After being forced to leave her beloved Chloe and timeline behind, time traveller Max Caulfield arrives into a new reality to find not only an alternative Chloe, but also Rachel, now very much alive! Based on the fan-adored, BAFTA-winning video game Life is Strange, Waves continues the adventures of Max in one of the many alternate realities from the critically acclaimed game, and finds her struggling to fit into an unfamiliar new reality. In this reality Rachel was never murdered and is actually dating Chloe! And Max discovers a mysterious boy with a unique talent... Collects Life is Strange #5-8. “One of the best comic books based on a video game, if not the best.” – Multiversity Comics “Phenomenal.” – Outright Geekery “Striking, unique artwork and a strong script, this is a compelling take on friends and relationships.” – Comic of the Day “Complex and compelling.” – Comicon.com

### **Unchosen**

Max et Chloé se sont enfuies et ont laissé derrière elles Arcadia Bay et ses habitants après la catastrophe qui a ravagé la ville. Ensemble, elles tentent de recommencer leur vie, de se faire de nouveaux amis. Mais est-il réellement possible de tout laisser derrière soi ? Max a-t-elle fait le bon choix ?

### **Monogram Y Blank Book**

There's a kidnapper stalking the streets in the city of Redemption. But sixteen-year-old Stori is afraid of no one and could care less—that is, until her father joins the ranks of the missing. Emboldened by her unconditional love for her father, Stori will stop at nothing until she finds him. And she knows the clock

is ticking, as that relentless social worker keeps threatening to place her in foster care. As she hunts down her father through a terrain of mobsters, crooked city officials and women of the night, she faces life threatening danger and heartbreaking disappointment, but still she persists. Then she meets a mysterious woman who just might have the clues that could lead her in the right direction. Aided by her new friend, Stori continues searching. Just when she thinks she might have found him Stori's drawn to the heart of a shocking secret about her city, her father and herself that will change the course of her quest and her life forever.

### **Celestria**

Chloe introduced Rachel to their new mode of transport, and home when they're touring – Gladys. Tristan showed Max a newspaper that revealed Max had arrived in this timeline the day that Tristan got his powers. He offered the photo could be a way for her to jump back and rewind all that had happened, but Max refused to sacrifice him. Meanwhile, Tristan's attempt to phase from one string of time to the next led to a vision of another Chloe, from another reality. Is this the Chloe that Max is trying to return to? As swiftly as the vision appeared, she vanished...

### **Life is Strange Volume 2: Waves**

Trapped in a reality that is not her own, Max Caulfield needs to find a way to return to her original timeline! Max must follow her connection with Chloe across infinite realities, and from one coast to

another, as she embarks on the road trip of multiple lifetimes! When her temporal abilities threatened to tear reality apart after the events of the BAFTA-winning videogame Life is Strange, Max was forced to leave her Chloe behind and jump to a new timeline: where Rachel was alive and Chloe had left Arcadia Bay. Afraid to lose her powers, Max hid her secret for two years until she met Tristan, a boy with the power to ‘phase’ in and out of reality. The pair teamed up to return Max to her timeline, but while Tristan succeeded, stranding himself with the original Chloe, Max was left behind, unable to cross over. “Perfect even for comic readers who have never played the game... 10/10.” – Bleeding Cool “Life is Strange continues to be a fantastic book for fans of the game. The entire creative team give it their all as usual.” – Adventures in Poor Taste “A must for anyone who experienced the original Life is Strange story.” – Flickering Myth “Simply beautiful... delivers the final hook to ensure you’ll come back for more.” – The Xbox Hub

### **The Life And Strange Surprising Adventures of Robinson Crusoe, of York, Mariner**

The long-awaited magnum opus from Haruki Murakami, in which this revered and bestselling author gives us his hypnotically addictive, mind-bending ode to George Orwell's 1984. The year is 1984. Aomame is riding in a taxi on the expressway, in a hurry to carry out an assignment. Her work is not the kind that can be discussed in public. When they get tied up in traffic, the taxi driver suggests a bizarre 'proposal' to her. Having no other choice she agrees, but as a result of her actions she starts to feel as though she is gradually becoming detached from the real world. She has been on a top secret mission, and her next job leads her to encounter the superhuman founder of a religious cult. Meanwhile, Tengo is

leading a nondescript life but wishes to become a writer. He inadvertently becomes involved in a strange disturbance that develops over a literary prize. While Aomame and Tengo impact on each other in various ways, at times by accident and at times intentionally, they come closer and closer to meeting. Eventually the two of them notice that they are indispensable to each other. Is it possible for them to ever meet in the real world?

Mysteriously gifted with the power to rewind time, Max Caulfield used her new abilities to reconnect with her oldest friend, Chloe Price, and to bring to justice the murderers of Chloe's closest confidante, Rachel Amber. Max's abilities came at a cost however: if Max altered the original timeline – in which Chloe died of a gunshot wound – a hurricane would destroy their hometown, Arcadia Bay. In one reality, our Max chose to save Chloe's life, sacrificing Arcadia Bay. A year later, to save herself from a flux of possibilities that was tearing her apart, Max jumped to a new timeline, reconciling the disparate

shards of herself in the process. Max may now be whole, but she's far from unscathed. In an ocean of possibilities, where does she go from here?

DESCRIPTION: Read the story that turned children into warriors, and warriors into legends. The Dairne-Reih haven't been seen in Dionia for generations-their kind and their king, Morgui, banished long ago from haunting paradise. But when creation shows signs of deterioration, the kings of the seven realms converge in the sacred Gvindollion gathering to arrive at one inexplicable conclusion: Morgui has returned. In the hopes of entrusting Dionia's brave history and perilous future to a generation that has never known war, the kings decide to raise up their young sons as an elite group of warriors, known only as the Dibor. Gorn, legendary hero of the First Battle, is commissioned to teach the Dibor the art of war, leading them on a four-year adventure on the Isle of Kirstell. It is Luik, son of Lair, who soon emerges as the warband's spirited front man. But he is not the only one of his peers to grow in power; his dear friend Fane discovers hidden abilities among the Mosfar under the mentorship of Li-Saide of Ot, while Princess Anorra finds that her lifelong tutor knows as much about combat as he does about etiquette. There is little time for the Dibor to enjoy the satisfaction of graduation, however, as a sinister plot is discovered to dethrone Dionia's kings and flatten the capital city of Adriel. The Dibor are summoned to war, along with the rest of Dionia's fighting men. It is before the gates of Adriel Palace that Luik and his army face Morgui's prince, Valdenil, as well as the unending ranks of the Dairne-Reih.
