Shares new documents to expose the sinister alien influence in world governments, financial systems, and scientific institutions throughout history • Shows how Eisenhower's treaty with the Greys, signed at Holloman Air Force Base in 1954, gave the aliens authority to abduct humans for "research" • Reveals how Reptilian-influenced ex-Nazis infiltrated the U.S. government • Explains how the Reptilians have created alien-human hybrids under their control to replace the human population Long ago, the Galactic Federation sent the Atlans, a fierce group of humans from the Pleiades, to Earth to confront the newest colony of the combative ever-spreading alien race known as the Reptilians. The ensuing battle sank the continent of Lemuria and drove the Reptilians underground beneath the Indian subcontinent as well as to Antarctica. Able to shapeshift to appear human, the Reptilians then infiltrated the Atlantean civilization, abducting humans and creating Reptilian hybrids. As Len Kasten shows, this technique of infiltration and hybridization prior to an all-out attack has been the hallmark of Reptilian conquest throughout the galaxy. Chronicling the history of the Reptilian Empire's influence on Earth and their conquest of 21 star systems, Kasten reveals how the human race is enmeshed in a skillfully concealed plot to enslave humanity and exploit our planet's physical and biological resources. Revealing Hitler's pact with extraterrestrials and the Reptilian influence on the Nazi state, he shares new documents that disclose the rescue and rehabilitation of Nazi war criminals to assist in the Cold War, which then corrupted many U.S. government institutions. Focusing on crucial events in the decade after World War II, he examines the Reptilians' human allies, the Illuminati, who control the levers of financial, technological, and military power throughout the world through various secret societies. He shows how Eisenhower's treaty with the Greys, signed at Holloman Air Force Base in 1954, gave the aliens permission to take

humans up to their spaceships, ostensibly for genetic study--in return for alien technology--and how these abductions led to the creation of a hybrid race under Reptilian mind control. He also explains how Kennedy was assassinated by the CIA because of his plans to rout out this Nazi-Reptilian presence. Contrasting the Reptilians with the benevolent Ebens, the aliens from Zeta Reticuli who crashed at Roswell, Kasten exposes the stealthy tactics of the Reptilians, their relationship with the Greys, and their advanced genetic bio-technology and teleportation abilities--as well as what we need to do to defeat their plans.

The Black Sun

Area 51 It is the most famous military installation in the world. And it doesn't exist. Located a mere seventy-five miles outside of Las Vegas in Nevada's desert, the base has never been acknowledged by the U.S. government--but Area 51 has captivated imaginations for decades. Myths and hypotheses about Area 51 have long abounded, thanks to the intense secrecy enveloping it. Some claim it is home to aliens, underground tunnel systems, and nuclear facilities. Others believe that the lunar landing itself was filmed there. The prevalence of these rumors stems from the fact that no credible insider has ever divulged the truth about his time inside the base. Until now. Annie Jacobsen had exclusive access to nineteen men who served the base proudly and secretly for decades and are now aged 75-92, and unprecedented access to fifty-five additional military and intelligence personnel, scientists, pilots, and engineers linked to the secret base, thirty-two of whom lived and worked there for extended periods. In Area 51, Jacobsen shows us what has really gone on in the Nevada desert, from testing nuclear weapons to building super-secret, supersonic jets to pursuing the War on Terror. This is the first book based on interviews with eye witnesses to Area 51 history, which makes it the seminal work on the subject. Filled with formerly classified information that has never been accurately decoded for the public, Area 51 weaves the mysterious activities of the top-secret base into a gripping narrative, showing that facts are often more fantastic than fiction, especially when the distinction is almost impossible to make.

Alien Invasion in My Backyard

A NEW YORK TIMES 100 NOTABLE BOOKS OF 2019 SELECTION From #1 New York Times bestselling author Stephen King, the most riveting and unforgettable story of kids confronting evil since It. In the middle of the night, in a house on a quiet street in suburban Minneapolis, intruders silently murder Luke Ellis's parents and load him into a black SUV. The operation takes less than two minutes. Luke will wake up at The Institute, in a room that looks just like his own, except there's no window. And outside his door are other doors, behind which are other kids with special talents--telekinesis and telepathy--who got

to this place the same way Luke did: Kalisha, Nick, George, Iris, and ten-year-old Avery Dixon. They are all in Front Half. Others, Luke learns, graduated to Back Half, "like the roach motel," Kalisha says. "You check in, but you don't check out." In this most sinister of institutions, the director, Mrs. Sigsby, and her staff are ruthlessly dedicated to extracting from these children the force of their extranormal gifts. There are no scruples here. If you go along, you get tokens for the vending machines. If you don't, punishment is brutal. As each new victim disappears to Back Half, Luke becomes more and more desperate to get out and get help. But no one has ever escaped from the Institute. As psychically terrifying as Firestarter, and with the spectacular kid power of It, The Institute is Stephen King's gut-wrenchingly dramatic story of good vs. evil in a world where the good guys don't always win.

They Know Us Better Than We Know Ourselves

Relates the author's experience of alien abduction and government manipulation as he discovered his role in a time-travel experiment called the Montauk Project

The Institute

This sequel to The Montauk Project (see above) continues the pursuit of the mystery of time travel, the Philadelphia Experiment, and the Montauk Military base near New York City. It goes beyond the original time travel experiments and reveals the mysterious associations of the Cameron Clan with the genesis of American rocketry, the bizarre history of the electronic transistor and the magick of Aleister Crowley, Jack Parsons, and more.

History of the Colony of New Haven

The Philadelphia Experiment was Einsteins experiment in which he had not only discovered, in 1943, the way to make things invisible and transport them at great speeds, but also positively proven scientifically, physically and spiritually that God Almighty exists! He had literally discovered God! That question, Is there a God?, thats been going through peoples minds for so long, discussed on the street corner, talked about on the porch on a hot summers night, is now a proven fact

The Indigo Child is a boy or girl who displays a new and unusual set of psychological attributes, revealing a pattern of behavior generally undocumented before. Throughout this work, Carroll and Tober bring together some very fine minds (doctors, educators, psychologists, and more) who shed light on the Indigo Child phenomenon. These children come in "knowing" who they are--so they must be recognized, celebrated

for their exceptional qualities, and guided with love and care. This book is a must for parents!

The Montauk Project - Experiments in Time

In 1999, a teenager reported seeing crop circles and mysterious lights on the field beside his house in Hoeven, Holland. Within two weeks he reported more variations on this scene. Through interviews with a biophysicist, mathematician, a geologist and others, Howe researched the phenomenon for authenticity and now reports her findings.

Pyramids of Montauk

The ancient uniformly alluded to an arcane language, sometimes described as Vril or Babylonian, which was once common to all mankind, connected to the mind of God and also served as an inter-species and inter-universal language. Fully illustrated with exercises, dream and hyperspace dictionaries, and the most complete rendering of the hyperspace language available.

A journalist's twenty-year fascination with the Manson murders leads to shocking new revelations about the FBI's involvement in this riveting reassessment of an infamous case in American history. Over two grim nights in Los Angeles, the young followers of Charles Manson murdered seven people, including the actress Sharon Tate, then eight months pregnant. With no mercy and seemingly no motive, the Manson Family followed their leader's every order -- their crimes lit a flame of paranoia across the nation, spelling the end of the sixties. Manson became one of history's most infamous criminals, his name forever attached to an era when charlatans mixed with prodigies, free love was as possible as brainwashing, and utopia -- or dystopia -- was just an acid trip away. Twenty years ago, when journalist Tom O'Neill was reporting a magazine piece about the murders, he worried there was nothing new to say. Then he unearthed shocking evidence of a cover-up behind the "official" story, including police carelessness, legal misconduct, and potential surveillance by intelligence agents. When a tense interview with Vincent Bugliosi -- prosecutor of the Manson Family and author of *Helter Skelter* -- turned a friendly source into a nemesis, O'Neill knew he was onto something. But every discovery brought more questions: Who were Manson's real friends in Hollywood, and how far would they go to hide their ties? Why didn't law enforcement, including Manson's own parole officer, act on their many chances to stop him? And how did Manson -- an illiterate ex-con --

turn a group of peaceful hippies into remorseless killers? O'Neill's quest for the truth led him from reclusive celebrities to seasoned spies, from San Francisco's summer of love to the shadowy sites of the CIA's mind-control experiments, on a trail rife with shady cover-ups and suspicious coincidences. The product of two decades of reporting, hundreds of new interviews, and dozens of never-before-seen documents from the LAPD, the FBI, and the CIA, Chaos mounts an argument that could be, according to Los Angeles Deputy District Attorney Steven Kay, strong enough to overturn the verdicts on the Manson murders. This is a book that overturns our understanding of a pivotal time in American history.

The Hidden Oracle (The Trials of Apollo Book 1)

This is the mysterious manuscript authored by a U.S. Government insider. It describes, in amazing detail, the inter relationship between the U.S. Government and several extraterrestrials societies with whom we have working agreements. I've been told this information was once classified as "Above Top Secret" and that this information was never intended to be released to the public! The Blue Planet Project Book contains all the amazing notes and drawings made by the scientist. The scientist visited various UFO crash sites, and the notes and drawings were allegedly made from those visits. It is believed that this anonymous scientist (more info revealed in book) was contracted by the government over several years to visit all crash sites, interrogate captured Alien Life Forms and analyze all data gathered from that endeavor. This book compiled from what is believed

to be the original and complete information. In keeping with the format of the original information that was in a binder format, this book has been published in a full size 8.5 x 11 page size and bound in a comb binding format. This makes it easier to lay flat and open pages fully for easier reading and studying. We believe this to be the most complete, accurate and highest quality version of this book available. Be cautious of inferior editions and eBook versions which have been reported by reviewers to be of inferior quality and may be difficult to read.

What if you started a club to solve other kinds of mysteries. Not huge crimes or weird stuff, but everyday mysteries that happen to everyone, like whatever happened to that game controller we lost? Area 51

In DIMENSIONS, the first volume of a trilogy, Dr. Jacques Vallee reexamines the historical record that led to the modern UFO phenomenon and to the belief in alien contact. He then tackles the enigma of abduction reports, which come from various times and various countries, as well as the psychic and spiritual components of the contact experience. In the last portion of the book, he notes the

factors that inhibit research into the phenomenon--the triple coverup and political motivations--and concludes that the extraterrestrial theory is simply not strange enough to explain the facts.

Each of us are alive for a very limited time. Or are we? What if we could live not just for a century, but for millennia? What if there

were a way for us to never die? Is such a thing even remotely possible? It may not only be feasible; it may very well have been achieved in the distant past. Ancient aliens may well have uncovered the secrets behind slowing, and ultimately completely stopping, the aging process. History is filled with accounts of fantastic beings, powerful gods, and half-human/half-alien entities that had extraordinarily long lifespans. Many such stories are now largely dismissed as nothing more than the stuff of legend, folklore, and mythology. But what if the accounts are all too real? Highlights of Immortality of the Gods include: The story of the legendary Anunnaki, how they achieved everlasting life, and why they shared their secrets with Noah, Methuselah, and other biblical figures. The saga of Gilgamesh, a long-lived part-human, part-extraterrestrial Sumerian ruler who was obsessed with immortality. A study of the claims that one of the reasons for the 2003 invasion of Iraq was to uncover the millennia-old secrets of white powder gold, a manna-like substance that supposedly rejuvenates cells and tissue.

The Music of Time

The bestselling author of *All the Shah's Men* and *The Brothers* tells the astonishing story of the man who oversaw the CIA's secret drug and mind-control experiments of the 1950s and '60s. The visionary chemist Sidney Gottlieb was the CIA's master magician and gentlehearted torturer—the agency's "poisoner in chief." As head of the MK-ULTRA mind control project, he directed brutal experiments at secret prisons on three continents. He made pills, powders, and potions that could kill or maim without a trace—including some intended for Fidel Castro and other foreign leaders. He paid prostitutes to lure clients to CIA-run bordellos, where they were secretly dosed with mind-altering drugs. His experiments spread LSD across the United States, making him a hidden godfather of the 1960s counterculture. For years he was the chief supplier of spy tools used by CIA officers around the world. Stephen Kinzer, author of groundbreaking books about U.S. clandestine operations, draws on new documentary research and original interviews to bring to life one of the most powerful unknown Americans of the twentieth century. Gottlieb's reckless experiments on "expendable" human subjects destroyed many lives, yet he considered himself deeply spiritual. He lived in a remote cabin without running water, meditated, and rose before dawn to milk his goats. During his twenty-two years at the CIA, Gottlieb worked in the deepest secrecy. Only since his death has it become possible to piece together his astonishing career at the intersection of extreme science and covert action. *Poisoner in Chief* reveals him as a clandestine conjurer on an epic scale.

The TRUTH About The PHILADELPHIA EXPERIMENT

After fifty years of widespread speculation about UFOs and abductions by aliens, a distinguished historian and UFO researcher presents the

first evidence-based explanation of alien intentions. Based on over thirty years of personal research, Professor Jacobs exposes the aliens' profoundly alarming agenda: to create a breed of alien-human 'hybrids' who will eventually colonise - and control - Earth. He explains why aliens are here, what they want and why their agenda has been kept secret. In doing so he presents a disturbing picture of a profoundly changed future in which humans will be relegated to inferior status. This incredible story is all the more remarkable because every account of an alien abduction is thoroughly documented and is corroborated by independent testimony. This book answers in astonishing depth some of the most important questions about the UFO phenomenon that researchers have been asking since the beginning of the controversy.

True World History

A voyage of exploration to the outer reaches of our inner lives. UFOs are a myth, says David J. Halperin—but myths are real. The power and fascination of the UFO has nothing to do with space travel or life on other planets. It's about us, our longings and terrors, and especially the greatest terror of all: the end of our existence. This is a book about UFOs that goes beyond believing in them or debunking them and to a fresh understanding of what they tell us about ourselves as individuals, as a culture, and as a species. In the 1960s, Halperin was a teenage UFOlogist, convinced that flying saucers were real and that it was his life's mission to solve their mystery. He would become a professor of religious studies, with traditions of heavenly journeys his specialty. With *Intimate Alien*, he looks back to explore what UFOs once meant to him as a boy growing up in a home haunted by death and what they still mean for millions, believers and deniers alike. From the prehistoric Balkans to the deserts of New Mexico, from the biblical visions of Ezekiel to modern abduction encounters, *Intimate Alien* traces the hidden story of the UFO. It's a human story from beginning to end, no less mysterious and fantastic for its earthliness. A collective cultural dream, UFOs transport us to the outer limits of that most alien yet intimate frontier, our own inner space.

Healing Archetypes and Symbols

Since its emergence in the 1960s, belief in alien abduction has saturated popular culture, with the ubiquitous image of the almond-eyed alien appearing on everything from bumper stickers to bars of soap. Drawing on interviews with alleged abductees from the New York area, Bridget Brown suggests a new way for people to think about the alien phenomenon, one that is concerned not with establishing whether aliens actually exist, but with understanding what belief in aliens in America may tell us about our changing understanding of ourselves and our place in the world. *They Know Us Better Than We Know Ourselves* looks at how the belief in abduction by extraterrestrials is

constituted by and through popular discourse and the images provided by print, film, and television. Brown contends that the abduction phenomenon is symptomatic of a period during which people have come to feel increasingly divested of the ability to know what is real or true about themselves and the world in which they live. The alien abduction phenomenon helps us think about how people who feel left out create their own stories and fashion truths that square with their own experience of the world.

Bloodline of the Gods

Are significant numbers of humanity the product of an ancient and advanced alien civilization? Have we, across the millennia, been periodically modified and refined as a species? In short, has our genetic make-up been manipulated by otherworldly beings that view human civilization as one big lab experiment? These are controversial and thought-provoking questions. They are also questions that demand answers, answers that may very well be found by examining those people whose blood type is Rh negative. The vast majority of humankind—85 to 90 percent—is Rh positive, which means a person's red blood cells contain an antigen directly connected to the Rhesus monkey. This antigen is known as the Rh factor. Each and every primate on the planet has this antigen, except for one: the remaining 10 to 15 percent of humans. If the theory of evolution is valid—that each and every one of us is descended from ancient primates—shouldn't we all be Rh positive? Yes, we should. But we're not. The Negatives are unlike the rest of us. They are different. They are the unique individuals whose bloodline may have nothing less than extraterrestrial origins.

Alien World Order

Through both examination of the crop circles and channeled investigation, *Crop Circles Revealed* explores a new understanding, to help the people of the world and our mother planet survive the new millenium. Scientific formulas of light and sound and the wisdom found in the mythologies of the ages are brought together in this up-to-the-minute 2001 edition.

Passport to the Cosmos

John Mack explored alien encounter experiences deeply, revealing a world of meaning and power that can revolutionize our understanding of who we are and our place in the cosmos. Dr. Mack suggests that such experiences reveal to us a universe which is filled with intelligence and life, though this may not always take the densely embodied form with which we are most familiar. This book brings us to the edge of

material reality and beyond, shattering the boundary that has separated matter and spirit and scientific or spiritual ways of knowing. Dr. Mack asks us to move beyond the largely useless debate about whether UFOs or abductions are real in a purely material sense. He shows us the limited way that we have used ourselves in learning about the cosmos, and challenges the limitations of traditional science as a way to learn about the multi-dimensional world in which we reside. Insights about the relationship between spiritual and physical energy; trauma's role in transformation; information about the ecological crisis facing the planet and the urgency that we do something about it; the possibility that human beings are participating in the creation of some sort of interdimensional hybrid race; the expansion of human consciousness and our spiritual reawakening; and the apparent evolution of extraordinary relationships that some human beings may be developing beyond the earth plane - these are the matters this book includes. Dr. Mack demonstrates that the investigations of a skilled clinician, exploring human consciousness through in-depth conversations, can reveal to us a multidimensional, apparently intelligent, cosmos whose nature is fundamentally consistent with the discoveries of leading scientists who have been gaining knowledge primarily through exploring the physical world.

For the first time, Preston reveals his employment at Brookhaven Labs and how his connections in the music industry were used for mind control and manipulation of the masses. The True Reality of Sexuality

Reveals the ongoing alien manipulation of humanity and how we can break free • Explores how the Anunnaki have maintained invisible surveillance over us and how they control our development through religion, secret societies, and catastrophes • Reveals how they feed off our energies and how this ability has allowed them to remain here on Earth as multidimensional entities, enforcing their control invisibly • Explains how they established religion to control us and how Gnostic Christianity--which came from Christ and not the Anunnaki--offers a way out of their matrix of control Cuneiform texts found on clay plates in Mesopotamia tell us about an extraterrestrial race, called the Anunnaki, who came from space to exploit our planet. Through genetic manipulation, they created modern humans from existing earthly life forms to serve them as slaves. They physically left our planet millennia ago, but as Jan Erik Sigdell reveals, their influence

and control over humanity is still pervasive and significant. Sigdell explains how the Anunnaki have maintained invisible surveillance over us as well as control over how humanity develops, setting limits on our evolution and holding back our development by means of manipulation and catastrophes, including the deluge immortalized in the Bible and many other ancient myths. He shows how they still manipulate our politics and affairs via secret societies, such as the Illuminati, and the political elite, such as the Bilderberg Group. Examining ancient descriptions of the Anunnaki as entities that resemble winged reptiles or amphibians, the author also explores their diet and how they feed off blood and the energies given off by lower life forms, such as humans, when they are expressing extreme negative emotions, having sex, or dying. This energy-feeding ability has allowed them to remain here on Earth as multidimensional entities, enforcing their control invisibly. He explains how the Anunnaki established religions as tools for control, setting up the major religions with themselves as "gods" and playing them against each other to keep humanity's attention away from ongoing Anunnaki manipulation. They have also hidden from us the existence of the true highest creator, who created the cosmos as well as the Anunnaki themselves. The author reveals how the highest creator sent a messenger called Jesus to expose the Anunnaki and show us a way out of their matrix of control through a spirituality based on love, empathy, and sacred sexuality. But the "god" of the Anunnaki defeated this messenger and replaced him with a false Christ. This led to the development of Paulinian Christianity under Anunnaki influence, as well as other parallel religions such as Islam, and the suppression and elimination of the original Christianity, Gnostic Christianity. With the discovery of hidden Gnostic texts and teachings at Nag Hammadi in 1945, the way is now paved for our release from the reign of the Anunnaki.
