"Charming and heartfelt! Romance does not get any sweeter or better than this." 5 stars The Sullivans have captivated the hearts of millions of readers worldwide, and now New York Times and USA Today bestselling author Bella Andre shares the love story that started it all For Mary Sullivan Christmas is, and always has been, about family. And this year is no different. As she awaits the arrival of her eight children and their partners at the cottage in Lake Tahoe, she hangs the ornaments that they made for her over the years. Each decoration brings with it a tide of memories, all of which she holds dear to her heart. But when she comes across the oldest ornament, the one her beloved husband, Jack, gave her on their very first Christmas together, Mary is immediately swept back to the first days of their whirlwind romance, to the love that would be the foundation on which they built the family she is so proud to call her own. Join the Sullivans this Christmas for a story that explores the wonder of the holidays, the meaning of family and a love that transcends time. KISSING UNDER THE MISTLETOE is part of Bella Andre's #1 bestselling series about The Sullivans. While it can easily be read as a stand-alone story, you'll likely enjoy reading the other books, too. "The perfect love story! This is the book that I have been waiting for. Bella Andre could not have written a more perfect couple.
