If I'm So Smart, Why Can't I Lose Weight?

Explores how a personal relationship with money affects financial stability and presents advice on getting out of debt, setting up a savings plan, and devising a realistic budget which reflects personal values and long term goals.

Ignite

How a Norwegian mama gradually Americanizes her family with the aid of her wit and understanding

Money

Shira Spector, whose drawing is visceral, symbolic and naturalistic, literally paints a vivid portrait of the most eventful 10 years of her life, encompassing her tenacious struggle to get pregnant, the emotional turmoil of her father's cancer diagnosis and eventual death, and her recollections of past relationships with her parents and her partner. Set in a kaleidoscope of Montreal and Toronto, Red Rock Baby Candy begins in subtle, tonal shades of black ink and introduces color slowly over the next 50 pages until it explodes into a glorious full color palette. The visual storytelling eschews traditional comics panels in favor of a series of unique page compositions that convey both a stream of consciousness and the tactile reality of life, both the subjective impressions of the author at each moment of the life she depicts and the objective series of events that shape her narrative.

Winterkeep

Disquieting new work from the winner of the 2001 Stan and Tom Wick Poetry Prize. Absence and trespass permeate these poems, in which what has just occurred--or what is about to--is as palpable and ominous as it is unrevealed. In Kate Northrop's finely-wrought verse, children have gone missing, sealed-off passages are discovered, and missing dogs emerge like visions before bounding off again. Northrop has a sixth sense for where the mundane and the uncanny pass too close for comfort--and no place more so than in the book's haunted centerpiece, a visceral rendering of a sixteenth-century Hungarian countess with certain insatiable appetites. Gorgeous and strange, "Things Are Disappearing Here" is an imaginative tour-de-force.

Town Development

This book uses words that are common to everyone and puts them into a refreshing perspective to show how

Access PDF Money A Love Story Untangle Your Financial Woes And Create The Life You Really Want

we confuse our emotions with our finances. The book digs deep and raises eyebrows; some of the observations are startling. The book comes from one woman's journey of healing from almost financial ruin to peace and stability. The author's comment: "If I can do it without a Masters degree, so can you. It takes compassion, hard work and courage." Using in part client stories to illustrate a point, the book also provides tools that can be used immediately.

The Shakespear Story-teller

Bossy, protective bad boy biker Mammoth Saint always thought he'd be member of the Disciples MC & until he laid eyes on her. Tamara Gallo has always been headstrong, sassy, and never afraid to speak her mind, even when it comes to her hottie biker boyfriend and his brothers in the MC. But when Mammoth's ready to sever ties from the club for good, choosing love over the brotherhood, someone from his past shows up and needs protections, threatening his freedom along with their future. Happily Ever After-YES! Swoon-Worthy-Heck, Yes! Cliffhanger-Nope!

Current Literature

Like You'd Understand, Anyway

A rediscovered mountaineering classic and the extraordinary true story of a daring escape up Mount Kenya by three prisoners of war. When the clouds covering Mount Kenya part one morning to reveal its towering peaks for the first time, prisoner of war Felice Benuzzi is transfixed. The tedium of camp life is broken by the beginnings of a sudden idea - an outrageous, dangerous, brilliant idea. There are not many people who would break out of a P.O.W. camp, trek for days across perilous terrain before climbing the north face of Mount Kenya with improvised equipment, meagre rations, and with a picture of the mountain on a tin of beef among their more accurate guides. There are probably fewer still who would break back in to the camp on their return. But this is the remarkable story of three such men. No Picnic on Mount Kenya is a powerful testament to the human spirit of revolt and adventure in even the darkest of places. "The history of mountaineering can hardly present a parallel to this mad but thrilling escapade" - Saturday Review "A most extraordinary prisoner-of-war and escape story" - New Yorker "A mad venture and a gallant tribute to man's deep yearning for freedom" - Kirkus Reviews "The book crackles with the same dry humour as its title. It contains the prison-yard bartering and candlelight stitching that mark a classic jailbreak yarn; the encounters with wild beasts in Mount Kenya's forest belt are as gripping, and the descriptions of sparkling glaciers as awe-inspiring, as any passage in the great exploration diaries of the early 20th century" - The Economist

The Abundance Loop

The Art of Passing the Buck offers a simple, comprehensive explanation of how Wills and Trusts work. It reveals wealth retention, management and empowerment techniques you can use to build a family dynasty. Inheritance may often degenerate into legal battles, and/or dark whisperings among relatives. Who was cared for or neglected comes to the fore when reading the Will or setting up the Trust. Sometimes, siblings battle among themselves over who gets what, while parents become distraught making the myriad decisions related to their own passing. We explain how there can be a smooth transition when both Grantors and Beneficiaries have vital information. A must read for both givers and receivers of wealth, this book also covers: the history of Trusts, Trust types, Trustees and the law, privacy, who should not have a Trust, parenting and perpetual wealth, and heirs: the favored and the flawed. Emphasis throughout is on what works in the real world, based on decades of experience.

Hair Story

Mama's Bank Account

Understanding money is crucial in today's financially driven world. However, attaining wealth has more to do with internal motivations and experiences than with external circumstances. The Abundance Loop reveals what blocks you from achieving the prosperity that is your natural birthright. By breaking free from a fear-based mind-set, you will learn to cultivate gratitude and awareness, and take conscious action to create the life you want. Juliana Park, a Certified Financial Planner and financial advisor for over 13 years with major Wall Street firms, offers a step-by-step approach for you to shift from scarcity to abundance. Here, she walks you through 30 practical exercises and shows you how to: Reframe your life through the lens of the Abundance Loop—and radically change your relationship with money, with others, and with yourself; Align with your divine wealth and authentic purpose; and Find financial security and spiritual serenity. This groundbreaking book will challenge your beliefs about what is possible and lead you on a clear path to enrich both your net worth and your self-worth.

How to Order the Universe

With his first three works of fiction—the novels *You Bright and Risen Angels* and *The Ice-Shirt*, and the collection *The Rainbow Stories*—William T. Vollmann announced himself as a writer of rare and ferocious talent, with critics comparing him to William Burroughs, Thomas Pynchon, and T.C. Boyle. His new novel is the story of Jimmy, who has been deserted by his lover, a prostitute by the name of Gloria. In the despair of his loneliness, and his drunken grief, he reassembles Gloria's presence out of whatever he can buy from the hookers on the street—the fragments of their lives and dreams, and locks of hair they are willing to share for a price. In his search for these snatches of intimacy he meets the hustlers, drunks, and prostitutes of San Francisco's Tenderloin district: Candy, who beats her customers when they ask for it but refuses to let them call her a bitch; Snake, who pimps his wife; Nicole, whose job it is to give men AIDS; Jack, who shoots his woman's earnings into his arm but still likes Chopin even though he doesn't have a record player; and Gloria, who may or may not be a figment of Jimmy's imagination. Vollmann writes with explosive power of the inner city, unflinching in the way he confronts the solitude of the homeless and unloved, the insulted and the injured of skid-row America. His exhilarating, high-voltage style and lyric language touch the heart and retrieve a jubilant integrity from the harsh struggles of his characters. Here is a world of harrowing truth, beautifully expressed by a writer of prodigious gifts.

Typical American

"This resilient heroine embodies the evolution of feminism in a male-dominant society, making this a poignant story for our time." —Emily Park, Booklist starred review "Daring and unputdownable." —Jenny Hollander, *Marie Claire* *The Hare* is an affecting portrait of Rosie Monroe, of her resilience and personal transformation under the pin of the male gaze. Raised to be obedient by a stern grandmother in a blue-collar town in Massachusetts, Rosie accepts a scholarship to art school in New York City in the 1980s. One morning at a museum, she meets a worldly man twenty years her senior, with access to the upper crust of New England society. Bennett is dashing, knows that "polo" refers only to ponies, teaches her which direction to spoon soup, and tells of exotic escapades with Truman Capote and Hunter S. Thompson. Soon, Rosie is living with him on a swanky estate on Connecticut's Gold Coast, naively in sway to his moral ambivalence. A daughter — Miranda — is born, just as his current con goes awry forcing them to abscond in the middle of the night to the untamed wilderness of northern Vermont. Almost immediately, Bennett abandons them in an uninsulated cabin without a car or cash for weeks at a time, so he can tend a teaching

Access PDF Money A Love Story Untangle Your Financial Woes And Create The Life You Really Want

job that may or may not exist at an elite college. Rosie is forced to care for her young daughter alone, and to tackle the stubborn intricacies of the wood stove, snowshoe into town, hunt for wild game, and forage in the forest. As Rosie and Miranda ' s life gradually begins to normalize, Bennett ' s schemes turn malevolent, and Rosie must at last confront his twisted deceptions. Her actions have far-reaching and perilous consequences. An astounding new literary thriller from a celebrated author at the height of her storytelling prowess, *The Hare* bravely considers a woman ' s inherent sense of obligation – sexual and emotional – to the male hierarchy, and deserves to be part of our conversation as we reckon with #MeToo and the Brett Kavanaugh Supreme Court confirmation hearing. Rosie Monroe emerges as an authentic, tarnished feminist heroine. "With *The Hare*, Melanie Finn has written a powerful story of female perseverance, strength, and resilience. This book has rare qualities: beautiful writing while being absolutely unputdownable, and I will be pressing it into the hands of every reader I know." —Claire Fuller, author of *Bitter Orange*, *Our Endless Numbered Days*, and *Swimming Lessons*

Speak Your Truth

Presents twenty short mystery tales for young readers which contain hidden clues, with the answers under the flaps at the end of the book.

Making Life Easy

An instant New York Times bestseller! In this all-new collection of beloved quotes, *This Just Speaks to Me*, #1 New York Times bestselling author Hoda Kotb offers inspiration, wisdom, and hope 365 days a year. When her first collection of quotes, *I Really Needed This Today*, was published in 2019, Hoda never imagined how deeply her favorite words, stories, and memories would resonate with readers. People across the country were connected not only by the book's positive message, but through their generosity in sharing it with friends and family who needed a daily burst of inspiration. Hoda was truly touched by fans who shared "their quote" with her, the one that most moved them or someone they love. Now, to follow that remarkable experience, Hoda is back, with 365 new quotes and stories to share with her beloved readers. In *This Just Speaks to Me*, she writes about the people and moments that have enriched her life, discussing everything from motherhood and friendship to love and loss. The book also celebrates the countless acts of kindness that unfolded during these uniquely challenging times. Told with the same warmth, humor, and generosity that infused *I Really Needed This Today*, *This Just Speaks to Me* promises to be the next great companion book, each day elevated by Hoda's sparkle at a time when we may need it the most.

The Secret Power of Beauty

The highly anticipated next book in the New York Times bestselling, award-winning *Graceling Realm* series, which has sold 1.3 million copies. For the past five years, *Bitterblue* has reigned as Queen of Monsea, heroically rebuilding her nation after her father's horrific rule. After learning about the land of Torla in the east, she sends envoys to the closest nation there: *Winterkeep*--a place where telepathic foxes bond with humans, and people fly across the sky in wondrous airships. But when the envoys never return, having drowned under suspicious circumstances, *Bitterblue* sets off for *Winterkeep* herself, along with her spy Hava and her trusted colleague Giddon. On the way, tragedy strikes again--a tragedy with devastating political and personal ramifications. Meanwhile, in *Winterkeep*, Lovisa Cavenda waits and watches, a fire inside her that is always hungry. The teenage daughter of two powerful politicians, she is the key to unlocking everything--but only if she's willing to transcend the person she's been all her life.

How does an old woman who has outlived all her friends keep from being lonely? By naming the things in her life she knows she will never outlive—like her house, Franklin, and her bed, Roxanne. When a shy brown puppy appears at her front gate, the old woman won't name it, because it might not outlive her. Tender watercolors capture the charm of this heartwarming story of an old woman who doesn't know she's lonely until she meets a plucky puppy who needs a name—and someone to love. “ Rylant and Brown together create with affection and lovingly humorous touches a glimpse of old age lived with relish. ”
—Booklist

The Art of Passing the Buck, Vol I; Secrets of Wills and Trusts Revealed

Troubling Love

'The love of beauty involves a yearning which is not - and perhaps cannot be - fulfilled. For at the core of beauty is a conception of how we would like life to be and yet we know that life cannot be that way.' The notion of beauty is elusive- we love the things we find beautiful, and yet we are inarticulate when we try to communicate this love or describe its essence. There are people, works of art and places that are universally regarded as beautiful; but we also recognize the personal, individual character of our feel for beauty. In this lucid and lyrical exploration John Armstrong aims to deepen our response to beauty. And, he suggests, our capacity to discover and create beauty in everyday life is intimately connected to the pursuit of happiness.

The Dynamic Laws of Prosperity

"Would it be all right with you if life got easier?" Thousands worldwide have answered yes to that question at Dr. Maria Nemeth's breakthrough workshops, "You and Money," where they have learned how to build a powerful new relationship with money and bring their dreams to fruition. Now in *The Energy of Money*, Dr. Nemeth synthesizes spiritual and practical techniques to create a unique, authoritative program for achieving personal life goals and financial wealth. Combining a thorough self-help and self-discovery regimen with proven methods of money management from Nemeth's nationally successful seminars--including four steps to establishing a healthier relationship with money--this powerhouse guide to prosperity will help you uncover the hidden landscape of beliefs, patterns, and habits that underlie and sometimes subvert your everyday use of money and personal resources. Through exercises and meditations, worksheets, and other interactive processes, Dr. Nemeth takes you on a journey from which you will discover your sources of personal power and financial fulfillment; work through inner obstacles to your success and happiness; and harness the energy of money to realize your most cherished goals and aspirations. "Money is congealed energy," said Joseph Campbell, and releasing it releases life's possibilities. *The Energy of Money* is clear, down-to-earth, and inspiring. It will guide you to financial success and help you manifest your special contribution to the world. From the Hardcover edition.

Mini Mysteries 3

Can you really have the best of both worlds? He's rich, successful—and has been faithfully married to his longtime girlfriend for nearly one grueling year. Because for Dr. Dorian Graham, too many women is never too much—no matter how loyal his wife, Shantae, has been since their college days. So when she proposes they celebrate their first anniversary by each spending a no-questions-asked, no-consequences night with their greatest temptation, Dorian is shocked, but can't resist. Especially since Shantae's wild-card younger sister, Reagan, is gorgeous, uninhibited—and the one who got away . . . It turns out one sizzling night with Reagan isn't enough. Yet the more Dorian takes, the more she demands—and the more he suddenly has to lose. Soon, with his mind games being used against him and his every move checkmated, Dorian will be

forced to go all-in on one last desperate play to win. But winning might just be another way to crash and burn . . . Praise for *The Wives We Play* “ Drama, drama, drama! ” —Cydney Rax “ Thrilling, unique, and so addicting! Briana Cole brings a spin to a taboo lifestyle that had me hooked from the first page. . . . A fantastic, enthralling novel that should not be missed! ” —Shanora Williams, New York Times bestselling author of *Dear Mr. Black* “ Tempestuous, gripping, and downright salacious! Briana Cole explores the complexities of love while twirling on the razor ’ s edge of twisted betrayals. A phenomenal, cinematically written debut! ” —N ’ TYSE

It's Never about the Money Even when it is

"Northrup explores [what she feels is] the essential truth that has guided her ever since medical school: our bodies, minds, and souls are profoundly intertwined. Making life flow with ease, and truly feeling your best, is about far more than physical health; it's also about having a healthy emotional life and a robust spiritual life. When you view your physical well-being in isolation, life can become a constant battle to make your body 'behave'" --Dust jacket flap.

Identity Theft, Inc.

When we feel that we aren't enough, or that we aren't good enough, we also fear that we'll never have enough. Money. We love it. We hate it. If we don't have enough, we're struggling to get more. If we do have it, we're fighting to hold on to it. Why does money have to be such a source of anxiety? Is it possible to find peace? Yes! According to master integrative coach Nancy Levin, the real key to creating financial freedom isn't changing what we do, it's changing our limiting beliefs-and that requires more than learning how to invest. In *Worthy*, Nancy makes an essential, eye-opening connection- the state of our net worth is a direct reflection of our self-worth. Then she shows us how to get to the root of the problem and do the internal work that's needed to replace feelings of unworthiness with a solid sense of our own value. Filled with inspiring real-life stories and thought-provoking questions and answers, her 10-step plan helps us to- - Get real about the money issues we face every day - Examine the excuses we use to avoid creating the life we really want - Be willing to see ourselves as worthy of abundance in all its forms - Take back our financial power-and watch amazing things start to happen Whether we're looking for financial ease or a new relationship with money and ourselves, *Worthy* will give us the tools to clear the path for wholeness, fulfillment, and richness in all areas of our lives, not just in our bank accounts.

Things are Disappearing Here

The secrets Catherine Ponder reveals are not secrets at all but universal truths for health, love, success and peace. As she explores these dynamic laws of prosperity, she shares actual success stories to help those of us who are uncertain. Here you will find plenty of practical advice for using divine power to overcome difficulties and achieve happiness. Everyone can benefit from this book. This book plainly shows how prosperous thinking has helped people in every walk of life to experience these results. Furthermore, it shows how prosperous thinking can do these things for you, too!

The Great Ones

A woman goes home to Naples after her mother ’ s mysterious death in a “ tour de force ” by the New York Times – bestselling author of *My Brilliant Friend* (Seattle Times). Following her mother ’ s untimely and unexplained drowning, which was preceded by a series of strange phone calls, forty-five-year-old Delia leaves Rome and embarks on a voyage of discovery through the beguiling yet often hostile streets of her native Naples. She is searching for the truth about her family and the men in her mother ’ s life, past and

Access PDF Money A Love Story Untangle Your Financial Woes And Create The Life You Really Want

present, including an abusive husband. What she discovers will be more unsettling than she imagines, but will also reveal truths about herself, in this psychological mystery marked by “ tactile, beautifully restrained prose ” (Publishers Weekly) about mothers and daughters and the complicated knot of lies and emotions that binds them. “ Ferrante ’ s polished language belies the rawness of her imagery. ” —The New Yorker “ With the quick-paced mystery guiding the story, Delia explores her relationship with her mother, unraveling memories and secrets repressed since childhood and coming to terms with an upbringing filled with jealousy and violence . . . Troubling Love is vivid and powerful. ” —Library Journal

The Marriage Pass

"Find, challenge, and change the emotional issues that keep you from achieving your ideal weight. Learn why you shouldn't exercise for results and how to pinpoint what's keeping you from losing weight."--Back cover.

The Hare

From the award-winning Southern writer who Roxane Gay calls "a consummate storyteller" comes a cathartic novel about the life-changing weekend shared between two strangers: a therapist and the man she prevents from ending his life. On a rainy October night in Kentucky, recently divorced therapist Tallie Clark is on her way home from work when she spots a man precariously standing on the side of a bridge. Without a second thought, Tallie pulls over and jumps out of the car into the pouring rain. She convinces the man to join her for a cup of coffee, and he eventually agrees to come back to her house, where he finally shares his name: Emmett. Over the course of the emotionally charged weekend that follows, Tallie makes it her mission to provide a safe space for Emmett, though she hesitates to confess that this is also her day job. But what she doesn't realize is that he's not the only one who needs healing -- and she's not the only one with secrets. Alternating between Tallie and Emmett's perspectives as they inch closer to the truth of what brought Emmett to the bridge's edge -- as well as the hard truths Tallie has been grappling with in her own life -- This Close to Okay is a vibrant, powerful story of two strangers brought together by wild chance at the moment they needed each other most.

This Close to Okay

“ HONEY GIRL is an emotional, heartfelt, charming debut, and I loved every moment of it. ” — Jasmine Guillory, New York Times bestselling author of The Proposal With her newly completed PhD in astronomy in hand, twenty-eight-year-old Grace Porter goes on a girls ’ trip to Vegas to celebrate. She ’ s a straight A, work-through-the-summer certified high achiever. She is not the kind of person who goes to Vegas and gets drunkenly married to a woman whose name she doesn ’ t know . . . until she does exactly that. This one moment of departure from her stern ex-military father ’ s plans for her life has Grace wondering why she doesn ’ t feel more fulfilled from completing her degree. Staggering under the weight of her parent ’ s expectations, a struggling job market and feelings of burnout, Grace flees her home in Portland for a summer in New York with the wife she barely knows. In New York, she ’ s able to ignore all the constant questions about her future plans and falls hard for her creative and beautiful wife, Yuki Yamamoto. But when reality comes crashing in, Grace must face what she ’ s been running from all along—the fears that make us human, the family scars that need to heal and the longing for connection, especially when navigating the messiness of adulthood.

This Just Speaks to Me

Johann Wolfgang von Goethe is often remembered only as a figure of literary genius, with little relevance to the way we live today. Yet Goethe was driven by much more than the desire for literary success- he wanted

Access PDF Money A Love Story Untangle Your Financial Woes And Create The Life You Really Want

(much the same as us) to live life well. In *Love, Life, Goethe*, John Armstrong subtly and imaginatively explores the ways that we can learn from Goethe, whether in love, suffering, friendship or family. At the centre of this project is happiness- in an imperfect world, how can we live well with what we have, and accept what we haven't? From our lives at home, to our relationships, the politicians we choose, and our relationship with money, John Armstrong explores the main themes of our lives through the life of Goethe, and helps us learn how to live.

Love, Life, Goethe

Following his widely acclaimed *Project X* and *Love and Hydrogen*— “ Here is the effect of these two books, ” wrote the *Chicago Tribune*: “ A reader finishes them buzzing with awe ” —Jim Shepard now gives us his first entirely new collection in more than a decade. *Like You ' d Understand, Anyway* reaches from Chernobyl to Bridgeport, with a host of narrators only Shepard could bring to pitch-perfect life. Among them: a middle-aged Aeschylus taking his place at Marathon, still vying for parental approval. A maddeningly indefatigable Victorian explorer hauling his expedition, whaleboat and all, through the Great Australian Desert in midsummer. The first woman in space and her cosmonaut lover, caught in the star-crossed orbits of their joint mission. Two Texas high school football players at the top of their food chain, soliciting their fathers ' attention by leveling everything before them on the field. And the rational and compassionate chief executioner of Paris, whose occupation, during the height of the Terror, eats away at all he holds dear. Brimming with irony, compassion, and withering humor, these eleven stories are at once eerily pertinent and dazzlingly exotic, and they showcase the work of a protean, prodigiously gifted writer at the height of his form. Reading Jim Shepard, according to Michael Chabon, “ is like encountering our national literature in microcosm. ”

One of the Good Ones

Two world wars, the Civil Rights movement, and a Jheri curl later, Blacks in America continue to have a complex and convoluted relationship with their hair. From the antebellum practice of shaving the head in an attempt to pass as a "free" person to the 1998 uproar over a White third-grade teacher's reading of the book *Nappy Hair*, the issues surrounding African American hair continue to linger as we enter the twenty-first century. *Hair Story* is a historical and anecdotal exploration of Black Americans' tangled hair roots. A chronological look at the culture and politics behind the ever-changing state of Black hair from fifteenth-century Africa to the present-day United States, it ties the personal to the political and the popular. Read about: * Why Black American slaves used items like axle grease and eel skin to straighten their hair. * How a Mexican chemist straightened Black hair using his formula for turning sheep's wool into a minklike fur. * How the Afro evolved from militant style to mainstream fashion trend. * What prompted the creation of the Jheri curl and the popular style's fall from grace. * The story behind Bo Derek's controversial cornrows and the range of reactions they garnered. Major figures in the history of Black hair are presented, from early hair-care entrepreneurs Annie Turnbo Malone and Madam C. J. Walker to unintended hair heroes like Angela Davis and Bob Marley. Celebrities, stylists, and cultural critics weigh in on the burgeoning sociopolitical issues surrounding Black hair, from the historically loaded terms "good" and "bad" hair, to Black hair in the workplace, to mainstream society's misrepresentation and misunderstanding of kinky locks. *Hair Story* is the book that Black Americans can use as a benchmark for tracing a unique aspect of their history, and it's a book that people of all races will celebrate as the reference guide for understanding Black hair.

No Picnic on Mount Kenya

This “ irresistible novel ” of Chinese immigrants navigating the American dream is “ startling [and] heartrending, without ever losing its comic touch ” (*Entertainment Weekly*). Gish Jen reinvents the

Access PDF Money A Love Story Untangle Your Financial Woes And Create The Life You Really Want

American immigrant story through the Chang family, who first come to the United States with no intention of staying. But when the Communists assume control of China in 1949, Ralph Chang, his sister Theresa, and his wife Helen find themselves in a crisis, struggling to cling to their old-world ideas of themselves. But soon they begin to dream the American dream of self-invention. They transform, poignantly and ironically, from people who disparage all that is “ typical American ” to people who aspire to the American ideal. With droll humor and a deep empathy for her characters, Gish Jen creates a superbly engrossing story that sparkles with wit while challenging the reader to reconsider what it means to be a typical American. “ No paraphrase could capture the intelligence of Gish Jen ’ s prose, its epigrammatic sweep and swiftness . . . The author just keeps coming at you line after stunning line. ” —The New York Times Book Review

Honey Girl

An "LGBTQ Book That Will Change The Literary Landscape in 2021" —O, The Oprah Magazine "Piercing. It shook me, and it made me see. ” —Victor LaValle Summer 1999. Long Island, New York. Bored, restless, and lonely, Ali never expected her life would change as dramatically as it did the day she walked into the local Stop & Shop. But she ’ s never met anyone like Justine, the store ’ s cashier. Justine is so tall and thin she looks almost two-dimensional, and there ’ s a dazzling mischief in her wide smile. “ Her smile lit me up and exposed me all at once, ” Ali admits. “ Justine was the light shining on me and the dark shadow it cast, and I wanted to stand there forever in the relief of that contrast. ” Ali applies for a job on the spot, securing a place for herself in Justine ’ s glittering vicinity. As Justine takes Ali under her wing, Ali learns how best to bag groceries, what foods to eat (and not to eat), how to shoplift, who to admire, and who she can become outside of her cold home, where her inattentive grandmother hardly notices the changes in her. Ali becomes more and more fixated on Justine, reshaping herself in her new idol ’ s image, leading to a series of events that spiral from superficial to seismic. Justine, Forsyth Harmon ’ s illustrated debut, is an intimate and unflinching portrait of American girlhood at the edge of adulthood—one in which obsession hastens heartbreak.

Worthy

A shockingly powerful exploration of the lasting impact of prejudice and the indomitable spirit of sisterhood that will have readers questioning what it truly means to be an ally, from sister-writer duo Maika Moulite and Maritza Moulite, authors of *Dear Haiti, Love Alaine*. ISBN ’ T BEING HUMAN ENOUGH? When teen social activist and history buff Kezi Smith is killed under mysterious circumstances after attending a social justice rally, her devastated sister Happi and their family are left reeling in the aftermath. As Kezi becomes another immortalized victim in the fight against police brutality, Happi begins to question the idealized way her sister is remembered. Perfect. Angelic. One of the good ones. Even as the phrase rings wrong in her mind—why are only certain people deemed worthy to be missed?—Happi and her sister Genny embark on a journey to honor Kezi in their own way, using an heirloom copy of *The Negro Motorist Green Book* as their guide. But there ’ s a twist to Kezi ’ s story that no one could ’ ve ever expected—one that will change everything all over again. Praise for the Moulites ’ debut novel, *Dear Haiti, Love Alaine* “ I couldn ’ t put *Dear Haiti, Love Alaine* down! ” —New York Times bestselling author Jasmine Guillory “ An enchanting and engrossing novel full of wit and laughter. ” —Edwidge Danticat, author of *Breath, Eyes, Memory* “ Remarkable, funny, and whip-smart. ” —Ibi Zoboi, author of *American Street*, National Book Award finalist “ Maika and Maritza Moulite have created quite the masterpiece. ” —NPR.org “ Alaine ’ s sarcastic quips. . .are worth the price of admission alone. ” —HYPEBAE “ A beautiful story from start to finish. ” —Buzzfeed

Daphne Du Maurier

The Old Woman Who Named Things

An identity thief recounts how he pulled off the cybercrime of the century—and got away with it—in this true crime memoir. Identity theft is the crime of the century—so says con man turned security consultant Frank Abagnale in his book *Catch Me If You Can*. So here, then, is the true-crime book of the century: the life and crimes of expert identity thief Glen Hastings. Hastings takes readers inside the world of cutting-edge cybercrime, revealing how he got rich off of assuming the identities of hundreds of unsuspecting people. Beyond detailing the secrets of the trade, Hastings shares the wild but true stories about his many impersonations. But while many of these stories have entertaining and incredible twists, Hastings is making his story public in order to repent for his crimes. He offers expert tips on how to protect yourself from the gangs of ID thieves thriving in the real and virtual worlds of today.

WHORES FOR GLORIA

'Fearne Cotton is a tireless seeker of the truth, and a wonderful communicator of sanity, hope, and (most refreshingly of all) reality. This is, simply put, a beautiful book.' Elizabeth Gilbert, author of *Eat, Pray, Love* and *Big Magic* 'During a time where misinformation is spreading faster than ever and people are finding it hard to keep it real, Fearne shows us the power of living in our truth. She has a magical way of making us feel understood through her compelling storytelling, while showing us a path to a more authentic life.' Vex King, author of *Good Vibes, Good Life* 'This book is going to help a lot of people.' Philippa Perry, author of *The Book You Wish Your Parents Had Read* 'We need truth talkers more than we ever have right now. Wild, bold, connected truth talkers. Fearne takes our hand and shows us how to be one by treading the wild, vulnerable path first.' Sarah Wilson, author of *First, We Make the Beast Beautiful* Fearne Cotton's voice is familiar to millions, whether that's through television, radio or on her hugely successful *Happy Place* podcast. Her voice is her career, her livelihood and the way she communicates with her audience and her loved ones. So, when Fearne's doctor told her she was at risk of needing a throat operation followed by two weeks of being unable to speak, she found herself facing a period of unexpected contemplation. As she considered what silence would mean, Fearne began to think about other times her voice had gone unheard - as a young woman, as 'just the talent', as the foil to louder, more dominant figures. She found herself wondering, at what point do we internalise this message, and start silencing ourselves? When do we swallow down our authentic words to become pleasers and compromisers at the cost of our own happiness or wellbeing? *Speak Your Truth* dives into all the ways we learn to stay quiet for the wrong reasons, and explores how to find your voice, assert yourself and speak out with confidence. Brave, vulnerable and deeply personal, *Speak Your Truth* shares Fearne's compelling story and helps you to shape your own.

The Energy of Money

Red Rock Baby Candy

" A dreamscape of a book. I adored this compelling, wise, and utterly unique coming-of-age tale. " —Tara Conklin For seven-year-old M, the world is guided by a firm set of principles, based on her father D ' s life as a traveling salesman. Enchanted by her father ' s trade, M convinces him to take her along on his routes, selling hardware supplies against the backdrop of Pinochet-era Chile. As father and daughter trek from town to town in their old Renault, M ' s memories and thoughts become tied to a language of rural commerce, philosophy, the cosmos, hardware products, and ghosts. M, in her innocence, barely notices the rising tensions and precarious nature of their work until she and her father connect with an enigmatic photographer, E, whose presence threatens to upend the unusual life they ' ve created. Mar í a Jos é Ferrada expertly captures a vanishing way of life and a father-daughter relationship on the brink of

irreversible change. At once nostalgic, dangerous, sharply funny, and full of delight and wonder, *How to Order the Universe* is a richly imaginative debut and a rare work of magic and originality.

Current Opinion

In this moving and revealing memoir, Flavia Leng paints a powerful portrait of her mother, Daphne du Maurier. She presents an account of an unusual and often lonely childhood spent in London and especially Cornwall, at her mother's beloved home, Menabilly. Family friends included Nelson and Ellen Doubleday, Gertrude Lawrence and Noel Coward. However, at the centre of this story is Daphne du Maurier herself. The book reveals a writer with a deep attachment to Cornwall, where she put down her roots and found inspiration for her novels, and who spent much of her life as a recluse, withdrawn not only from the outside world but also from members of her own family. A picture emerges of a woman who lived in a world of her own creation that was beyond the comprehension of those around her. At a time when more information is emerging about Daphne du Maurier, this is a book which will add greatly to the public's perception of one of the twentieth century's most admired but least understood novelists.
