Talkhani's story of grit is a portrait of a young woman who refused to let others define her.' Talkhani offers a fresh perspective on living as an outsider and examines her relationship with her mother and the challenges she faced when she experienced hair loss at a young age. Brosh’s debut marks the launch of a major new American humorist who will surely make even the biggest scrooge or snob laugh. We dare you not to. FROM THE AUTHOR: This is a book I wrote. Because I wrote it, I had to figure out what to put on the back cover to explain what it is. I tried to write a long, third-person summary that would imply how great the book is and also sound vaguely authoritative—like maybe someone who isn’t me wrote it—but I soon discovered that I’m not sneaky enough to pull it off convincingly. So I decided to just make a list of things that are in the book: Pictures Words Stories about things that happened to me

In her first memoir, award-winning novelist Yiyun Li offers a journey of recovery through literature: a letter from a writer to like-minded readers. "A meditation on the fact that literature itself lives and gives life."—Marilynne Robinson, author of Gilead "What a long way it is from one life to another, yet why write if not for that distance?" Startlingly original and shining with quiet wisdom, this is a luminous account of a life lived with books. Written over two years while the author battled suicidal depression, *Dear Friend, from My Life I Write to You in Your Life* is a painful and yet richly affirming examination of what makes life worth living. Yiyun Li grew up in China and has spent her adult life as an immigrant in a country not her own. She has been a

scientist, an author, a mother, a daughter—and through it all she has been sustained by a profound connection with the writers and books she loves. From William Trevor and Katherine Mansfield to Søren Kierkegaard and Philip Larkin, *Dear Friend* is a journey through the deepest themes that bind these writers together. Interweaving personal experiences with a wide-ranging homage to her most cherished literary influences, Yiyun Li confronts the two most essential questions of her identity: Why write? And why live? Praise for *Dear Friend*, from *My Life I Write to You in Your Life* “Li has stared in the face of much that is beautiful and ugly and treacherous and illuminating—and from her experience she has produced a nourishing exploration of the will to live willfully.”—*The Washington Post* “Li’s transformation into a writer . . . is nothing short of astonishing.”—*The New York Times Book Review* “An arrestingly lucid, intellectually vital series of contemplations on art, identity, and depression.”—*The Boston Globe* “Li is an exemplary storyteller and this account of her journey back to equilibrium, assisted by her closest companion, literature, is as powerful as any of her award-winning fiction, with the dark fixture of her Beijing past at its centre.”—*Financial Times* “Every writer is a reader first, and *Dear Friend* is Li’s haunted, luminous love letter to the words that shaped her. . . . Her own prose is both lovely and opaque, fitfully illuminating a radiant landscape of the personal and profound.”—*Entertainment Weekly* “Yiyun Li’s prose is lean and intense, and her ideas about books and writing are wholly original.”—*San Francisco Chronicle*

### Betty & Veronica: Senior Year

This highly acclaimed contemporary Argentinian novel is the first in Giramondo's Literature of the South series, featuring innovative fiction and non-fiction by writers of the southern

## File Type PDF My Lesbian Experience With Loneliness My Lesbian Experience With Loneliness 1

hemisphere. It is translated from the Spanish by Australian translator Alice Whitmore. All My Goodbyes is a novel told in overlapping vignettes, which follow the travels of a young Argentinian woman across Europe (Málaga, Madrid, Heidelberg, Berlin) and back to Argentina (Buenos Aires, Patagonia) as she flees from situation to situation, job to job, and relationship to relationship. Within the complexity of the narrator's situation, a backstory emerges about a brutal murder in Patagonia which she may or may not be implicated in, but whether this is the cause of her flight is never entirely clear – she is driven as much by psychological concerns, her relationship with her father, uncertainty about her identity and purpose in life. The novella is, as the title suggests, a catalogue of goodbyes, the result of a decade-long cycle of self-inflicted alienation which the narrator, despite herself, seems fated to perpetuate. In its structure it recalls the rich Argentinian tradition of Cortazar and Borges; its language is by turns stark and elaborate, brutal in its economy and yet poetic in its imagery. 'She is a writer of montage, of narrative leaps, of what she calls 'a fragmentary way of seeing'. In her writing we sense at once a farewell and a recognition, a greeting and a rupturing.' — Esther Cross 'All My Goodbyes is one of those books that spins intensity out of brevity. A novel in which careful prose, coupled with an ample and precise vocabulary, coexists with a gracefully non-linear novelistic form.' — Eduardo Berti

### Whenever Our Eyes Meet

Out of print for two decades, *Lesbian Nuns: Breaking Silence*, the explosive international best-seller, is back with a new foreword analyzing the unprecedented impact it had on the lesbian community and mainstream culture. In new afterwords, the co-editors reveal how the book came to be and what happened to their lives when, for the first time in history, a lesbian book from a small publisher went mainstream. Each nun in these stories describes her individual and searing path in, or out of, the convent to discover and face the truth of herself. Still myth-shattering, the stories remind us of the courage required to live—and love—in congruence with our authentic selves. "Oblivious to the controversies that surrounded the initial publication of *Lesbian Nuns: Breaking Silence*, whether they originated within the Catholic Church or the lesbian feminist movement, thousands of readers across the decades have embraced the book and found their lives changed by its message of empowerment." - Joanne E. Passet, Ph.D., Professor of History, Indiana University East
