In an age when the corners of the world have been scoured for their secrets, only one place remains unexplored--a massive cave system known as the Abyss, filled with monstrous creatures and lost relics. Those who delve into its depths are known as Cave Raiders. A young orphan named Riko dreams of following in her mother's footsteps as a Cave Raider, and when she meets a strange robot while exploring the Abyss, she is one perilous step closer to achieving her goal!

The Girl From the Other Side: Siúil, a Rún Vol. 6

A heartwrenching YA coming of age story about three siblings on a roadtrip in search of healing. With a strong family, the best friend a guy could ask for, and a budding romance with the girl of his dreams, life shows promise for Teodoro "T" Avila. But he takes some hard hits the summer before senior year when his nearly perfect brother, Manny, returns from a tour in Iraq with a devastating case of PTSD. In a desperate effort to save Manny from himself and pull their family back together, T's fiery sister, Xochitl, hoodwinks her brothers into a cathartic road trip. Told through T's honest voice, this is a candid exploration of mental illness, socioeconomic pressures, and the many inescapable highs and lows that come with growing up—including falling in love. Alcoholics Anonymous (also known as the Big Book in recovery circles) sets forth cornerstone concepts of recovery from alcoholism and tells the stories of men and women who have overcome the disease. The fourth edition includes twenty-four new stories that provide contemporary sharing for newcomers seeking recovery from alcoholism in A.A. during the early years of the 21st century. Sixteen stories are retained from the third edition, including the "Pioneers of A.A." section, which helps the reader remain linked to A.A.'s historic roots, and shows how early members applied this simple but profound program that helps alcoholics get sober today. Approximately 21 million copies of the first three editions of "Alcoholics Anonymous" have been distributed. It is expected that the new fourth edition will play its part in passing on A.A.'s basic message of recovery. This fourth edition has been approved by the General Service Conference of Alcoholics Anonymous, in the hope that many more may be led toward recovery by reading its explanation of the A.A. program and its varied examples of personal experiences which demonstrate that the A.A. program works.

American Road Trip

From #1 New York Times bestselling “consistently entertaining writer” (USA Today) Nora Roberts, *Search for Love* takes a woman on a journey to meet a family she never knew she had—and a future she never imagined. When Serenity Smith’s parents passed away, she presumed she lost her only family. Then she receives word from a relative far from Washington D.C.—her grandmother, living on an estate in the beautiful Brittany region of France. But the hard-hearted Comtesse de Kergallen doesn’t welcome Serenity with open arms. Neither does her arrogant yet undeniably charming cousin Christophe. Both harbor resentments against the Smiths, believing they damaged the family’s aristocratic reputation. As Serenity sets out to clear her parents’ names, tension mounts between her and Christophe—escalating from adversarial to passionate

fiction are different truths. She wishes her mother would stop writing long enough to really listen to her. She wishes her house were peaceful and orderly like her friend Lucas's. Most of all, she wishes she could find a vibrato on her cello and play Mozart the way he deserves to be played. Minna soon discovers that some things can't be found—they just have to happen. And as she waits for her vibrato to happen, Minna begins to understand some facts and fictions about herself.

NOW A MAJOR MOTION PICTURE STARRING NOAH WYLE, JEREMY IRVINE, MINKA KELLY, ADELAIDE CLEMENS, STEVE EARLE, AND HALEY JOEL OSMENT. "ONE OF THE MAJOR WRITERS OF OUR TIME."—THE ATLANTA JOURNAL-CONSTITUTION Travis Shelton is seventeen the summer he wanders into the woods onto private property outside his North Carolina hometown, discovers a grove of marijuana large enough to make him some serious money, and steps into the jaws of a bear trap. After hours of passing in and out of consciousness, Travis is discovered by Carlton Toomey, the wise and vicious farmer who set the trap to protect his plants, and Travis's

confrontation with the subtle evils within his rural world has begun. Before long, Travis has moved out of his parents' home to live with Leonard Shuler, a one-time schoolteacher who lost his job and custody of his daughter years ago, when he was framed by a vindictive student. Now Leonard lives with his dogs and his sometime girlfriend in a run-down trailer outside town, deals a few drugs, and studies journals from the Civil War. Travis becomes his student, of sorts, and the fate of these two outsiders becomes increasingly entwined as the community's terrible past and corrupt present bear down on each of them from every direction, leading to a violent reckoning—not only with Toomey, but with the legacy of the Civil War massacre that, even after a century, continues to divide an Appalachian community. Vivid, harrowing yet ultimately hopeful, *The World Made Straight* is Ron Rash's subtlest exploration yet of the painful conflict between the bonds of home and the desire for independence.

The second book in the spine-tingling *Dark Matter* trilogy. Finding the cause of a deadly epidemic and a cure has never been more urgent--or uncertain. Shay, one of the rare survivors of the epidemic sweeping the UK, has surrendered herself to the Army because she believes she's a carrier of the deadly disease. Along with other survivors, she unwillingly becomes a test subject in an effort to find a cure. When the lab where she's being held is attacked, Shay and a few others escape--with the help of Dr. Alex Cross, Kai's hated stepfather and Callie's father. Alex is the leader of the cult-like group *Multiverse*. Their agenda is murky, but genetic engineering might be one of their goals. Meanwhile, a heartbroken Kai is determined to find Shay. He's discovered

survivors aren't carriers, and Shay sacrificed herself for nothing. Teaming up with other survivors who are being hunted, Kai races to rescue Shay before it's too late. His sister, Callie, the true carrier of the epidemic, continues to hide her secret, and a wave of infection follows in her wake as she travels across the country. As mysteries deepen, the teens must decide whom to trust, and their friendships are tested. Is Callie who she says she is? Should Shay trust the man her mother ran away from--a man Kai hates? Will Kai ever forgive Shay for her betrayal?

Kingdom Hearts: Final Mix

This volume has become known as perhaps the best introduction to Jung's work. In these famous essays, "The Relations between the Ego and the Unconscious" and "On the Psychology of the Unconscious," he presented the essential core of his system. Historically, they mark the end of Jung's intimate association with Freud and sum up his attempt to integrate the psychological schools of Freud and Adler into a comprehensive framework. This is the first paperback publication of this key work in its revised and augmented second edition of 1966. The earliest versions of the Two Essays, "New Paths in Psychology" (1912) and "The Structure of the Unconscious" (1916), discovered among

The mission was a failure. Even though Zivah and Dineas discovered a secret that could bring down the empire, their information is useless without proof. Now, with their cover blown and their quest abandoned, their only remaining hope is to get home before Ampara brings the full might of its armies against their peoples. As Shidadi and Dara alike prepare for war, Zivah and Dineas grapple with the toll of their time in the capital. After fighting alongside the Amparans against his own kin, can Dineas convince the Shidadi-and himself-where his loyalties lie? After betraying her healer's vows in Sehmar City, can Zivah find a way to redeem herself -- especially when the Dara ask her to do the unthinkable? And after reluctantly falling in love, what will the two do with their lingering feelings, now that the Dineas from Sehmar City is gone forever? Time is running out for all of them, but especially Zivah whose plague symptoms surface once again. Now, she must decide how she'll define the life she has left. Otto von Guericke has been called a neglected genius, overlooked by most modern scholars, scientists, and laymen. He wrote his *Experimenta Nova* in the seventeenth century in Latin, a dead language for the most part inaccessible to contemporary scientists. Thus isolated by the remoteness of his time and his means of communication, von Guericke has for many years been denied the recognition he deserves in the English speaking world. Indeed, the century in which he lived witnessed the invention of six important and valuable scientific instruments -- the microscope, the telescope, the pendulum clock, the barometer, the thermometer, and the air pump. Von Guericke was associated with the development of the last three of these; he also experimented with a rudimentary electric machine. Thus his *Experimenta Nova* was an important work, heralding the emerging empiricism of seventeenth century science, and merits this first English translation of von Guericke's *magnus opus*.
