When Elyse MacAllister's great-aunt Eleanora, the woman who raised her, becomes deathly ill, Lyse puts her comfortable life in Georgia on hold to rush back to Los Angeles. And once she returns to Echo Park, Lyse discovers her great-aunt has been keeping secrets—extraordinary secrets—from her. Not only is Lyse heir to Eleanora's Victorian estate; she is also expected to take her great-aunt's place in the Echo Park coven of witches. With superstrength and invulnerability, Alison Green used to be one of the most powerful superheroes around. Fighting crime with other teenagers under the alter ego Mega Girl was fun until an encounter with Menace, her mind reading arch enemy. He showed her evidence of a sinister conspiracy, and suddenly battling giant robots didn't seem so important. Now Alison is going to college and trying to find ways to help the world while still getting to class on time. It's impossible to escape the past, however, and everyone has their own idea of what it means to be a hero. Strong Female Protagonist has been published online since 2012, where it attracted a large fan base, and earned positive reviews on sites such as io9, ComicsAlliance, The Beat, and ThinkProgress. After a successful Kickstarter, Brennan and Molly now bring their series to print, with a book collecting the first four chapters and bonus material, self-published by the authors and distributed by Top Shelf.

readers of all ages. Heck yeah! From the Back Cover: Written by the Lord of Evil Himself, Hunson Abadeer (a.k.a. Marceline the Vampire Queen's dad), to instruct and confound the demonic citizenry of the Nightsphere, *The Adventure Time Encyclopaedia* is perhaps the most dangerous book in history. Although seemingly a guidebook to the Land of Ooo and its postapocalyptic inhabitants, it is in fact an amusing nightmare of literary pitfalls, bombastic brain-boggles, and ancient texts designed to drive the reader mad. Complete with secret lore and wizard spells, fun places you should visit and places where you will probably die, advice on whom to marry and whom not to marry, and how to make friends and destroy your enemies, this volume includes hand-written marginalia by Finn, Jake, and Marceline. A gripping, behind-the-scenes portrait of the rise of Saudi Arabia's secretive and mercurial new ruler "A rare and penetrating look behind the curtain of the world's most important family and its dangerous new leader."—Lawrence Wright, author of *The Looming Tower* MBS is the untold story of how a mysterious young prince emerged from Saudi Arabia's sprawling royal family to overhaul the economy and society of the richest country in the Middle East—and gather as much power as possible into his own hands. Since his father, King Salman, ascended to the throne in 2015, Mohammed bin Salman has leveraged his influence to restructure the kingdom's economy, loosen its strict Islamic social codes, and confront its enemies around the region, especially Iran. That vision won him fans at home and on Wall Street, in Silicon Valley, in Hollywood, and at the White House, where President Trump embraced the prince as a key player in his own vision for the Middle East. But over time, the sheen of the visionary young reformer has become tarnished, leaving many struggling to determine whether MBS is in fact a rising dictator whose inexperience and rash decisions are destabilizing the world's most volatile region. Based on years of reporting and hundreds of interviews, MBS reveals the machinations behind the kingdom's catastrophic military intervention in Yemen, the bizarre detention of princes and businessmen in the Riyadh Ritz-Carlton, and the shifting

Saudi relationships with Israel and the United States. And finally, it sheds new light on the greatest scandal of the young autocrat's rise: the brutal killing of journalist Jamal Khashoggi by Saudi agents in Istanbul, a crime that shook Saudi Arabia's relationship with Washington and left the world wondering whether MBS could get away with murder. MBS is a riveting, eye-opening account of how the young prince has wielded vast powers to reshape his kingdom and the world around him.

Between 1896 and 1899, thousands of people lured by gold braved a grueling journey into the remote wilderness of North America. Within two years, Dawson City, in the Canadian Yukon, grew from a mining camp of four hundred to a raucous town of over thirty thousand people. The stampede to the Klondike was the last great gold rush in history. Scurvy, dysentery, frostbite, and starvation stalked all who dared to be in Dawson. And yet the possibilities attracted people from all walks of life—not only prospectors but also newspapermen, bankers, prostitutes, priests, and lawmen. *Gold Diggers* follows six stamperders—Bill Haskell, a farm boy who hungered for striking gold; Father Judge, a Jesuit priest who aimed to save souls and lives; Belinda Mulrooney, a twenty-four-year-old who became the richest businesswoman in town; Flora Shaw, a journalist who transformed the town's governance; Sam Steele, the officer who finally established order in the lawless town; and most famously Jack London, who left without gold, but with the stories that would make him a legend. Drawing on letters, memoirs, newspaper articles, and stories, Charlotte Gray delivers an enthralling tale of the gold madness that swept through a continent and changed a landscape and its people forever.

Sustainable living boasts no boundaries. You don't need massive amounts of acreage or even a fenced-in backyard. We may not be 100 percent sustainable in our lifestyle, but we can become more in-tune with our environment and conscientious of our actions. Like all aspects of life, it's about balance, finding ways to live a greener, cleaner life within the parameters of your current lifestyle. Top blogger for country living, Rural Mom, shows us the (actually very easy) way to live a sustainable lifestyle without making ourselves crazy in the process. Why does even Jennifer Aniston raise chickens in the Hollywood Hills? Easy answer, it is extremely cool to raise your own hens, eat the organic eggs and lie back on feather beds from your own brood. And what about you? What initially drew you to the idea of raising chickens, organic gardening, and incorporating more sustainable living

practices into your lifestyle? Are you interested in saving money, eating a more healthy diet, being on trend, going more "green," or saving the planet one plant at a time? Whatever the reason, the good news is all of the above motivators are real, tangible end-results of sustainable living.

NOW A MAJOR MOTION PICTURE STARRING NOAH WYLE, JEREMY IRVINE, MINKA KELLY, ADELAIDE CLEMENS, STEVE EARLE, AND HALEY JOEL OSMENT. "ONE OF THE MAJOR WRITERS OF OUR TIME."—THE ATLANTA JOURNAL-CONSTITUTION Travis Shelton is seventeen the summer he wanders into the woods onto private property outside his North Carolina hometown, discovers a grove of marijuana large enough to make him some serious money, and steps into the jaws of a bear trap. After hours of passing in and out of consciousness, Travis is discovered by Carlton Toomey, the wise and vicious farmer who set the trap to protect his plants, and Travis's confrontation with the subtle evils within his rural world has begun. Before long, Travis has moved out of his parents' home to live with Leonard Shuler, a one-time schoolteacher who lost his job and custody of his daughter years ago, when he was framed by a vindictive student. Now Leonard lives with his dogs and his sometime girlfriend in a run-down trailer

outside town, deals a few drugs, and studies journals from the Civil War. Travis becomes his student, of sorts, and the fate of these two outsiders becomes increasingly entwined as the community's terrible past and corrupt present bear down on each of them from every direction, leading to a violent reckoning—not only with Toomey, but with the legacy of the Civil War massacre that, even after a century, continues to divide an Appalachian community. Vivid, harrowing yet ultimately hopeful, *The World Made Straight* is Ron Rash's subtlest exploration yet of the painful conflict between the bonds of home and the desire for independence.
