects. An enduring white supremacist myth claims brutal conditions in Black communities are mainly the result of Black people's collective choices and moral failings. "That's just how they are" or "there's really no excuse": we've all heard those not so subtle digs. But there is nothing wrong with Black people that ending racism can't solve. We haven't known how much the country will gain by properly valuing homes and businesses, family structures, voters, and school districts in Black neighborhoods. And we need to know. Noted educator, journalist, and scholar Andre Perry takes readers on a tour of six Black-majority cities whose assets and strengths are undervalued. Perry begins in his hometown of Wilksburg, a small city east of Pittsburgh that, unlike its much larger neighbor, is struggling and failing to attract new jobs and industry. Bringing his own personal story of growing up in Black-majority Wilksburg, Perry also spotlights five others where he has deep connections: Detroit, Birmingham, New Orleans, Atlanta, and Washington, D.C. He provides an intimate look at the assets that should be of greater value to residents—and that can be if they demand it. Perry provides a new means of determining the value of Black communities. Rejecting policies shaped by flawed perspectives of the past and present, it gives fresh insights on the historical effects of racism and provides a new value paradigm to limit them in the future. *Know Your Price* demonstrates the worth of Black people's intrinsic personal strengths, real property, and traditional institutions. These assets are a means of empowerment and, as Perry argues in this provocative and very personal book, are what we need to know and understand to build Black prosperity.

Church has become a commodity, a business with a community of controlled people called a colony, the people will then become without knowing a product of charismatic charm, hypnotic goods with flattery services that only attracts a "marsupial spirit" the confinement that limits the freedom of one serving as a true receptacle. Be not deceived God is not mocked! God's ways are exceedingly intricate, any attempt to formulate or to stamp a doctrine on His itinerary becomes a sham, burdened with pretension. In *The Verdict*, Author Anita Snowden draws attention concerning God and His order, so the Church can wake up out of her sleep.

Knowing Your Value

Four very different women, all wanting to escape cold and dreary London for different reasons, come together to share a month's holiday in an Italian medieval castle. There's timid Lotty Wilkins, terrified of her domineering husband; sober and religious Rose Arbuthnot; rigid and judgemental Mrs Fisher; and the breathtakingly beautiful but disillusioned and unhappy Lady Caroline Dester. They are lured to the castle by the advertised 'wisteria and sunshine', but they end up finding there so much more than they had bargained for. The place transforms them and their lives are unexpectedly changed. Von Arnim's story of their metamorphosis under the Italian sun is warm, witty, intelligent, and as enchanting as the title suggests. Elizabeth von Arnim (1866 – 1941), n é e Mary Annette Beauchamp, was a British novelist. Born in Australia, her family returned to England when she was three years old; and she was Katherine Mansfield's cousin. She was first married to a Prussian aristocrat, the Graf von Arnim-Schlagenthin, and later to the philosopher Bertrand Russel's older brother, Frank, whom she left a year later. She then had an affair with the publisher Alexander Reeves, a man thirty years her junior, and with H.G. Wells. Von Arnim moved a lot, living alternatively in the United Kingdom, Switzerland, Germany, Poland, before dying of influenza in South Carolina during the Second War. Elizabeth von Arnim was an active member of the European literary scene, and entertained many of her contemporaries in her Chalet Soleil in Switzerland. She even hired E. M. Forster and Hugh Walpole as tutors for her five children. She is famous for her half-autobiographical, satirical novel "Elizabeth and her German Garden" (1898), as well as for "Vera" (1921), and "The Enchanted April" (1922).

Just when she was about to give up on love, her longtime lover and friend steps into the picture, proving to her, not all thugs are dogs and a man will make time for the woman he wants. Kennedy Guthrie learns that no matter how good she sexes her husband or spends her money on him, it still won't tame the dog in him. Not willing to take a loss, she quickly comes up with a plan that will destroy everyone around her, including herself. Shari Simpson is selfish and cares about no one but herself. She sets out to destroy her sister and take everything that she think is rightfully hers, including, her sister's man. Hate and jealousy will take over her heart and she will stop at nothing to show her sister how much she despises her. Take a ride as all three women fight to get what they rightfully want. Murder is on their minds and bloodshed is imminent. How will it end, will love win or will these women all lose it all because of their

hatred for one another?

The Seven Stages of Money Maturity

A woman who wants to be successful must make sacrifices, but how can she determine which ones she'll be happy with five, ten, twenty years from now? Mika Brzezinski, Morning Joe co-host and New York Times best-selling author of *Knowing Your Value*, has built a career on inspiring women to assess and then obtain their true value in the workplace. In her books and in her conferences, Mika gives women the tools necessary to advocate for themselves and their financial futures. But that is only the first step; once you know your value, you need to grow it—both professionally and personally. Drawing on deeply revealing conversations with powerful and dynamic women, input from researchers and relationship experts, and her own wealth of experience, Mika helps women pinpoint their individual definition of success. She advises her readers to define the “professional value” that encompasses their worth in the workplace, and the “inner value” made up of their core beliefs and goals. Women can stop feeling overwhelmed, overscheduled, frantic, and forever guilty—but only if they choose their objectives confidently and unapologetically, and focus their efforts accordingly. Mika encourages women to stop seeking the unobtainable “work-life balance,” and instead pursue a life of honesty and authenticity, where career and home life combine rather than collide.

Kathy Dexter is the kind of neighbor you want to watch or resent. She is sexually free, and changes the lives of people she "interacts" with. She tames a shrew of a neighbor, makes a utility worker forget that he was dumped, bangs the guy across the street, and gets hot and steamy with her gal pal, Patty. And of course, there's Baker Man Joe who will always make things interesting.

Knowing Your Enemy

As the co-host of MSNBC's popular show *Morning Joe*, Mika Brzezinski has established herself as a leading political news journalist and beloved television personality. But success

hasn't always come easy for Mika. Growing up the only daughter of former national security adviser Zbigniew Brzezinski, she struggled to find an identity in a family of overachievers. She worked her way up the ranks of network television to surpass even her own ambitions, reaching the very top of the ladder, only to get canned less than a year later. After an unsuccessful stint as a stay-at-home mom, Mika went back to the workplace with encouragement from her eight-year-old daughter. She decided to start all over again with a beginner's job at age forty, a step back that proved to be a brilliant career move. Mika stumbled into Morning Joe and the rest is history. Now, in a time when many women are losing their jobs or struggling to find the perfect balance between work and home, Mika guides women of all ages to a place where they can find peace and fulfillment in their lives. In the tradition of Gail Sheehy's classic *Passages*, this illuminating book shows women how to reach their full potential in all areas of life and at every stage of their journey. Blending the personal with the prescriptive, Brzezinski's book will address the perpetual question of how to "have it all" when it comes to work and family; the importance of remaining equally humble in the face of great success and seemingly devastating setbacks; as well as the necessity of knowing and embracing our limitations so that we may transcend them.

STRONG, WISER, BETTER An Essential Guide for Reentering, Reinventing, or Rebooting Your Career at Any Age So many women hit midlife and realize: it's time for a career change. Maybe you're yearning to try something new, or you're sensing that layoffs are coming and you need a backup plan. Perhaps you paused, or downsized your career to raise children, and you're ready to rejoin the workforce. How do you reboot, relaunch, return to, or reinvent a career at age 40? Or 50? Or 60? And how can you create a career and life that will provide you with purpose and financial security for years to come? In *Comeback Careers*, New York Times bestselling author and co-host of MSNBC's Morning Joe Mika Brzezinski and her sister-in-law Ginny Brzezinski have teamed up to show you that career reinvention is possible at any age. You have the skills, experience and maturity; it's time to own them. For this book, Mika and Ginny interviewed dozens of career-changers working in a variety of fields, from finance to academics to art. They share successful relaunchers' secrets to overcoming obstacles both internal and external, and their step-by-step processes and candid advice. They also reveal key strategies from top job coaches, resume-writers, and LinkedIn experts, tailored to the special challenges of mid-career jobseekers. It's time to rewrite the narrative. You are stronger, wiser, and better at the midpoint, and *Comeback Careers* is a roadmap to your career reinvention and fulfillment.

Remnants of the Beginning

This is a not for profit project to help empower women and give support through our stories of survival, overcoming abuse, self-doubt, our environment and cultures to find true freedom and love ourselves as well as others. The mission was to tell raw unfiltered stories of faith, love, tragedy and get down to what really makes us who we are. We have not censored or edited out any of the triggers, language, or voice of our author this is as raw as you can get! Find out what we are up to next on Facebook: Wild Woman Sisterhood Anthology

grasped desperately to the only thing that could help: CHANGE. For the past few years, Mark has been stuck in a life of mediocrity - unfulfilled and simply getting by.. Slowly, but surely, both his personal and professional lives have derailed and are on a one-way track to disaster. Now, after a chance encounter with an old friend and colleague in the business, Mark is presented with a challenging opportunity that can radically change his life. A change that could not only allow him to achieve his dreams and provide an abundant life for his family, but a change that could inject long-forgotten purpose, meaning and fulfillment back into his career and very soul. Whether you're a mortgage veteran or a newbie to the residential mortgage scene, this book is possibly the answer to your problems! It not only provides solutions to the issues you've faced with loan files, but it outlines a proven, strategic framework for re-structuring your life to reach all the goals you've set for yourself and achieve unlimited success. The only question is: are you prepared to hit the Reset button and change?

Achieve financial peace of mind with the million-copy #1 New York Times bestseller, now revised and updated, featuring an entirely new Financial Empowerment Plan and a bonus chapter on investing. The time has never been more right for women to take control of their finances. The lessons, revelations, and shocks of the past few years have made it clear that standing in our truth is the only way to care for ourselves, our families, and our finances. With her signature mix of insight, compassion, and practical advice, Suze equips women with the financial knowledge and emotional awareness to overcome the blocks that have kept them from acting in the best interest of their money—and themselves. Whether you are single or in a committed relationship, a successful professional, a worker struggling to make ends meet, a stay-at-home parent, or a creative soul, Suze offers the possibility of living a life of true wealth, a life in which you own the power to control your destiny. At the center of this fully revised and updated edition, Suze presents an all-new Financial Empowerment Plan, designed to get you to a place of emotional and financial security as quickly as possible—because the most precious commodity women have is time. Divided into four essential components, the plan will teach you how to • Protect yourself • Spend smart • Build your future • Give to others Also included is a bonus chapter on investing—for those who are living by Suze's unbreakable financial ground rules and ready to learn how to invest with confidence. *Women & Money* speaks to every mother, daughter, grandmother, sister, and wife. It gives readers the opportunity to tap into Suze's unique spirit, people-first wisdom, and unparalleled appreciation that for women, money itself is not the end goal. It's the means to living a full and meaningful life.
