Antarctica, Ionia travels deep into NAR Territory. She wants to get her new eye, figure out her feelings about her bot-boyfriend Den, learn to cope with her hell-cat mom, and maybe figure out her place in the world. But from the moment they arrive, Den is targeted and marked as a fleshie, a droid designed to appear human. And worse, her extended family has been keeping a deadly secret about her past which could make her a target as well. When Ionia and Den are separated, Ionia must risk everything to find and save him. Can Ionia escape the NAR territory without losing her love, her freedom and maybe even her humanity? Fans of Cinder, Divergent, and Configured will love this mysterious adventure tale of love, bravery, and sacrifice.

Doctor Strange Vol. 2

Never admit to seeing ichur, the silvery residue of magic spells. Not if you want to stay under the radar of the Councillors of Convane. On their last boundary ride before winter, Dallas and Misty discover sick sheep. While Dallas and his tracker horse, Swift, use magic to heal the sick sheep, Misty and her tracker horse, Sweetie, help gather the rest of the flock. At sunset, when Misty does not return, Dallas and Swift search for her and the missing flock. He finds two dead slavers and an injured shepherd. The rest are missing and their tracks are magically hidden. Swift sniffs out a trace of magic residue, so Dallas follows, intent on rescuing Misty and the shepherd's family. Guard continues the adventure where Rider ended, including mages, dragons, tracker horses and magic spells.

Doctor Strange and the Sorcerers Supreme

Not all battles are fought with swords. After the victory at Southstades, life in the north returns to normal. Tiel is immersed in healer training, and Caedun, when not writing songs and performing on taverns, is trying to persuade Merrell to marry him. But Herard still covets the north, and even without his father's army, there are many ways to dethrone a king

Korra must decide who to trust as the fate of the Earth Kingdom hangs in the balance! On the eve of its first elections, the Earth Kingdom finds its future endangered by its past. Even as Kuvira stands trial for her crimes, vestiges of her imperial ambitions threaten to undermine the nation's democratic hopes. But when Korra, Asami, Mako, and Bolin don't all see eye-to-eye as to the solution, drastic measures will be taken to halt a new march to war! Written by series co-creator Michael Dante DiMartino and drawn by Michelle Wong (Goosebumps: Download and Die), with consultation by Bryan Konietzko, this is the official continuation of the beloved television series!

The Uncomfortable Glass Slippers sees a reluctant Sabrina Summers and her friends returning to the strange land of Dralfynia after Witchy Wu follows them to their high school. In the sequel

to The Uncooperative Flying Carpet, The Uncomfortable Glass Slippers shows Sabrina Summers as Prince Charming, her brother, Rory, is Baby Bear, and her friends, Persis and Olive, are Sleeping Beauty and Goldilocks. They learn that they need to find the magic glass slippers and take them and Ruggy, the uncooperative flying carpet, to the Island of Merthyr. Before that can happen, the friends encounter more goblins, a very smelly shoe museum, a terrifying were-dragon, and make unlikely friends with a pair of sisters desperate to marry any prince. Once again, they use the skills that are unique to their fairytale characters and Sabrina's courage and resourcefulness are pushed to the limit. To add to the drama, they discover that the real Cinderella has been imprisoned by the Beast with Eight Fingers in a case of seriously-mistaken identity, so they need to rescue her as well – all within three short days. By the end of The Uncomfortable Glass Slippers, Sabrina knows who she can trust, who has betrayed her, and what she needs to do next.

Doctor Strange

Trapped in a reality that is not her own, Max Caulfield needs to find a way to return to her original timeline! Max must follow her connection with Chloe across infinite realities, and from one coast to another, as she embarks on the road trip of multiple lifetimes! When her temporal abilities threatened to tear reality apart after the events of the BAFTA-winning videogame Life is Strange, Max was forced to leave her Chloe behind and jump to a new timeline: where Rachel was alive and Chloe had left Arcadia Bay. Afraid to lose her powers, Max hid her secret for two years until she met Tristan, a boy with the power to ‘phase’ in and out of reality. The pair teamed up to return Max to her timeline, but while Tristan succeeded, stranding himself with the original Chloe, Max was left behind, unable to cross over. “Perfect even for comic readers who have never played the game... 10/10.” – Bleeding Cool “Life is Strange continues to be a fantastic book for fans of the game. The entire creative team give it their all as usual.” – Adventures in Poor Taste “A must for anyone who experienced the original Life is Strange story.” – Flickering Myth “Simply beautiful... delivers the final hook to ensure you’ll come back for more.” – The Xbox Hub

Life is Strange #2.1

Mysteriously gifted with the power to rewind time, Max Caulfield used her new abilities to reconnect with her oldest friend, Chloe Price, and to bring to justice the murderers of Chloe’s

closest confidante, Rachel Amber. Max's abilities came at a cost however: if Max altered the original timeline – in which Chloe died of a gunshot wound – a hurricane would destroy their hometown, Arcadia Bay. In one reality, our Max chose to save Chloe's life, sacrificing Arcadia Bay. A year later, to save herself from a flux of possibilities that was tearing her apart, Max jumped to a new timeline, reconciling the disparate shards of herself in the process. Max may now be whole, but she's far from unscathed. In an ocean of possibilities, where does she go from here?
