Unfortunately, the 'actions' I took tended to be extremely self-destructive in nature. It wasn't until I was older that I realized how calming, stress relieving and relaxing colour therapy books can truly be - I guess the term 'therapy' should have made that obvious to me, oh well. I have always had an interest in things that have been considered to be 'socially unacceptable' and 'taboo,' and wanted my coloring books to reflect this. Hence the creation of 'Colorful Coloring Books,' a series of adult themed color therapy books that aim to give you both a relaxing and enjoyable experience, and to also, hopefully, make you laugh along the way. All forms of Feedback are greatly appreciated! This coloring book makes a perfect gift, stocking filler, secret santa or personal present for the Christmas period.
