Known and revered by golfers everywhere, St. Andrews was formed by members of the

Kingdom of Fife in 1754. The Royal and Ancient Golf Club stages the Open Championship annually and is responsible for the rules of golf throughout the world in conjunction with the United States Golf Association. Golf at St. Andrews, including never-before-seen photographs, is an interesting and detailed survey of the Old Course and an account of its rise as the Home of Golf. Author Keith Mackie begins by discussing Open Championships from 1873 to 1990, giving amusing anecdotes of the lives of players from Old Tom Morris to Jack Nicklaus, who wrote the foreword. Mackie then handles the subject of equipment; as golf equipment and the upkeep of courses has changed, so has the shape of the swing and the flight of the ball. Of course, Mackie presents the famous events at St. Andrews such as the Amateur Championships, the Walker Cup International between Britain and America, and the PGA Championship. He also includes a chapter on the management of the links: the fascinating details of the maintenance of the Old Course as well as advice on how to secure a start time. With *Golf at St. Andrews*, your introduction to the world's most famous course will be complete.

All the students in the class are assigned reading buddies, except for Adelaide. She already has one, a bear! And Adelaide is quite persuasive as she explains to her language arts teacher, Mrs. Fitz-Pea, and the reader, that bears really do make the best reading buddies: they sniff out good books and their claws are just right for turning pages. And the bear looks rather friendly (and studious) in these crayon-bright, contemporary illustrations, making this is must-read picture book for story time! We hung the walls with old French movie posters advertising the films of Marcel Pagnol, films that had already provided us with both a name and an ideal: to create a community of friends, lovers, and relatives that span generations and is in tune with the seasons, the land, and human appetites. So writes Alice Waters of the opening of Berkeley's Chez Panisse Café on April Fool's Day, 1980. Located above the more formal Chez Panisse Restaurant, the Café is a bustling neighborhood bistro where guests needn't reserve far in advance and can choose from the ever-changing à la carte menu. It's the place where Alice Waters's inventive chefs cook in a more impromptu and earthy vein, drawing on the healthful, low-tech traditions of the cuisines of such Mediterranean regions as Catalonia, Campania, and Provence, while improvising and experimenting with the best products of Chez Panisse's own regional network of small farms and producers. In the Chez Panisse Café Cookbook, the follow-up to the award-winning Chez Panisse Vegetables, Alice Waters and her team of talented cooks offer more than 140 of the café's best-recipes--some that have been on the menu since the day café opened and others freshly reinvented with the honesty and ingenuity that have made Chez Panisse so famous. In addition to irresistible recipes, the Chez Panisse Café Cookbook is filled with chapter-opening essays on the relationships Alice has cultivated with the farmers, foragers and purveyors--most of them within an hour's drive of Berkeley--who make it possible for Chez Panisse to boast that nearly all food is locally grown, certifiably organic, and sustainably grown and harvested. Alice encourages her chefs and cookbook readers alike to decide what to cook only after visiting the farmer's market or produce stand. Then we can all

fully appreciate the advantages of eating according to season--fresh spring lamb in late March, ripe tomato salads in late summer, Comice pear crisps in autumn. This book begins with a chapter of inspired vegetable recipes, from a vivid salad of avocados and beets to elegant Morel Mushroom Toasts to straightforward side dishes of Spicy Broccoli Raab and Garlicky Kale. The Chapter on eggs and cheese includes two of the café's most famous dishes, a garden lettuce salad with baked goat cheese and the Crostata di Perrella, the café's version of a calzone. Later chapters focus on fish and shellfish, beef, pork, lamb, and poultry, each offering its share of delightful dishes. You'll find recipes for curing your own pancetta, for simple grills and succulent braises, and for the definitive simple roast chicken--as well as sumptuous truffled chicken breasts. Finally the pastry cooks of Chez Panisse serve forth a chapter of uncomplicated sweets, including Apricot Bread Pudding, Chocolate Almond Cookies, and Wood Oven-baked Figs with Raspberries. Gorgeously designed and illustrated throughout with colored block prints by David Lance Goines, who has eaten at the café since the day it opened, Chez Panisse Café Cookbook is destined to become an indispensable classic. Fans of Alice Waters's restaurant and café will be thrilled to discover the recipes that keep them coming back for more. Loyal readers of her earlier cookbooks will delight in this latest collection of time-tested, deceptively simple recipes. And anyone who loves pure, vibrant, delicious fare made from the finest ingredients will be honored to add these new recipes to his or her repertoire.

In the 1970s the Quinault and Suquamish, like dozens of Indigenous nations across the United States, asserted their sovereignty by applying their laws to everyone on their reservations. This included arresting non-Indians for minor offenses, and two of those arrests triggered federal litigation that had big implications for Indian tribes' place in the American political system. Tribal governments had long sought to manage affairs in their territories, and their bid for all-inclusive reservation jurisdiction was an important, bold move, driven by deeply rooted local histories as well as pan-Indian activism. They believed federal law supported their case. In a 1978 decision that reverberated across Indian country and beyond, the Supreme Court struck a blow to their efforts by ruling in *Oliphant v. Suquamish Indian Tribe* that non-Indians were not subject to tribal prosecution for criminal offenses. The court cited two centuries of US legal history to justify their decision but relied solely on the interpretations of non-Indians. In *Reclaiming the Reservation*, Alexandra Harmon delves into Quinault, Suquamish, and pan-tribal histories to illuminate the roots of Indians' claim of regulatory power in their reserved homelands. She considers the promises and perils of relying on the US legal system to address the damage caused by colonial dispossession. She also shows how tribes have responded since 1978, seeking and often finding new ways to protect their interests and assert their sovereignty.

Olives, Lemons and Za'atar: The Best Middle Eastern Home Cooking

When's the last time you picked up a business book that was so engaging you couldn't put it down? Steve DiFillippo was only 24 when he opened his first Davio's restaurant. Since then, he's wowed Julia Child with his pomodoro, overlooked some triple-X rated shenanigans at Table 7, taken on American Express, gotten himself into Time and Newsweek (for taking on American Express), cooked a rabbit for Stevie Ray Vaughn, inadvertently gotten a guest divorced, whipped up some tasty eats at the Super Bowl--and that's just the beginning. The money hasn't been bad, either: that first restaurant is now the hub of a rapidly growing \$50 million restaurant brand group and a \$10 million Davio's brand food line. With guests constantly asking how he did it, Steve has written the ultimate guide to starting a restaurant, running a successful business, enjoying food, and living life. The 5.9 million restaurant workers who say they want to open their own restaurant will go nuts over this book, but so will anybody who loves food and the restaurant world--heck, anybody who wants to make money and have a blast doing it. As a special bonus, Steve includes twelve classic Davio's recipes.

"Every elegant page projects Keller's high standard of 'perfect culinary execution'. . . . This superb work is as much philosophical treatise as gorgeous cookbook." —Publishers Weekly, STARRED REVIEW Bound by a common philosophy, linked by live video, staffed by a cadre of inventive and skilled chefs, the kitchens of Thomas Keller's celebrated restaurants—The French Laundry in Yountville, California, and per se, in New York City—are in a relationship

unique in the world of fine dining. Ideas bounce back and forth in a dance of creativity, knowledge, innovation, and excellence. It's a relationship that's the very embodiment of collaboration, and of the whole being greater than the sum of its parts. And all of it is captured in *The French Laundry, Per Se*, with meticulously detailed recipes for 70 beloved dishes, including Smoked Sturgeon Rillettes on an Everything Bagel, "The Whole Bird," Tomato Consommé, Celery Root Pastrami, Steak and Potatoes, Peaches 'n' Cream. Just reading these recipes is a master class in the state of the art of cooking today. We learn to use a dehydrator to intensify the flavor and texture of fruits and vegetables. To make the crunchiest coating with a cornstarch-egg white paste and potato flakes. To limit waste in the kitchen by fermenting vegetable trimmings for sauces with an unexpected depth of flavor. And that essential Keller trait, to take a classic and reinvent it: like the French onion soup, with a mushroom essence stock and garnish of braised beef cheeks and Comté mousse, or a classic crême brûlée reimagined as a rich, creamy ice cream with a crispy sugar tuile to mimic the caramelized coating. Throughout, there are 40 recipes for the basics to elevate our home cooking. Some are old standbys, like the best versions of *beurre manié* and *béchamel*, others more unusual, including a ramen broth (aka the Super Stock) and a Blue-Ribbon Pickle. And with its notes on technique, stories about farmers and purveyors, and revelatory essays from Thomas Keller—"The Lessons of a Dishwasher," "Inspiration Versus Influence," "Patience and Persistence"—*The French Laundry, Per Se* will change how young chefs, determined home cooks, and dedicated food lovers understand and approach their cooking.
