Anime Sketchbook

A fun how-to sketchbook for drawing portraits and selfies! Sketch Your Selfie is an approachable guide to drawing all kinds of faces--starting with your own! Conceived by illustrator Amy Blackwell, this interactive book is not about mastering an academic or "realistic" approach to drawing. Instead, you'll learn some basic skills for drawing facial features and focus on capturing the quirky things that make us each unique: glasses, hairstyles, tattoos, and attitude. The sketchbook is also filled with prompts that offer different creative ways to represent yourself and your friends (as mermaids, spirit animals, robots, and pop-art portraits). For beginners, doodlers, and those who want to explore comic techniques for capturing a diverse range of people, Sketch Your Selfie offers a contemporary take on an age-old subject. Special Features Full-color illustrations throughout Paperback with lay-flat binding

In the tradition of Persepolis, In the Shadow of No Towers, and Our Cancer Year, an illustrated memoir of remarkable depth, power, and beauty Danny Gregory and his wife, Patti, hadn't been married long. Their baby, Jack, was ten months old; life was pretty swell. And then Patti fell under a subway train and was paralyzed from the waist down. In a world where nothing seemed to have much meaning, Danny decided to teach himself to draw, and what he learned stunned him. Suddenly things had color again, and value. The result is Everyday Matters, his journal of discovery, recovery, and daily life in New York City. It is as funny, insightful, and surprising as life itself.

Sketchbook

Destined to go down as one of the era's most astonishing global art projects, the Brooklyn Art Library's Sketchbook Project has, in less than a decade, amassed more than thirty thousand sketchbooks submitted by people of all ages and artistic abilities from more than 130 countries. Bursting with color, vivid imagery, and bouts of whimsy mixed with deeply intimate insights, the sketchbooks capture the texture of personal experience in a dizzying variety of illustrative styles and layouts that run the gamut from street portraits to stream-of-consciousness doodles, comics, and pop-ups. The Sketchbook Project World Tour presents the most compelling, surprising, and visually stunning examples from this one-of-a-kind artistic treasury.

Blank Artist Sketchbook

"Vast opportunities and great joy await you as you learn sketching "on the spot" -- be it in your own backyard, amid the bustle of a busy market, on a hike or wherever you happen to find yourself. Cathy Johnson leads you on this thrilling expedition as you explore ways to turn everyday sights and experiences into a cache of visual memories. She and other artists have opened their sketchbooks to share their favorite subjects, ranging from nature's paraphernalia to aging buildings, crashing waves and beloved pets. You will travel the world through sketches and stories, through deserts and deep woods, cities and small towns. Along the way, you'll pick up helpful tips and

Everyday Sketching and Drawing offers an easy-to-follow, 5-step formula, which teaches beginner-friendly techniques for learning the skills necessary to make drawing and sketching an everyday habit. For those who have always wanted to or tried and failed to learn to draw it provides simple step-by-step instruction, plus easy-to-follow practice exercises, and provides the motivation and inspiration readers need to be successful. For those who already draw, Everyday

Sketching and Drawing offers another technique to add to their drawing arsenal. Why do so many adults come to view drawing as difficult or fraught with anxiety? Traditional art instruction is often bogged down with jargon, rules, and admonishments that unintentionally stifle the joy of drawing for its own sake. Steven Reddy's new and easy approach to drawing instructs sketchers to document their unique and compelling lives in realistic yet playful sketches that record the places, spaces, and objects that help define them as individuals. He reminds artists to slow down, notice, and attend to the sketch-worthy scenes and subjects that are unstaged and always there in our everyday lives. He offers a versatile technique that can lead to a skill that fills sketchbooks with the visual details that differentiate one life from another. This approach is a meditative, relaxing alternative to academic concerns about perspective, proportion, and accuracy. Reddy encourages artists to capture in whimsical but detail-specific illustrations their unique, subjective interpretation of their visual surroundings. Steven Reddy's drawing method produces extremely detailed and realistic scenes of objects and scenes in everyday life in a relatively short period of time (60 minutes to 3 hours or more, depending on the sketcher's preference). Modifying a technique utilized by Old Master oil painters, the drawings pass through 5 clearly articulated stages where each step focuses on one visual
