Sauron, the Dark Lord, has gathered to him all the Rings of Power - the means by which he intends to rule Middle-earth. All he lacks in his plans for dominion is the One Ring - the ring that rules them all - which has fallen into the hands of the hobbit, Bilbo Baggins. In a sleepy village in the Shire, young Frodo Baggins finds himself faced with an immense task, as his elderly cousin Bilbo entrusts the Ring to his care. Frodo must leave his home and make a perilous journey across Middle-earth to the Cracks of Doom, there to destroy the Ring and foil the Dark Lord in his evil purpose. To celebrate the release of the first of Peter Jackson's two-part film adaptation of *The Hobbit*, *THE HOBBIT: AN UNEXPECTED JOURNEY*, this first part of *THE LORD OF THE RINGS* is available for a limited time with an exclusive cover image from Peter Jackson's award-winning trilogy.

A Handbook of the Yemen Flora

THE PATH OF NO RETURN Riko and her friends have finally made it to the sixth layer! Not long after taking their last dive, they find themselves in a village populated by Hollows who possess a peculiar sense of value. Mysteries, terrors, and bewildering truths await them in the Abyss' deepest depths!

Land of the Lustrous 9

A year has passed since Kyoko Otonashi became the resident manager of Maison Ikkoku. Yusaku Godai, now a college student, gathers his courage and asks Kyoko out on a date! But the meddling tenants have other ideas about how the two will spend their evening -- VIZ Media

Political Essay on the Kingdom of New Spain

Long considered as one of Osamu Tezuka's most political narratives, *Ayako* is also considered to be one of his most challenging as it defies the conventions of his manga by utilizing a completely original cast and relying solely on historical drama to drive the plot. *Ayako*, pulls no punches, and does not allow for gimmicks as science-fiction or fantasy may. Instead Tezuka weaves together a tale which its core simply focuses on a single family, a family that could be considered a metaphor for a rapidly developing superpower. Overflowing with imagery of the cold war seen through Japan's eyes, *Ayako* is firmly set in realism taking inspiration from a number of historical events that occurred over the American occupation and the cultural-revolution which soon followed. Believed to be Tezuka's answer to the gekiga (dramatic comics) movement of the 60's, *Ayako* should be considered one of the better early examples of a seinen (young adult) narrative to be published. Initially set in the aftermath of World War II, *Ayako* focuses its attention on the Tenge clan, a once powerful family of landowners living in a rural community in northern Japan. From the moment readers are introduced to the

extended family, it is apparent that the war and American occupation have begun to erode the fabric that binds them all together. The increasing influence of political, economic and social change begins to tear into the many Tenge siblings, while a strange marriage agreement creates resentment between the eldest son and his sire. And when the family seems to have completely fallen apart, they decide to turn their collective rage on what they believe to be the source of their troubles—the newest member of the Tenge family, the youngest sister Ayako.

Made in Abyss Vol. 4

"" Riko awakens in the sixth layer, but Reg and Nanachi are nowhere to be found. Riko's search for her companions takes her deep into the Village of the Hollows, where she must make a decision that could mean the end of Nanachi's freedom--or the end of Riko's life. ""

12 Rules for Life

As players of Monster Hunter and Dungeons & Dragons know, the slime is not exactly the king of the fantasy monsters. So when a 37-year-old Tokyo salaryman dies and wakes up in a world of elves and magic, he's a little disappointed to find he's become a blind, boneless slime monster. Mikami's middle age hasn't gone as

he planned: He never found a girlfriend, he got stuck in a dead-end job, and he was abruptly stabbed to death in the street at 37. So when he wakes up in a new world straight out of a fantasy RPG, he's disappointed but not exactly surprised to find that he's facing down a dragon, not as a knight or a wizard but as a blind slime demon. But there are chances for even a slime to become a hero

Kingdom Hearts: Final Mix

The Collected Works of Frédéric Bastiat, includes two of Bastiat's best-known works, the collected Economic Sophisms and the pamphlet What Is Seen and What Is Not Seen. Both Economic Sophisms and What Is Seen and What Is Not Seen share similar stylistic features and were written with much the same purpose in mind, to disabuse people of misperceptions they might have had about the benefits of free trade and free markets. Throughout the book, Bastiat's clever and witty arguments against tariff protection and subsidies to domestic industry are timeless, as governments and vested-interest groups are still advocating the same policies 160 years after Bastiat wrote. Frédéric Bastiat was born in 1801, and during his short life (he died in Rome, on Christmas Eve, in 1850) he was witness to many historic events, such as the victory of Richard Cobden's free-trade Anti-Corn Law League in 1846, the rise of socialism, the 1848 Revolution, and the rise of Louis Napoléon to the presidency of the Second Republic. Many of these events affected his ideas and became targets of his writings. In his final work, What Is

Seen and What Is Not Seen, completed only months before his death, he provides one of his keenest economic insights, that, although there are obvious beneficial effects of government interventions at first, that is, the "seen," there are also the "unseen" consequences, for example, in the form of opportunity costs that are ignored but that often have deleterious economic effects. He makes this case most eloquently in the form of a parable in the opening chapter, "The Broken Window." To accompany Bastiat's original works, we have provided detailed and comprehensive explanatory footnotes, glossaries, and appendixes. Bastiat refers to dozens of other writers and politicians and is critical of French government policies regarding taxation, tariffs, and subsidies to business. The glossary of authors and politicians provides detailed information about the individuals Bastiat mentions in his essays, the views they held, the books they published, and the laws that the French state enacted in order to maintain the system of protection and subsidies that Bastiat and the other free-market economists so strenuously opposed. This collection of supplementary material allows us a better understanding of the community of economists and politicians of which Bastiat was a part in the late 1840s.

Claymore, Vol. 3

The Girl From the Other Side: Siúil, a Rún Vol. 9

Having returned from the infernal Abyss only to find his whole world changed, young "sinner" Oz Vessalius embarks on an attempt at normalcy after being reunited with his best friend and valet, Gilbert, whom he had presumed dead. But during a trip into town with Gil and Alice, an unexpected encounter leads Oz down memory lane. For Oz, however, the path is one covered with the most menacing of thorns. And lying in wait to assail him there is the baleful eye of his father and the echoes of cursed words Oz would much rather forget.

Made in Abyss Vol. 9

Marcus and Kyja continue to search for the Elementals they need to unite to open a drift between Earth and Farworld, but the Air Elementals have a strange sense of humor and with Farworld in the grip of a terrible drought and daily earthquakes, the two friends face untold challenges.

Made in Abyss

The Works of Jeremy Bentham, Now First Collected

From #1 New York Times bestselling “consistently entertaining writer” (USA Today) Nora Roberts, *Search for Love* takes a woman on a journey to meet a family she

never knew she had—and a future she never imagined. When Serenity Smith's parents passed away, she presumed she lost her only family. Then she receives word from a relative far from Washington D.C.—her grandmother, living on an estate in the beautiful Brittany region of France. But the hard-hearted Comtesse de Kergallen doesn't welcome Serenity with open arms. Neither does her arrogant yet undeniably charming cousin Christophe. Both harbor resentments against the Smiths, believing they damaged the family's aristocratic reputation. As Serenity sets out to clear her parents' names, tension mounts between her and Christophe—escalating from adversarial to passionate
