Art auction raises money for Calgary Food Bank: "Everybody deserves a meal" Like so many organizations that support the struggling in Calgary, the food bank is facing some big challenges

Counterfeit money - Wikipedia

The same study found that only 20 percent of art buyers are finding painting and other art work through museums and only 15.9 percent are using galleries when buying art. This shows that online sales and social media marketing for your art could be a more relevant way to make money as an artist when compared to galleries or museums.

Art Money | Art Money

Money art. Money art is a subject related to counterfeiting that incorporates currency designs or themes. Some of these works of art are similar enough to actual bills that their legality is in question. While a counterfeit is made with deceptive intent, money art is not; however, the law may or may not differentiate between the two. J. S.
