living in her parents' spare room, jobless and single. Not quite the irresistible package she was aiming for at age 32. One night things take an upward turn when she meets someone who could be a game-changer. But everything in her riotously chaotic life seems to get in the way, including her best friend's wedding, far too much tequila and the ghosts of girlfriends past. The course of true love has never been so injury-prone. Will Jess eventually overcome her romantic ineptitude and find her happy ever after? Or will she continue to trip over her own feet in the race for romance? "Clare Lydon's *London Calling* is as strong as any straight chicklit from a major publisher." Facing a volatile stock market, many people have turned to real estate as a way to invest their hard-earned money. While many investors opt to buy property and then sell it quickly, other investors choose to hold onto their property for a longer period of time to realize a greater return on their investment. Real estate experts Scott Frank and Andy Heller have developed a proven and diversified program for real estate investing that incorporates both approaches and enables investors to take control of their financial futures and build wealth over time. Their new book, *Buy Low, Rent Smart, Sell High: Real Estate Investing for the Long Run* outlines a win-win-win program, one where average people can reap significant financial rewards by investing in real estate. * Win One: Buying Low - The investors first win occurs by purchasing real estate at a 10-20 percent discount by seeking out

Download Ebook Landlording On Autopilot A Simple No Brainer System For Higher Profits Less Work And More Fun Do It All From Your Smartphone Or Tablet 2nd Edition

motivated buyers and avoiding paying agent commissions. The book reveals the secret to buying foreclosed homes with clean titles from banks and mortgage companies. * Win Two: Renting Smart - The property is rented through a lease/purchase agreement. Not only does the investor get a down payment from the lease/purchasee, but he or she also receives monthly rent that usually exceeds the monthly mortgage payment. Also, the lease/purchasee takes on the maintenance and repair responsibilities and tends to be a better tenant in return for their special lease/purchase terms. In addition, as the owner of the property, the investor is able to receive tax write-offs. * Win Three: Selling High - The final win results when the lease/purchasee exercises his or her right to purchase the property. The owner has realized the benefits of owning the property and has sold it to the lease/purchasee without agent commissions. If the lease/purchasee decides not to exercise his or right, the investor still wins because he or she can either extend the lease purchase agreement and increase the purchase price (based on property appreciation) or enter into another lease/purchase agreement with a new tenant and begin the cycle of wins all over.

The Chili Line was the Denver and Rio Grande Railroad's narrow gauge route from Antonito, Colorado, to Santa Fe, New Mexico. It operated along its 125-mile route from 1880 to 1941. The Chili Line received its unique nickname from the chili peppers which farmers along the route would string on lines to dry. This book celebrates the history of the railroad, as well as people and places along the line. The Chili Line passed through Hispanic villages and Indian Pueblos, and its effect upon them is noted. Travelers today can still find traces of the Chili Line in existence, such as railroad depots in Antonito, Embudo, and Santa Fe. Water tanks can be seen in Tres Piedras and Embudo. Roadbed for the tracks may still be seen along the Rio Grande. Historic photos of railroad operations at these places are included in the book, as well as contemporary photos showing the same sites today. Maps are included to allow readers to track the Chili Line's route. The Chili Line Railroad to Santa Fe takes readers along the route of a long-abandoned rail line, but one still very much alive in the hearts of rail fans and history lovers today.

business owners to learn and re-learn the essentials for success. How to Sell at Margins Higher Than Your Competitors emphasizes the pricing strategies and tactics to increase the market share and profits of any organization. This is a book that is as important to presidents as it is to salespeople." --Bill Scales, CEO, Scales Industrial Technologies, Inc. "As the largest service provider in our industry, we have a significant market advantage. However, we constantly walk the pricing tightrope because, as this book so clearly states, 'business is a game of margins . . . not a game of volume!'" --John K. Harris, CEO, JK Harris & Company, LLC "If you live and die on price, this book could be your only lifeline." --Tom Reilly, CSP, author of Value-Added Selling and Crush Price Objections "How to Sell at Margins Higher Than Your Competitors successfully illustrates profitable sales truths to assist us in selling for maximum return. This book's well-researched, logical, and affirming words validate the simple fact that as a premium company we deserve premium margins. So, while our competitors reduce or match prices out of fear and scarcity, our managers, thanks to this powerful sales tool, can continue quoting and closing with profitable confidence." --Joe Bracket, President, Power Equipment Company "I learned a long time ago that it is pretty difficult to control what my competitors will do, but we must control what we do--like maintaining margins. This book is a 'wow!' that will

Passive Investing in Commercial Real Estate

No matter how great you are at finding good rental property deals, you could lose everything if you don't manage your properties correctly! But being a landlord doesn't have to mean middle-of-the-night phone calls, costly evictions, or daily frustrations with ungrateful tenants. Being a landlord can actually be fun IF you do it right. That's why Brandon and Heather Turner put together this comprehensive book that will change the way you think of being a landlord forever. Written with both new and experienced landlords in mind, *The Book on Managing Rental Properties* takes you on an insider tour of the Turners' management business, so you can discover exactly how they've been able to maximize their profit, minimize their stress, and have a blast doing it! Inside, you'll discover: - The subtle mindset shift that will increase your chance at success 100x! - Low-cost strategies for attracting the best tenants who won't rip you off. - 7 tenant types we'll NEVER rent to--and that you shouldn't either! - 19 provisions that your rental lease should have to protect YOU. - Practical tips on training your tenant to pay on time and stay long term. - How to take the pain and stress out of your bookkeeping and taxes. - And much more!

40 Ways to Increase the Net Income of Your Rental Property

This enhanced e-book combines video and text to create a learning experience that is engaging, informative and fun. In addition to the full text of Vector Basic Training, you'll find high-quality video training that brings the topics to life through friendly visual instruction from experts and industry professionals. Listen up, designers, and wipe those grins off your faces! It's time to get serious about your design work. For too long you've allowed yourself to slack off, relying on your software to do all of your creative work for you. This book will NOT show you how to use every tool and feature in Adobe Illustrator. This book WILL, however, teach you the importance of drawing out your ideas, analyzing the shapes, and then methodically building them precisely in vector form using the techniques explained in this book. In Vector Basic Training, acclaimed illustrative designer Von Glitschka takes you through his systematic process for creating the kind of precise vector graphics that separate the pros from the mere toolers. Along the way, he'll whip your drawing skills into shape and show you how to create elegant curves and precise anchor points for your designs. The book and accompanying video tutorials will get you ready for active creative duty in zero hundred hours or less. In Vector Basic Training, you'll learn: ;The

Build a Rental Property Empire

Everyone who has bought a home knows that an official inspection is no guarantee against unpleasant surprises, and that, ultimately, the burden to ask the important questions about the physical aspects of a home is on the home buyer. But buying a home is one of life's most stressful, emotionally fraught activities, and it's easy to see why many home buyers fail to anticipate the kinds of exasperating and expensive problems that can crop up after closing. Written by bestselling real estate author (more than 1 million books sold) Robert Irwin, *Home Buyer's Checklist* levels the playing field by equipping home buyers with a comprehensive list of questions pertaining to all the physical aspects of a house that may not be covered in an official inspection. From basement to attic, pantry to lawn, Bob walks readers through every room, nook, cranny, closet and keep, asking important questions about windows, screens, doors and door frames, fireplaces, light fixtures, moldings, and much, much more. And, drawing upon his many years of experience in the business, he provides pointers on how to deal with each problem, including information on how much it will

"Murphy's unique perspectives turn the ordinary into extraordinary." "I snorted more than a few times." "Murphy's observational humor is the result of heavy doses of Dave Barry, Stephen Colbert, Jerry Seinfeld, Gary Larson, Saturday Night Live, Adam Sandler, Friends, and The Office. He deserves a Dundie!" "Murphy's stories perfectly bring out his unique and extremely fascinating perspective on everyday things and experiences, which renders them simultaneously extremely relatable and extremely new." "The stories have a keen sense of comical observation that draws you in, turns the pages, and feeds your mind. Try Bigfoot Popcorn!" Searching For More Cowbell is the latest Fun Stories collection of humorous essays and short stories from Texas author R. Scott Murphy. The first three eBooks in the Fun Stories family all hit #1 on Amazon Humor. No topic is off limits or too obscure as Murphy wades into the garage sale game, gives you a new spin on Old MacDonald, travels down crunchy roads, figures out the least amount of fame possible, shares ridiculous movie theater recipes, and spotlights a singer who is not the next Carrie Underwood. Murphy tries to decipher grocery store math, forms too many task forces, takes a hard look at frozen dinners, and gives you an entertaining new animal game.

seven-stage system that allows author Paul Esajian, and his students all across North America, to manage multiple rehab projects at once, while staying on time and under budget to build and grow their wealth. No experience? No problem. You'll learn strategies to find the right properties, negotiate the right offer, identify the right licensed and insured contractor for the job, and get the property sold to a happy homeowner for a profit. No capital? No problem. You'll learn how you can use other people's money to fund your deals and the IRS guidelines that help you keep more of the money you make. By learning and leveraging the principals of rehabbing and real estate, you'll start thinking like a business owner rather than a consumer. Breaking into residential real estate provides an amazing opportunity for those with little, or no experience, and using other people's money. This book gives you the information, education, and systems every investor needs to start flipping and rehabbing houses without doing the work yourself, and without losing your shirt to contractors and bad investing decisions. Find Deals: where and how to find deals, analyzing deals, and estimating repairs in minutes to acquire a rehab Fund Deals: where and how to borrow money, creative financing, and the finance request template to present to asset based lenders and private lenders to fund your deal Fix Deals: how to run a rehab with a proven system without lifting a hammer, identify A+ licensed and insured contractors
