My Gita by Devdutt Pattanaik is a contemporary approach to the Indian epic, Bhagavad Gita, presented in the simplest of ways. Pattanaik chooses to elaborate on the recurrent themes in The Gita by taking a personal approach to each one of them. And that is why he names the book - My Gita.

## My Gita

In My Gita you and I will explore eighteen themes of

The Gita. We will continuously journey between the outer world of relationships and the inner world of thoughts and emotions. We will begin by appreciating how we look at the world and ourselves (darshan).

Devdutt Pattanaik, the author of My Gita, is a very smart author. He has not only built a huge brand around his work but also explored multiple channels to reach out to his potential audience.
