Meditations

Meditations

Offers a modern translation of the Roman philosopher's journal.

Meditations for the forty days of Lent

Third Eye Meditations

Simple meditations for young persons, arranged according to the Church's seasons, ed. by W. Hook

The Cross of Christ, Or, Meditations on the Death and Passion of Our Blessed Lord and Savior

Open the doorway to infinite consciousness through meditation, visualization, and affirmation. "Shumsky has been there. That's what makes her a great teacher." -Larry Dossey, bestselling author of Healing Words Meditation has become more popular than ever. Though millions practice it, many are not getting the relaxing, healing, spiritually uplifting experiences or positive effects they desire. Third Eye Meditations is different. It offers effortless, joyful ways to enjoy profoundly uplifting results without previous training, skill, talent, or practice. What is "guided meditation"? It's a way to be led step by step, moment by moment, through the process. Just reading the words will take you into deep meditation and awaken higher aspects of your being. Third Eye Meditations can help you: Open your third eye and supersensory perception. Discover who you really are and fulfill your true purpose. Experience higher states of consciousness. Enjoy deep relaxation and contentment. Improve your relationships, health, and success. Bring greater planetary balance and world peace. The third eye is the eye of illumination. Practicing the meditations in this book can fill your body, mind, and spirit with light, love, and wisdom. You can ask for and receive divine inspiration, healing, creative ideas, clear intuition, and inner guidance - at will - and you can develop your spiritual self.

Meditations on Death and Eternity

Notes on the Roman philosopher's life and the relations between Stoicism and Christianity preface a modern translation of

the journal

Meditations

The "Meditations" of Roman Emperor Marcus Aurelius are a readable exposition of the system of metaphysics known as stoicism. Stoics maintained that by putting aside great passions, unjust thoughts and indulgence, man could acquire virtue and live at one with nature.

Select Contemplations and Meditations. To which are added Divine poems Written by a young lady in her retirement, etc. [Signed, A. R.]

Meditations and Prayers for Every Situation and Occasion in Life

Godly Meditations, etc

'It is some years now since I realized how many false opinions I had accepted as true from childhood onwards I saw that at some stage in my life the whole structure would have to be utterly demolished' In Descartes's Meditations, one of the key texts of Western philosophy, the thinker rejects all his former beliefs in the quest for new certainties. Discovering his own existence as a thinking entity in the very exercise of doubt, he goes on to prove the existence of God, who guarantees his clear and distinct ideas as a means of access to the truth. He develops new conceptions of body and mind, capable of serving as foundations for the new science of nature. Subsequent philosophy has grappled with Descartes's legacy, questioning many of its conclusions and even his basic approach, but his arguments set the agenda for many of the greatest philosophical thinkers, and their fascination endures. This new translation includes the Third and Fourth Objections and Replies in full, and a selection from the rest of these exchanges with Descartes's contemporaries that helped to expound his philosophy. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

Meditations

Meditations and considerations for a Retreat of one day in each month. Compiled from the writings of the Fathers of the Society of Jesus, by a Religious

The Meditations of Marcus Aurelius

Written by one of the 20th century's bestselling spiritual writers, this collection of short, inspirational readings explores the art of meditation.

An Ex-prelate's Meditations

Comfort in Affliction; a series of meditations Twenty-first thousand

Hymns and Meditations. Third edition, with additions

A Manuel of Private and Domestic Prayer: with meditations for every day in the week; selected from the works of J. I., by H. Grylls

Meditations on First Philosophy

Meditations for the month of May

Meditations

Meditations

Meditations Upon the Liturgical Gospels for the Minor Festivals of Christ

The meditations of Marcus Aurelius Antoninus, a new tr., with notes, by R. Graves

Hymns and Meditations

M^ric Casaubon's famous 1634 translation of Meditations was the first English version of the Stoic masterwork to be reprinted many times because of its widespread popularity. The Shakespearean language has been called difficult by modern standards but the poetic Elizabethan prose greatly enhances this deeply spiritual work. Aurelius is no less eloquent or articulate than in later versions and the power of his thoughts and ideas are beautifully conveyed.

Meditations

Brief meditations on the Collects

'Their icy blasts are refreshing and restorative. They tell you the worst. And having heard the worst, you feel less bad' Blake Morrison
Written in Greek by the only Roman emperor who was also a philosopher, without any intention of publication, the Meditations of Marcus Aurelius offer a remarkable series of challenging spiritual reflections and exercises developed as the emperor struggled to understand himself and make sense of the universe. While the Meditations were composed to provide personal consolation and encouragement, Marcus Aurelius also created one of the greatest of all works of philosophy: a timeless collection that has been consulted and admired by statesmen, thinkers and readers throughout the centuries. Translated with notes by MARTIN HAMMOND with an Introduction by DISKIN CLAY

Marcus Aurelius Antoninus to Himself

First published in 1991 and based on the transcripts of four of Shakti Gawain's audiocassettes, this new edition includes all the original meditations as well as those from more recent works that focus on intuition and prosperity. These meditations can be used to help readers and practitioners tap into creativity; discover their inner child; connect with their inner guide;

explore the male and female within; and much more. This new edition is nearly twice as long as the previous one, with twice as many meditations; it also includes a new introduction by the author.

Meditations from st. Chrysostom on the study of the word of God, literally tr. by R. King

Descartes: Meditations on First Philosophy

Stirring reflections on the human condition from a warrior and emperor provide a fascinating glimpse into the mind and personality of a highly principled Roman of the 2nd century. Recognizing that suffering is at the core of life, he counsels stoic detachment in the face of inevitable pain, loss and death.

Meditations on Gout

A journal of meditations, for every day in the year; gathered out of divers authors. [By N. Bacon.]

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Short Meditations, Etc

One of the world's most famous and influential books, *Meditations*, by the Roman emperor Marcus Aurelius (A.D. 121-180), incorporates the stoic precepts he used to cope with his life as a warrior and administrator of an empire. Ascending to the imperial throne in A.D. 161, Aurelius found his reign beset by natural disasters and war. In the wake of these challenges, he set down a series of private reflections, outlining a philosophy of commitment to virtue above pleasure and tranquility

above happiness.

Short meditations for every day in the year [by A.D. Hook] ed. by W.F. Hook

This is an updated edition of John Cottingham's acclaimed translation of Descartes's philosophical masterpiece, including an abridgement of Descartes's Objections and Replies.
