holistic care: A UK term of art for the health and social care of the whole person with many complex needs, regardless of age, race, culture, ethnicity, illness or disability.

What is a holistic approach? - Ministry of Health

So start assessing your holistic health and wellness on a wider spectrum. This means wellness depends on more factors than simply avoiding the flu each year. Holistic health and wellness is sustained by eight pillars: physical, nutritional, emotional, social, spiritual, intellectual, financial, and environmental.
