The Search for God and Guinness

Winston Churchill was one of the most extraordinary leaders of the twentieth century. What enabled him to stand so steadfastly when all those around him seemed to turn back in fear? What enabled him to inspire whole nations to endure the unendurable and to achieve the unachievable when all those around him had already surrendered all hope? The Character and Greatness of Winston Churchill is a remarkable study of Churchill's leadership skill and answers these questions and more. The result is an account that is no less inspiring today than it was three-quarters of a century ago when the great man's shadow fell large across the world stage. According to Henry Kissinger, "Our age finds it difficult to come to grips with Churchill. The political leaders with whom we are familiar generally aspire to be superstars rather than heroes. The distinction is crucial. Superstars strive for approbation; heroes walk alone. Superstars crave consensus; heroes define themselves by the future they see it as their task to bring about. Superstars seek success as a technique for eliciting support; heroes pursue success as the outgrowth of their inner values." Winston Churchill was a hero.

Ten Men You Meet in the Huddle

No sport rivals football for building character. In the scorching heat of two-a-days and the fierce combat of the gridiron, true leaders are born. Just ask Bill Curry, whose credentials for exploring the relationship between football and leadership include two Super Bowl rings and the distinction of having snapped footballs to Bart Starr and Johnny Unitas. In Ten Men You Meet in the Huddle, Curry shares the wit, wisdom, and tough love of teammates and coaches who turned him from a next-to-last NFL draft pick into a two-time Pro Bowler. Learning from such giants as Vince Lombardi and Don Shula, Ray Nitschke and Bubba Smith, Bobby Dodd and even the indomitable George Plimpton, Curry led a football life of nonstop exploration packed with adventure and surprise. Blessed with irresistible characters, rich personal history, and a strong, simple, down-to-earth voice, Ten Men You Meet in the Huddle proves that football is much more than a game. It ' s a metaphor for life. From the Trade Paperback edition.

The Art of Manliness - Manvotionals

Men are in crisis. From every direction, they are presented with a deformed masculinity. One that sees women as conquests rather than partners. One that values success at work over success at home. One that hinders true and open friendships with other men who hold them up and hold them accountable. One that presents them as either the bumbling, disconnected dad in sitcoms or the predator in movies and video

Free Copy Mansfields Book Of Manly Men An Utterly Invigorating Guide To Being Your Most Masculine Self

games (and the news). Men were made for more than this. It's time to rekindle the fire living inside of them and awaken them to the value of valiant, righteous manhood. Through inspiring stories and hard-hitting biblical truths, Stephen Mansfield uncovers the seven fires that ought to burn in a man's soul--the fires of destiny, heritage, friendship, love, battle, legacy, and God. This raw guide to the restoration of a noble, honorable manhood will challenge men of every generation to live well, invest in others, and leave a powerful legacy. "Being a man isn't about the illusions mass media presents to us as the way we all should live our lives. Stephen Mansfield is going to make this clear . . . and he's going to call you to be the man you are meant to be."--from the foreword by Scott Hamilton, four-time national and world champion and Olympic gold medalist "A brilliant and absolutely essential book! Mansfield's prose cuts through the cultural darkness like a lighthouse shining across a storm-tossed sea."--Brad Thor, #1 New York Times bestselling author "My friend Dr. Stephen Mansfield's new book, *Men on Fire*, takes us back to the kind of timeless knowledge, wisdom, and truth that have served as a guide for countless generations of men throughout history. It will inspire you to awaken that age-old drive and restore that inner voice that says, 'I can do this. Thank God for another chance.'"--Darrell Green, member of the Pro Football Hall of Fame and the NFL 100 All-Time Team "There is a war on masculinity today, one that is leaving males with neither the knowledge nor the drive to become men. Seductive sirens of secular socialism lure them into settling to be either thugs or wimps. *Men on Fire* is both the roadmap and the antidote. For all of our sakes, place this book in the hands of the men you most care about."--Rabbi Daniel Lapin, author, TV host, and president of the American Alliance of Jews and Christians

Manliness

Paul Coughlin shows Christian "nice guys" how to be both gentle and bold through the example of Jesus.

Stiffed

There are lots of great devotional books and discipleship guides out there, but *The Art of the Christian Ninja* is different. The name ""The Art of The Christian Ninja"" was birthed from an encounter with God that spawned an unshakable thought: the critical importance of thesecret sideof the Christian faith. This book was written to inspire believers to build their relationship with God in ways that no one else sees. This is more than a simple Bible study or discipleship manual. It's a partnership between art and writing, black ink and white space, a tying together of teaching and questions, meditation and practice, humour and study. It's a journey, a meditation, a conversation, a long walk, and a training ground to help believers connect their faith and life and become the Christian Ninjas God wants to help them be. ""An interesting account of the old Ninja mythology and how it can be turned to the Christian's advantage. It should be a valuable source of spiritual help to readers who need and want to grow and become more effective."" --Charles Dondale, Retired Arachnologist ""This book really lends itself to building up Christians to defend themselves against the attack of the enemy. Learning to be stealthy and effective is especially relevant in our culture of intolerance towards Christians. I see this book as being complimentary to C.S. Lewis' *The Screwtape Letters* in which Lewis shows the inner workings of the enemy. Pastor Allan shows us tools to combat the enemy in practical, reflective and effective ways."" --Steve Bastian, Teacher ""A handy tool for developing Christians. The advice and teachings within are concise, yet informative, and each chapter is just the right length to be a daily lesson. You can then take what you have been taught and work with it throughout your day, returning to review the Ninja Meditations in the evening to see how you did. The process of changing your life into that of a Christian Ninja is here at your fingertips!"" --Mary Ellen McLellan, Homemaker, Equine Specialist ""A 'How to Grow' manual for new believers and mature believers alike. Each chapter focuses on a discipline that needs to exist in each believer's life in order to have a strong walk with God. If you're looking to strengthen your relationship with your Lord but don't know where to start, this ninja training manual will set you on your way."" --Michael Kruszelnicki, Engineer, Youth Leader Allan Descheneau is a preacher, writer, podcaster, and pastor of Beckwith Baptist Church near Ottawa, Ontario. His passion is helping people find

Free Copy Mansfields Book Of Manly Men An Utterly Invigorating Guide To Being Your Most Masculine Self

the tools and inspiration they need to pursue a deep, consistent, and meaningful relationship with God."

Ten Signs of a Leadership Crash

Explores the religious background of Barack Obama, examines his relationship with the Reverend Jeremiah Wright at Trinity United Church of Christ in Chicago, and discusses how his beliefs shape his personal and political life.

The Illustrated Art of Manliness

Witty, compelling, and shrewd, Mansfield's Book of Manly Men is about resurrecting your inborn, timeless, essential, masculine self. The Western world is in a crisis of discarded honor, dubious integrity, and faux manliness. It is time to recover what we have lost. Stephen Mansfield shows us the way. Working with timeless maxims and stirring examples of manhood from ages past, Mansfield issues a trumpet call of manliness fit for our times. "My goal in this book is simple," he says. "I want to identify what a genuine man does—the virtues, the habits, the disciplines, the duties, the actions of true manhood—and then call men to do it."

Manup!

WHAT IT MEANS TO BE A MAN Raising up men has never been easy, but today it seems particularly tough. The young and old need heroes to embody the eternal qualities of manhood: honor, duty, valor, and integrity. In *The Book of Man*, William J. Bennett points the way, offering a positive, encouraging, uplifting, realizable idea of manhood, redolent of history and human nature, and practical for contemporary life. Using profiles, stories, letters, poems, essays, historical vignettes, and myths to bring his subject to life, *The Book of Man* defines what a man should be, how he should live, and to what he should aspire in several key areas of life: war, work, leisure, and more. "Whether we take up the sword, the plow, the ball, the gavel, our children, or our Bibles," says Bennett, "we must always do it like the men we are called to be." *The Book of Man* shows how.

The Book of Man

The history of Guinness, one of the world's most famous brands, reveals the noble heights and generosity of a great family and an innovative business. It began in Ireland in the mid 1700s. The water in Ireland, indeed throughout Europe, was famously undrinkable, and the gin and whiskey that took its place devastated civil society. It was a disease-ridden, starvation-plagued, alcoholic age, and Christians like Arthur Guinness—as well as monks and even evangelical churches—brewed beer that provided a healthier alternative to the poisonous waters and liquors of the times. This is where the Guinness tale began. Now, 250 years and over 150 countries later, Guinness is a global brand, one of the most consumed beverages in the world. The tale that unfolds during those two and a half centuries has power to thrill audiences today: the generational drama, business adventure, industrial and social reforms, deep-felt faith, and the noble beer itself. "Frothy, delicious, intoxicating and nutritious! No, I'm not talking about Guinness Stout—I'm talking about Stephen Mansfield's fabulous new book *The Amazing and True Story of How the Guinness Family Used Its Wealth and Influence to Touch Millions* is an absolute inspiration." — Eric Metaxas, New York Times best-selling author "It's a rare brew that takes faith, philanthropy and the frothy head of freshly-poured Guinness and combines them into such an inspiring narrative. Cheers to brewmaster Stephen Mansfield! And cheers to you, the reader! You're in for a treat." — R. Emmett Tyrrell Jr., Founder and editor-in-chief of *The American Spectator*

Alphabet of Manliness (revised and updated)

Discover the path to true masculinity—to an adventurous life of strength, purpose, and clarity. Didn't we used to understand manhood? Wasn't there a time once when it was clear and straightforward? Are we lost? Dudes, look around you: The trail we once traveled from boyhood to maturity is now so overgrown, it's almost impossible to trace. Our vision is blurred, rendering the map that previous generations followed unreadable. Our compass needles are spinning in circles, making navigation impossible. We are stuck in dense, dangerous woods, and our communities—the wives, children, friends, and colleagues we could be influencing—are suffering as a result. It can be tempting to give up and, like so many men today, simply exist, but take heart: Now is not the time for men to abandon our quest. We can discover the path to true masculinity—to an adventurous life of strength, purpose, and clarity. In *The Dude's Guide to Manhood*, pastor, author and dude Darrin Patrick charts a course back toward real manliness, mapping out a vision to help men find significance and influence in today's broken, mixed-message culture. Revealing his own frailties and missteps, Patrick doesn't preach at you but walks with you on a journey toward healing and wholeness. Filled with timeless wisdom, accessible insights and practical guidance, *The Dude's Guide to Manhood* issues an encouraging and doable call to all men, whatever your age or stage. We need not settle for wandering aimlessly through our days, wounded, weak, and passive. Instead, we can get back on the trail, embrace our gifts while facing our imperfections, and trust the God of new beginnings to lead us into all that we are destined to become: forgiven, connected, determined, teachable, content, heroic, and so much more.

Boys of Blur

Joy—the unexpected reward for outrageous courage and faith Based on Jesus's Parable of the Talents, *The Courage Factor* challenges readers to think of their lives as a priceless commodity that can be leveraged for positive impact. In reflecting on the ups and downs of his own journey, Bob exposes the fear that keeps us isolated, causing us to lock up our gifts and dreams. Instead of having a positive impact on the world with our talents, we are left frustrated and unfulfilled. But if we have the courage to pursue our dreams—investing our lives and talents into something meaningful—what results is true joy and fulfillment. Throughout *The Courage Factor*, readers will meet inspiring individuals with stories that illustrate how even our dark moments and detours can prepare us for significance if we embrace courage and step forward in faith. Discover the potential we each have to unlock and accelerate the dreams and talents of those around us. In key moments of decision, pivotal moments where fear and courage do battle, learn to recognize these moments for what they are, defeat fear, and turn risk into reward. Courageous and fully invested people can change the world, and you can be one of them.

The Faith of George W. Bush

How God Makes Men

“ All through the Bible, we see stories of bold and brash men who followed God's call into some incredible adventures. In *How God Makes Men*, Patrick Morley reminds us that God still makes those kinds of guys. ” —Dave Ramsey, New York Times best-selling author and nationally syndicated radio show host *God's Way for You to Become God's Man* Let's face it—men today are under severe attack. The battle line against biblical manhood is clearly drawn and fiercely contested. More than ever, men who want to follow Christ are asking: • Why is it so hard to live an authentic Christian life? • Who will show me how to thrive as a father, a husband, and on the job? • What should I do when I'm being tested to the breaking point? Fortunately, the Bible preserves crucial details about the powerful lessons learned by men who have already faced and answered these questions. In *How God Makes Men*, renowned expert on men's issues Patrick

Free Copy Mansfields Book Of Manly Men An Utterly Invigorating Guide To Being Your Most Masculine Self

Morley takes you into Scripture for a first-hand encounter with:

- Ten epic stories of the Bible 's most talked-about men
- Ten proven principles—based on their failures and successes—that show how God works in a man 's life, and how you can cooperate with Him in yours
- The huge promise that you can become the man God created you to be Don 't settle for less. Join Patrick on this epic adventure of becoming God 's man. You 'll discover how to prevail in tough times and release God 's power in every area of your life.

What Men Crave

In the steamy summer of 1787, as America's founding fathers fashioned their Constitution, they told the most powerful institution in their new nation what it must not do: "Congress shall make no law respecting an establishment of religion." Few Americans understand the miracle in world history these ten words represent. For the first time in human experience, the legislative power of a nation was forbidden from legislating the conscience of man. And for over one hundred and fifty years, religion flourished, institutions of faith multiplied, and revivals transformed whole communities. The elected representatives of the people often called for days of prayer, recognizing that religion is essential to national character. So what happened? Why is it that today a cross-shaped memorial or a religious symbol in a city seal is considered a violation of the Constitution? Why are pastors threatened if they speak out about politics and children kept from even asking about religion in the public schools? *Ten Tortured Words* separates historical fact from fiction, illuminating the events and personalities that shaped the writing of the Establishment Clause. In his straightforward, award-winning style, cultural historian Stephen Mansfield interprets the societal shifts that have led to the current rift between religion and politics, and takes a surprising look at what lies ahead for freedom of religion in America.

The Dude's Guide to Manhood

The mark of a great man is this; He understands his core needs which fuels his ability to effectively inspire himself and the men around him. A straight-forward, and pragmatic exploration of what drives a man's behaviors:-Discover the power of a man's RAH cravings: respect, admiration, and honor-Build confidence in your unique purpose and role in work and life-Gain insights into self-management and conflict resolution -Become a man of honor, while inspiring other men to do the same

The Miracle of the Kurds

An indispensable, hands-on guide dedicated to the lost art of being a man, *The Illustrated Art of Manliness* distills more than 100 practical skills every modern man needs to know into an entertaining, easy-to-follow visual format. Founder of *The Art of Manliness* Brett McKay and bestselling illustrator Ted Slampyak write brilliantly illustrated articles to help men be the best fathers, brothers, sons, and men they can be. This book features their most essential work alongside dozens of never-before seen guides on subjects ranging from chivalry and self-defense to courage and car repair, including: How to disarm an attacker How to fell a tree and start a fire anywhere How a car engine works, and how to fix it How to use every tool in your toolbox What to wear on a first date and to a job interview How to lead a meeting and command the attention of a room How to dance, fight, shave, shake a hand, pick a lock, and fire a gun And other advice for when you're lost, in danger, or merely confronting a shirt that needs to be ironed. *The Illustrated Art of Manliness* features a classic, timeless package, including full-color illustrations, and will be a perfect gift for you or the man in your life.

The Character and Greatness of Winston Churchill

Free Copy Mansfields Book Of Manly Men An Utterly Invigorating Guide To Being Your Most Masculine Self

Also includes 6 drink coasters!

Lincoln's Battle with God

More Than Dates & Dead People: Recovering a Christian View of History", by Stephen Mansfield, is a lively, upbeat, edgy look at history as something exciting rather than a boring list of dates to memorize. The focus is on how a Christian world-view affects one's academic and scholarly interests. ""

The Masculine Self

In the first book to explore the religious ideals and background of the 43rd president of the United States, *The Faith of George W. Bush* discusses how Bush's spiritual beliefs shape his private life as well as drive his policies and politics. More than any other presidency in recent years, George W. Bush's presidency is "faith based." He has often said that faith saved his life, nurtured his family, established his political career, and helped form the destiny of the nation. Discover how Bush incorporates his faith and belief in God into every detail of life. From his devotional time alone each morning to his frequent use of Scripture in his speeches, the president relies upon his faith to direct his actions and goals. *The Faith of George W. Bush* recounts Bush's conversion to Christianity in 1986, when he overcame a growing dependence on alcohol by turning to the Bible to save his marriage and family. From the tragedy of September 11 to the conflict in Iraq, President Bush has learned to use his faith to help him live his public and private life. This revealing book will inspire others to do the same.

Biblical Manhood

You should know up front that his book might cause you to reevaluate your life. It might influence you to quit your job and switch careers. You might start to look at your relationships in a different way. Hell, it might even cause you to realize that you 're not in a good marriage. That 's not just hyperbole, either. T. C. Luoma 's popular weekly column—the best of which are featured here in *The Testosterone Principles 2: Manhood and Other Stuff*—has elicited exactly such potentially life-changing thoughts from the people who regularly read his work. He doesn 't preach or rap you on the knuckles. Instead, he shows you glimpses of what life—your life—could and maybe should look like. If you 've got even a speck of self-awareness, you end up asking yourself, " Hey, is he talking about me? " His observations, liberally backed up with science and spiced up with quirky references to popular culture, serve as a guide to the weird, conflicted, often horribly flawed creature called man.

The Art of Manliness

What Makes a Man, a Man? For centuries, being a man meant living a life of virtue and excellence. But then, through time, the art of manliness was lost. Now, after decades of excess and aimless drift, men are looking for something to help them live an authentic, manly life--a primer that can give their life real direction and purpose. This book holds the answers. To master the art of manliness, a man must live the seven manly virtues: Manliness, Courage, Industry, Resolution, Self-Reliance, Discipline, Honor. Each chapter covers one

Free Copy Mansfields Book Of Manly Men An Utterly Invigorating Guide To Being Your Most Masculine Self

of the seven virtues and is packed with the best classic advice ever written down for men. From the philosophy of Aristotle to the speeches and essays of Theodore Roosevelt, these pages contain the manly wisdom of the ages--poems, quotes, and essays that will inspire you to live life to the fullest and realize your complete potential. Learn the art. Change your life. Become a man.

More Than Dates & Dead People

When his stepfather moves them to Taper, Florida, in the Everglades, twelve-year-old Charlie discovers a secret world hidden within the sugar cane fields, as well as new family connections and friendships.

The Courage Factor

31 Days of Fun, Satire, and Deeper Meaning of the Godly Beard! Is there a connection between hairiness and holiness? Some would say a hearty “ Yes! ” In fact, the world is in the middle of a beard mania. Events like Movember and Decembeard are becoming global movements and manly sites are appearing all over the internet. Is this just another fad? And what does it say that so many of the most famous Christian communicators have or did have a beard? Throughout history, Christian men have gloried in male pattern magnificence. Saint Benedict of Nursia wore a superb double forker. The benevolently-bushed Euthymius wouldn't allow clean-shaven monks to enter his Judean Desert monastery. St. Francis of Assisi had a beard, and now there's a Pope named after him. He's clean-shaven, but we're praying for him. Of all the great Christian men who wore beards, none stands so highly as the headless martyr Sir Thomas More. On the day of his beheading, the tufted knight supposedly positioned his beard away from his soon-to-be-severed neck, saying: “ My beard has not been guilty of treason, and it would be an injustice to punish it. ” But of course, Bearded Gospel Men is about far more than beards — it's about manliness and godliness. Through this 31-day devotional, men are inspired to rise to a higher calling. The humor and facial hair is the perfect means to have a broader conversation about living a faithful life. So, let's study some of these famous Bearded Gospel Men!

Modern Manhood

Given the all-out assault on the American male in today's society, Man to Man delivers biblical solutions to make American men strong again. Masculinity in America has never been under attack the way it is today. We have reached the point where the term itself is considered toxic or offensive to many. American men are conflicted as to what their role is in society. The consistent message that has proliferated in our nation is that masculinity, by nature, is bad and is the root cause of many of the problems plaguing our society. Everything from racism to pedophilia has been blamed on “ toxic masculinity. ” Some colleges and universities are now offering classes on how to overcome or be delivered from this very “ threatening ” phenomenon called “ masculinity. ” If men take up biblical mandates ordained by their Creator—no matter their color, nationality, station, upbringing, or education—a new vision can be cast and executed that will restore a civil and prosperous America for all.

Man Up- Becoming a Godly Man in an Ungodly World

Over 300 manly quotes about courage, attitude, hard work, triumph, defeat, leadership, dignity, respect, exploration, adventure, freedom, justice, perseverance, dissent, change, wisdom, war, action, sports, business, and more. Be a man!

Handbook of Manly Quotes

Free Copy Mansfields Book Of Manly Men An Utterly Invigorating Guide To Being Your Most Masculine Self

Significantly expanded, updated, and improved with 50% new material, this is a comprehensive review of scholarly research and theory in men ' s studies. No other book can approach it in its coverage of the volume of men ' s studies research, its provision of a theoretical context for understanding the research, and its boxed features--most of which highlight the human aspects of the subject matter. Organized in three parts, the book offers a view of masculinity from a wide variety of perspectives. The first two chapters provide an introduction to contemporary concepts of men and masculinity, as well as the scientific study of sex and gender. In the second section, these concepts are applied to the major schools of psychological theory: psychobiology, social learning, humanism/existentialism, psychoanalysis, and socioculturalism. The last part of the book summarizes " men ' s issues: " work, emotion, relationships, physical health, mental health, violence, and the changing definitions of what it means to be male in contemporary society.

Art of Manliness Collection

The Art of the Christian Ninja

Sometimes in life you say certain words in conjunction with other words that you normally wouldn't, such as the word "holy" and the word "shit." Those times are rare and celebrated. Well, get your face hole ready, because this is one of those times: introducing The Alphabet of Manliness: Special Edition! If it's a crime to be awesome, then I deserve three life sentences and the death penalty. This literary kick to the dick may very well be the greatest compilation of all things manly throughout history. The new edition includes: • "The Numbers of Manliness." • A full-color insert • Corrections to typos! I, Maddox, the author, personally guarantee that this is the best edition of the book since the last one. This book is only for the saltiest, hairiest, most rugged sons of bitches out there. However, it would be selfish to keep it for myself, so feel free to pick up a copy. This humble tome of wisdom is a tribute to all men who toil away at work every day, getting their balls busted or busting balls alike. If you can't handle the punch to the colon I'm about to deliver to you, look on the bright side: you'll save a fortune on Halloween when kids come to your door to pick apart your candy ass. On the other hand, if you feel comfortable with the risk of having your ass neatly packaged and handed to you with all the trimmings, cut the foreplay and crack the book open already.

Toxic Masculinity

Humankind is at the tipping point in its greatest-ever revolution - a revolution in gender relationships, gender identities and gender power. Women are confidently on the rise while men and their behaviours are under scrutiny like never before. At the core of this historic shift lies 'toxic masculinity'. You'll have heard the term, but do you know what it means? Where does TM come from? Who has it? How does one catch the TM virus? What does it look like? What does it mean for women, love and relationships? Is it the only masculinity out there? And, most importantly, how can we get rid of it? This fascinating, insightful and engaging book provides all the answers while exploring the most pressing issue of the 21st century. Informed by the author's 30 years of research into men and masculinities and the latest global studies, this book is the definitive examination of modern man and a must read for anyone concerned with the future of men, gender and sexual relationships.

The Testosterone Principles 2: Manhood and Other Stuff

"Every man is born with just one thing: his sovereignty--his power to respond to his environment and his circumstances. Unfortunately, most men have spent much of their lives giving away that sovereignty. Every time a man passes blame or shirks his responsibility, every time he makes excuses for his performance, and every time he trades his unlimited potential for a little perceived safety and security, he willingly submits

Free Copy Mansfield's Book Of Manly Men An Utterly Invigorating Guide To Being Your Most Masculine Self

himself to the mercy of others. Is it any wonder that men, in general, seem to have lost their way? You don't have to look very far to recognize that men don't seem to possess the same amount of vigor and purpose they once did. It's a call for men to become fully the men they are meant to be so they may more adequately take care of themselves and those they are responsible for. Men have always been expected to protect, provide, and preside over themselves, their families, their businesses, and their communities. By embodying the thirteen Sovereign Virtues we detail inside, every man will be more capable of fulfilling his masculine duties and responsibilities"--

Mansfield's Book of Manly Men

God made men and women different. He gave them each specific roles. In *Man Up!*, men will discover God's true design for them whether as a guy searching for his footing in this culture, a husband seeking a godly relationship with his wife, or a father looking for guidance on raising his children to be confessional followers of Jesus. This book is ideal for individual study, small groups, men's Bible studies, and one-on-one studies.

No More Christian Nice Guy

Abraham Lincoln is the most beloved of all U.S. presidents. He freed the slaves, gave the world some of its most beautiful phrases, and redefined the meaning of America. He did all of this with wisdom, compassion, and wit. Yet, throughout his life, Lincoln fought with God. In his early years in Illinois, he rejected even the existence of God and became the village atheist. In time, this changed but still he wrestled with the truth of the Bible, preachers, doctrines, the will of God, the providence of God, and then, finally, God's purposes in the Civil War. Still, on the day he was shot, Lincoln said he longed to go to Jerusalem to walk in the Savior's steps. What had happened? What was the journey that took Abraham Lincoln from outspoken atheist to a man who yearned to walk in the footsteps of Christ? In this thrilling journey through a largely unknown part of American history, New York Times best-selling author Stephen Mansfield tells the richly textured story of Abraham Lincoln's spiritual life and draws from it a meaning sure to inspire Americans today.

Building Your Band of Brothers

How does a man know if he is a 'real man'? The answers can be discovered in Scripture. This book addresses three important areas of a man's life: Masculinity, Leadership and Decision-Making. Whether you are single or married, this will be a valuable resource. Appendices include critical help to combat the temptation of sexual lust, one of the most destructive areas for the single man, the husband and his family. - Publisher.

Man to Man

This 20th-anniversary edition of the extraordinary New York Times bestseller features a new introduction from the author! "Stiffed is a brilliant, important book.. Faludi's reportorial and literary skills unfold with breathtaking confidence and beauty. She goes a long way toward eliminating the black and white, good and evil, male and female polarities that have riven the sexes in the past three decades" – Time In 1991, internationally renowned feminist journalist Susan Faludi ignited a revival of the women's movement with her revelatory investigative reportage: *Backlash* was nothing less than a landmark, uncovering an "undeclared war" against women's equality in the media, advertising, Hollywood, the workplace, and government—a war that is still being fought today. *Stiffed* may be even more essential than *Backlash* to understanding the cultural riptides that led to Trumpian America. Here, Faludi turns her attention to the so-called "Angry Male" politics plaguing the nation. Through deeply researched, nuanced, and empathetic character studies of distressed industrial workers, laid-off aerospace engineers, combat veterans, football fans, evangelical husbands, suburban and inner-city teenage boys, and Hollywood and porn actors, *Stiffed* goes

Free Copy Mansfields Book Of Manly Men An Utterly Invigorating Guide To Being Your Most Masculine Self

beyond the easy explanations of male misbehavior—that it ' s driven by chromosomes or hormones—to lay bare the powerful social and economic forces that have shattered the postwar compact defining American manhood. Faludi ' s vivid storytelling illuminates the historic and traumatic paradigm shift from a “ utilitarian ” manliness, grounded in civic and communal service, to an “ ornamental ” masculinity shaped by entertainment, marketing, and performance values. Read in the light of Trumpian politics and the #MeToo movement, Faludi ' s analysis speaks acutely to our present crisis, and to a foreboding future. Stiffed delivers a searing portrait of modern-day male America, and traces the provenance of a gender war that continues to rage, unabated.

The Faith of Barack Obama

This is the first comprehensive study of manliness, a quality both bad and good, mostly male, often intolerant, irrational, and ambitious. Drawing from science, literature, and philosophy, Mansfield formulates a reasoned defense of a quality hardly obedient to reason.

Bearded Gospel Men

Sovereignty

Man Up! While it's definitely more than just monster trucks, grilling and six-pack abs, true manliness is hard to define. The words macho and manly are not synonymous. Taking lessons from classic gentlemen such as Benjamin Franklin and Theodore Roosevelt, authors Brett and Kate McKay have created a collection of the most useful advice every man needs to know to live life to its full potential. This book contains a wealth of information that ranges from survival skills to social skills to advice on how to improve your character. Whether you are braving the wilds with your friends, courting your girlfriend or raising a family, inside you'll find practical information and inspiration for every area of life. You'll learn the basics all modern men should know, including how to: Shave like your grandpa Be a perfect houseguest Fight like a gentleman using the art of bartitsu Help a friend with a problem Give a man hug Perform a fireman's carry Ask for a woman's hand in marriage Raise resilient kids Predict the weather like a frontiersman Start a fire without matches Give a dynamic speech Live a well-balanced life So jump in today and gain the skills and knowledge you need to be a real man in the 21st century.

Ten Tortured Words

The story of one American's Quixote-like vision for Kurdistan following Saddam's barbarous attacks of the early 1990s - encouraging the Kurds to build one of the most remarkable, hopeful, and prosperous cultures in not just the Middle East but the world.

Men on Fire

It ' s tempting to believe that the Christian faith is alive and well in our country today. Our politicians talk about God. Our mega-churches are filled. Christian schools dot our landscape. Brace yourself. It ' s an illusion. Believe it or not, only 8 percent of Americans profess and practice true evangelical Christian faith. There are more left-handed people than evangelical Christians in America. In this book, Mark Driscoll delivers a wake-up call for every believer: We are living in a post-Christian culture—a culture fundamentally at odds with faith in Jesus. This is good and bad news. The good news is that God is still working, redeeming people from this spiritual wasteland and inspiring a resurgence of faithful believers. The bad news is that many believers just don ' t get it. They continue to gather exclusively into insular tribes, lobbing e-bombs at

each other in cyberspace. Mark ' s book is a clarion call for Christians. It ' s time to get to work. We can only do this if we unite around Jesus and the essentials found in his Word, while at the same time, appreciating the distinctives within each Christian tribe. Mark shows us how to do just that. This isn ' t the time to wait or debate. Join the resurgence.

A Call to Resurgence

Emmy and Peabody Award – nominated health reporter Cleo Stiller ' s fun(ny) and informative collection of advice and perspectives about what it means to be a good guy in the era of #MeToo. Here are a few self-evident truths: Predatory men need to go, sexual assault is wrong, and women and men should be equal. If you ' re a man and disagree with any of the aforementioned, then this book isn ' t for you. But if you agree, you ' re probably one of the “ good guys. ” That said, you might also be feeling frustrated, exasperated, and perhaps even skeptical about the current national conversation surrounding #MeToo (among many other things). You ' ve likely found yourself in countless experiences or conversations lately where the situation feels gray, at best. You have a lot to say, but you ' re afraid to say it and worried that one wrong move will land you in the hot seat. From money and sex to dating and work and everything in between—it can all be so confusing! And when do we start talking about solutions instead of putting each other down? In *Modern Manhood*, reporter Cleo Stiller sheds light on all the gray areas out there, using conversations that real men and women are having with their friends, their dates, their family, and themselves. Free of judgment, preaching, and sugarcoating, *Modern Manhood* is engaging, provocative, and, ultimately, a great resource for gaining a deeper understanding of what it means to genuinely be a good man today.
