## Finding God's Will

John Eldredge revises and updates his best-selling, renowned Christian classic. God designed men to be dangerous, says John Eldredge. Simply look at the dreams and

## Free Copy PDF The Call Finding And Fulfilling The Central Purpose Of Your Life

desires written in the heart of every boy: To be a hero, to be a warrior, to live a life of adventure and risk. Sadly, most men abandon those dreams and desires-aided by a Christianity that feels like nothing more than pressure to be a "nice guy." It is no wonder that many men avoid church, and those who go are often passive and bored to death. In this provocative book, Eldredge gives women a look inside the true heart of a man and gives men permission to be what God designed them to be- dangerous, passionate, alive, and free.

### **How to Find, Follow, Fulfill God's Will**

The American republic is suffering its gravest crisis since the Civil War. Will conflicts, hostility, and incivility tear the country apart? Os Guinness argues that we face a fundamental crisis of freedom as once again America has become a house divided. This grand treatment of history, civics, and ethics in the Jewish and Christian traditions represents Guinness's definitive exploration of the prospects for human freedom today.

### **Ask a Manager**

THAT THE NEW YORK TIMES CALLS "DAMNABLY CUTE." WE DON'T HAVE ALL THE ANSWERS, BUT WE WILL DIRECT YOU TOWARDS A VARIETY OF USEFUL IDEAS THAT ARE GUARANTEED TO STIMULATE, PROVOKE, AND CONSOLE. A practical and inspirational guide to examining your career and deciding whether it truly makes you happy—this book will show you the steps it takes to find a job that truly makes you thrive. The desire for fulfilling work is one of the great aspirations of our age. This book reveals explores the competing claims we face for money, status, and meaning in our lives. Drawing on wisdom from a variety of disciplines, cultural thinker Roman Krznaric sets out a practical guide to negotiating the labyrinth of choices, overcoming fear of change, and finding a career in which you thrive. Overturning a century of traditional thought about career change, Krznaric reveals just what it takes to find life-enhancing work

### **Discovering Destiny: 31- Day Guide to Finding Yourself and Fulfilling Your Purpose**

Another Landmark Book by Rick Warren. You are not an accident. Even before the universe was created, God had you in mind, and he planned you for his purposes. These purposes will extend far beyond the few years you will spend on earth. You were made to last forever! Self-help books often suggest that you try to discover the meaning and purpose of your life by looking within yourself, but Rick Warren

## Free Copy PDF The Call Finding And Fulfilling The Central Purpose Of Your Life

says that is the wrong place to start. You must begin with God, your Creator, and his reasons for creating you. You were made by God and for God, and until you understand that, life will never make sense. This book will help you understand why you are alive and God's amazing plan for you---both here and now, and for eternity. Rick Warren will guide you through a personal 40-day spiritual journey that will transform your answer to life's most important question: What on earth am I here for? Knowing God's purpose for creating you will reduce your stress, focus your energy, simplify your decisions, give meaning to your life, and, most importantly, prepare you for eternity. The Purpose Driven Life is a blueprint for Christian living in the 21st century---a lifestyle based on God's eternal purposes, not cultural values. Using over 1,200 scriptural quotes and references, it challenges the conventional definitions of worship, fellowship, discipleship, ministry, and evangelism. In the tradition of Oswald Chambers, Rick Warren offers distilled wisdom on the essence of what life is all about. This is a book of hope and challenge that you will read and re-read, and it will be a classic treasured by generations to come.

### **Find Your Why**

In *The Call The Burden*, the author presents an insightful and thought-provoking perspectives on the concept of calling. You will discover that everyone has a calling and that every calling has a burden attached to it which must be shouldered for it

## Free Copy PDF The Call Finding And Fulfilling The Central Purpose Of Your Life

to be successfully fulfilled. He offered time- tested keys that will enable you discover, pursue and attain your purpose in life; Giving The true meaning of a calling and how to discover your call in life. The responsibilities involved in any calling. How to deploy your innate giftings and passions as resources that were meant to enable you fulfil your calling. You will find out the purpose of challenges and trials. The role and power of imagination on your calling. And how God evaluates everyone's calling. It is full of timeless principles that stands on the bedrock of the Scriptures while offering a wealth of practical insights of what it takes to be successful in anyone's calling. It provides Biblical, historical and contemporary citations of characters who answered their call, succeeded in carrying the burden of their call and in turn achieved greatness. It is easy to read, yet profound in its depth and clarity. And is filled with wisdom, wit, hope, passion, encouragement and direction. It is indeed a practical and invaluable help to all who wants to successfully fulfil their true life purpose.

### **Understanding Your Divine Calling And Purpose**

The most important discovery you can make in life is to understand the purpose you were born for. Every product is designed to accomplish a purpose. I am yet to see a manufacturer creates a product without a purpose. God created us and determined our individual purpose He wants us to accomplish in our lifetime. This creative ability is divinely extended to man. Example, Steve Jobs created and

## Free Copy PDF The Call Finding And Fulfilling The Central Purpose Of Your Life

determined the purpose of Apple products. The Wright brothers created and determined the purpose of the aircraft, today we can fly across the globe. The names continue on and on. Listen, the fact that you were born and remain alive today is because you have a unique purpose designed for you to accomplish by your manufacturer (God). Finding that purpose will give you maximum satisfaction and significance in life. No body, regardless of the circumstances that characterized his/her birth is an accident. God allowed you to be born because He has a grand plan and purpose for your life. He knew you were coming even before your conception. "Before I made you in your mother's womb, I knew you. Before you were born, I chose you for a special work. I chose you to be a prophet to the nations." (Jer 1:5). I have written this book to help you understand that there is a unique purpose for your life that has to be fulfilled, as you yield to God. Be bless as you read.

### **Callings**

Start With Why has led millions of readers to rethink everything they do - in their personal lives, their careers and their organizations. Now Find Your Why picks up where Start With Why left off. It shows you how to apply Simon Sinek's powerful insights so that you can find more inspiration at work -- and in turn inspire those around you. I believe fulfillment is a right and not a privilege. We are all entitled to wake up in the morning inspired to go to work, feel safe when we're there and

## Free Copy PDF The Call Finding And Fulfilling The Central Purpose Of Your Life

return home fulfilled at the end of the day. Achieving that fulfillment starts with understanding exactly WHY we do what we do. As Start With Why has spread around the world, countless readers have asked me the same question: How can I apply Start With Why to my career, team, company or nonprofit? Along with two of my colleagues, Peter Docker and David Mead, I created this hands-on, step-by-step guide to help you find your WHY. With detailed exercises, illustrations, and action steps for every stage of the process, Find Your Why can help you address many important concerns, including: \* What if my WHY sounds just like my competitor's? \* Can I have more than one WHY? \* If my work doesn't match my WHY, what should I do? \* What if my team can't agree on our WHY? Whether you've just started your first job, are leading a team, or are CEO of your own company, the exercises in this book will help guide you on a path to long-term success and fulfillment, for both you and your colleagues. Thank you for joining us as we work together to build a world in which more people start with WHY. Inspire on! -- Simon

### **Ikigai**

### **Answering God's Call**

## Free Copy PDF The Call Finding And Fulfilling The Central Purpose Of Your Life

God has a glorious purpose for His people. And those who understand this will rule and reign with Jesus for eternity. God, in the eternal past, planned for mankind to live on the earth and fulfill a great purpose in the eternal future. Bishop Hamon, a pioneer of restoration in the Church, stands firmly on biblical truth as he explores that great purpose: being conformed to the likeness of Jesus. By tracking the eight major reasons God created human beings, Dr. Hamon tackles the hard issues believers face as the highest race in the universe—including the problem of pain. It is only as we understand the process through which God conforms us to the likeness of His Son that we accomplish our highest calling.

### **If You Were God, Would You Choose You?**

The coauthors of the bestselling *Peak Performance* dive into the fascinating science behind passion, showing how it can lead to a rich and meaningful life while also illuminating the ways in which it is a double-edged sword. Here's how to cultivate a passion that will take you to great heights—while minimizing the risk of an equally great fall. Common advice is to find and follow your passion. A life of passion is a good life, or so we are told. But it's not that simple. Rarely is passion something that you just stumble upon, and the same drive that fuels breakthroughs—whether they're athletic, scientific, entrepreneurial, or artistic—can be every bit as destructive as it is productive. Yes, passion can be a wonderful gift, but only if you know how to channel it. If you're not careful, passion

## Free Copy PDF The Call Finding And Fulfilling The Central Purpose Of Your Life

can become an awful curse, leading to endless seeking, suffering, and burnout. Brad Stulberg and Steve Magness once again team up, this time to demystify passion, showing readers how they can find and cultivate their passion, sustainably harness its power, and avoid its dangers. They ultimately argue that passion and balance--that other virtue touted by our culture--are incompatible, and that to find your passion, you must lose balance. And that's not always a bad thing. They show readers how to develop the right kind of passion, the kind that lets you achieve great things without ruining your life. Swift, compact, and powerful, this thought-provoking book combines captivating stories of extraordinarily passionate individuals with the latest science on the biological and psychological factors that give rise to—and every bit as important, sustain—passion.

# Free Copy PDF The Call Finding And Fulfilling The Central Purpose Of Your Life

"soul-stirring celebration of the pleasures of knowing God."

## **The Anatomy of a Calling**

What am I going to do with my life? is a question that young people commonly face, while many not-so-young people continue to wonder about finding direction and purpose in their lives. Whether such purpose has to do with what job to take, whether to get married, or how to incorporate religious faith into the texture of their lives, Christians down the centuries have believed that God has plans for them. This unprecedented anthology gathers select passages on work and vocation from the greatest writers in Christian history. William Placher has written insightful introductions to accompany the selections — an introduction to each of the four main historical sections and a brief introduction to each reading. While the vocational questions faced by Christians have changed through the centuries, this book demonstrates how the distilled wisdom of these saints, preachers, theologians, and teachers remains relevant to Christians today. This rich resource is to be followed by a companion volume, edited by Mark R. Schwehn and Dorothy C. Bass, featuring texts drawn mainly from fiction, memoir, poetry, and other forms of literature. A study guide is available from Programs for the Theological Exploration of Vocation (PTEV) on their website.

## **Carpe Diem Redeemed**

Why am I here? What is God's call in my life? How do I fit God's call with my own individuality? How should God's calling affect my career, my plans for the future, and my concepts of success? First published in 1997 by distinguished author and speaker Os Guinness, *The Call* remains a treasured source of wisdom for those who ask these questions. According to Guinness, "No idea short of God's call can ground and fulfill the truest human desire for purpose and fulfillment." In this newly updated and expanded anniversary edition, Guinness explores the truth that God has a specific calling for each one of us and guides a new generation of readers through the journey of hearing and heeding that call. With more than 100,000 copies in print, *The Call* is for all who desire a purposeful, intentional life of faith.

## **Job to Love**

"God, if you're real, make yourself real to me." Each of us spends our lives on a journey toward God. Yet often our most deeply felt longings--for meaning, for love, for significance--end up leading us away from, instead of toward, our Creator and the person he made us to be. *Finding Your Way Back to God* shows you how to understand and listen to your longings in a whole new way. It's about waking up to

## Free Copy PDF The Call Finding And Fulfilling The Central Purpose Of Your Life

who you really are, and daring to believe that God wants to be found even more than you want to find him. It's about making the biggest wager of your life as you ask God to make himself known to you. And it's about watching what happens next.

### **Unashamed**

#1 New York Times Bestseller At last, a book that shows you how to build—design—a life you can thrive in, at any age or stage Designers create worlds and solve problems using design thinking. Look around your office or home—at the tablet or smartphone you may be holding or the chair you are sitting in. Everything in our lives was designed by someone. And every design starts with a problem that a designer or team of designers seeks to solve. In this book, Bill Burnett and Dave Evans show us how design thinking can help us create a life that is both meaningful and fulfilling, regardless of who or where we are, what we do or have done for a living, or how young or old we are. The same design thinking responsible for amazing technology, products, and spaces can be used to design and build your career and your life, a life of fulfillment and joy, constantly creative and productive, one that always holds the possibility of surprise. "Designing Your Life walks readers through the process of building a satisfying, meaningful life by approaching the challenge the way a designer would. Experimentation. Wayfinding. Prototyping. Constant iteration. You should read the book. Everyone

else will." —Daniel Pink, bestselling author of *Drive* "This [is] the career book of the next decade and . . . the go-to book that is read as a rite of passage whenever someone is ready to create a life they love." —David Kelley, Founder of IDEO "An empowering book based on their popular class of the same name at Stanford University . . . Perhaps the book's most important lesson is that the only failure is settling for a life that makes one unhappy. With useful fact-finding exercises, an empathetic tone, and sensible advice, this book will easily earn a place among career-finding classics." —Publishers Weekly From the Hardcover edition.

### **How to Find Fulfilling Work**

A public policy leader addresses how artificial intelligence is transforming the future of labor—and what we can do to protect the role of workers. As computer technology advances with dizzying speed, human workers face an ever-increasing threat of obsolescence. In *Human Work In the Age of Smart Machines*, Jamie Merisotis argues that we can—and must—rise to this challenge by preparing to work alongside smart machines doing that which only humans can: thinking critically, reasoning ethically, interacting interpersonally, and serving others with empathy. The president and CEO of Lumina Foundation, Merisotis offers a roadmap for the large-scale, radical changes we must make in order to find abundant and meaningful work for ourselves in the 21st century. His vision centers on developing our unique capabilities as humans through learning opportunities that deliver fair

## Free Copy PDF The Call Finding And Fulfilling The Central Purpose Of Your Life

results and offer a broad range of credentials. By challenging long-held assumptions and expanding our concept of work, Merisotis argues that we can harness the population's potential, encourage a deeper sense of community, and erase a centuries-long system of inequality.

### **Wild at Heart**

## Free Copy PDF The Call Finding And Fulfilling The Central Purpose Of Your Life

Bestselling author, speaker, and activist Christine Caine helps you overcome past guilt and live an unashamed life. Shame can take on many forms. It hides in the shadows of the most successful, confident and high-achieving woman who struggles with balancing her work and children, as well as in the heart of the broken, abused and downtrodden woman who has been told that she will never amount to anything. Shame hides in plain sight and can hold us back in ways we do not realize. But Christine Caine wants readers to know something: we can all be free. “I know. I’ve been there,” writes Christine. “I was schooled in shame. It has been my constant companion from my very earliest memories. I see shame everywhere I look in the world, including in the church. It creeps from heart to heart, growing in shadowy places, feeding on itself so that those struggling with it are too shamed to seek help from shame itself.” In *Unashamed*, Christine reveals the often-hidden consequences of shame—in her own life and the lives of so many Christian women—and invites you to join her in moving from a shame-filled to a shame-free life. In her passionate and candid style, Christine leads you into God’s Word where you will see for yourself how to believe that God is bigger than your mistakes, your inadequacies, your past, and your limitations. He is not only more powerful than anything you’ve done but also stronger than anything ever done to you. You can deal with your yesterday today, so that you can move on to what God has in store for you tomorrow—a powerful purpose and destiny he wants you to fulfill. Join the journey. Lay ahold of the power of Jesus Christ today and step into the future—his future for you—a beautiful, full, life-giving future, where you can

## Free Copy PDF The Call Finding And Fulfilling The Central Purpose Of Your Life

even become a shame-lifter to others. Live unashamed! Dive deeper into the Unashamed message with the Unashamed video study and study guide. Available now.

### **Your Highest Calling**

An action-plan for self-fulfillment that helps people find their true calling in life. This practical and inspirational guide helps Christian men and women of all ages identify and use their God-given gifts to find purpose, direction, and joy in their life and work. Based on their years of counseling and experience, Kevin and Kay Marie Brennfleck offer action-oriented tools and a proven methodology to help readers develop the decision-making skills they need to discover and live the life that God intended, maximizing the synergies between ministry, work, and spiritual gifts. Kevin and Kay Marie Brennfleck (Pasadena, CA) are nationally recognized experts in career counseling, work satisfaction, and productivity. Their Web site, [www.ChristianCareerCenter.com](http://www.ChristianCareerCenter.com), is the most visited Christian career site on the Internet.

### **The Call**

God created us for a purpose. Each one of us is unique, but each one has a destiny

## Free Copy PDF The Call Finding And Fulfilling The Central Purpose Of Your Life

of eternal happiness. We reach this destiny by freely embracing the will of the God who made us, as it is manifested to us in the circumstances of our daily life. This book provides the modern reader with guidance on how to reach intimacy with God and happiness with him forever by bringing one's life into conformity with his will. The book consults many sources--the Bible, the teachings of the Church, and the lives of the saints--and in all three the formula is the same: Obey God in all things. In discerning the will of God, there are many questions to consider: What is the relationship between human freedom and divine Providence? What good can result from sin and suffering? What is a vocation, and how does a person hear this calling from God? These questions are considered in chapters divided according to the verses of Psalm 119, which praise God's commands as expressions of his will. All the saints of the Church have this in common: They sought to discover the Creator's will for them and then tried to accomplish it to the best of their ability and according to the grace they received from God. The task of all of us is to do likewise.

### **The Passion Paradox**

Everyone has a purpose. And, according to Oprah Winfrey, "Your real job in life is to figure out as soon as possible what that is, who you are meant to be, and begin to honor your calling in the best way possible." That journey starts right here. In her latest book, *The Path Made Clear*, Oprah shares what she sees as a guide for

## Free Copy PDF The Call Finding And Fulfilling The Central Purpose Of Your Life

activating your deepest vision of yourself, offering the framework for creating not just a life of success, but one of significance. The book's ten chapters are organized to help you recognize the important milestones along the road to self-discovery, laying out what you really need in order to achieve personal contentment, and what life's detours are there to teach us. Oprah opens each chapter by sharing her own key lessons and the personal stories that helped set the course for her best life. She then brings together wisdom and insights from luminaries in a wide array of fields, inspiring readers to consider what they're meant to do in the world and how to pursue it with passion and focus. Renowned figures such as Eckhart Tolle, Brene Brown, Lin-Manuel Miranda, Elizabeth Gilbert, Jay-Z, and Ellen DeGeneres share the greatest lessons from their own journeys toward a life filled with purpose. Paired with over 100 awe-inspiring photographs to help illuminate the wisdom of these messages, *The Path Made Clear* provides readers with a beautiful resource for achieving a life lived in service of your calling - whatever it may be.

### **Rising to the Call**

The ideal graduation gift for anyone about to enter the workforce, a witty, practical guide to 200 difficult professional conversations—featuring all-new advice from the creator of the popular website *Ask a Manager* and New York's work-advice columnist. There's a reason Alison Green has been called "the Dear Abby of the

## Free Copy PDF The Call Finding And Fulfilling The Central Purpose Of Your Life

work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what to say when

- coworkers push their work on you—then take credit for it
- you accidentally trash-talk someone in an email then hit “reply all”
- you’re being micromanaged—or not being managed at all
- you catch a colleague in a lie
- your boss seems unhappy with your work
- your cubemate’s loud speakerphone is making you homicidal
- you got drunk at the holiday party

Advance praise for *Ask a Manager* “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “I am a huge fan of Alison Green’s *Ask a Manager* column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Clear and concise in its advice and expansive in its scope, *Ask a Manager* is the book I wish I’d had in my desk drawer when I was starting out (or even, let’s be honest, fifteen years in).”—Sarah Knight, New York Times bestselling author of *The Life-Changing Magic of Not Giving a F\*ck*

# Free Copy PDF The Call Finding And Fulfilling The Central Purpose Of Your Life

## **S.H.A.P.E.**

Have you ever wondered what you were created to do? You may think you have an idea, but aren't positive that you are fulfilling the purpose for which God created you. First of all, you have to find the unique purpose that He created you for. In his new book, Andrew Wommack teaches you how to do just that. Once you find the will of God for your life, then you will have the assurance and joy that comes from knowing exactly where God wants you to be. As you follow the will of God for your life, it allows you to set goals and purposely seek after what God has created you to do. Andrew teaches you that the number one way that we learn to follow God's will is to simply put God first. When you put Him first then the desire of your heart changes to match up with His. Lastly, Andrew teaches how to fulfill the will of God in your life. It's one thing to find God's will and start moving in the right direction, but it's something else to stay at it over the long haul. Anybody can start, but it's the people who finish that really make a difference. Finishing is more important than starting, and it is only through faith and patience that you inherit God's promises.

## **God Is Always Hiring**

Cultural observer Os Guinness argues that the American experiment in freedom is

## Free Copy PDF The Call Finding And Fulfilling The Central Purpose Of Your Life

at risk. Guinness calls us to cultivate the essential civic character needed for ordered liberty and sustainable freedom. True freedom requires virtue, which in turn requires faith. Only within the framework of what is true, right and good can freedom be found.

### **Finding Meaning, Facing Fears**

In *The Anatomy of a Calling*, Lissa Rankin, MD, makes a simple yet revolutionary claim: We are all, every single one of us, heroes. We are all on what Joseph Campbell calls "a hero's journey;" we are all on a mission to step into our true nature and fulfill the assignment our souls were sent to Earth to fulfill. Navigating the hero's journey, Dr. Rankin argues, is one of the cornerstones of living a meaningful, authentic, healthy life. In clear, engaging prose, Dr. Rankin describes her entire spiritual journey for the first time--beginning with what she calls her "perfect storm" of events--and recounts the many transformative experiences that led to a profound awakening of her soul. Through her father's death, her daughter's birth, career victories and failures, and an ongoing struggle to identify as both a doctor and a healer, Dr. Rankin discovers a powerful self-awareness. As she shares her story, she encourages you to find out where you are on your own journey and offers wisdom and inspiration in the form of "Hero's Guideposts" along the way. Dr. Rankin weaves in lessons on trusting intuition, surrendering to love, and learning to see adversity as an opportunity for soul growth. Much more than a

“Challenging, inspiring and practical.” Bear Grylls “I can’t think of anyone more qualified to write about the significance of knowing your purpose than my friend Ken Costa... His new book, *Know Your Why*, is absolutely foundational to living a purpose driven life.” Rick Warren “Among the crush and the rush of life, there's no better guide in the pursuit of getting it right than my friend Ken Costa... I highly recommend *Know Your Why*, and am confident you will see more clearly and live more purposefully after absorbing the wisdom in its pages.” Louie Giglio, Pastor,

## Free Copy PDF The Call Finding And Fulfilling The Central Purpose Of Your Life

Passion City Church, Passion Conferences “This is an important and timely book. In a world of seemingly endless options, discerning the voice of God can be an increasingly difficult task. Ken draws on decades of experience to help Christians cut through the confusion and distractions and live lives in tune with God.” Andy Stanley, Senior Pastor, North Point Ministries “There are few people on this planet that I find more fascinating than Ken Costa. His capacity for business is only outweighed by his affection for the local church; and he has beautifully modelled to a generation what it means to live out your calling and build the Kingdom.” Brian Houston, Global Founder and Senior Pastor of Hillsong Church Are you working for cash, a career, a cause—or a calling? “Why do you do what you do?” People work for a variety of reasons. For many, the primary purpose of their work is cash. Their principal motivation is the paycheck that funds their everyday needs. Their work is a means to an end. Others are motivated by ambitions for a career, to move up the professional ladder and expand their experience, becoming more skilled in a particular area. Still others work for a cause, believing in the wider purpose of their work, attempting to make a difference in the world—to leave a mark in some way. All of these are legitimate motivations. However, missing from all three is any sense of the value of work itself. The focus is on the output of the workplace, rather than valuing the input. What we need is calling. Those who see their work as a calling experience a rich integration in their lives. They sense a purpose, a direction to their activities. Work has intrinsic meaning, rather than being simply a means to an end. In many ways this is precisely what the Spirit of God does in our

## Free Copy PDF The Call Finding And Fulfilling The Central Purpose Of Your Life

lives. When we are in the flow of the Spirit, we are cooperating fully in our God-given callings. When people embrace their callings, they love their work, can manage inevitable tensions that arise, and are welcomed by their colleagues, who sense that there is something beyond the cash or career objectives. But how do we get there? Know Your Why is written with one objective: to help you find your life's calling so that you can be more satisfied, fulfilled, and happier at work. "You did not choose me, but I chose you and appointed you so that you might go and bear fruit—fruit that will last." —John 15:16 NIV

### **Last Call for Liberty**

What is your God-sized assignment? God has an assignment for you—a God-sized destiny for you to fulfill. How can you know what it is, and what is the process to walk in that calling? The Joseph Calling presents six unique stages that many people pass through to fulfill their destiny. Such was the case for Joseph in the Bible—he was a dreamer with a calling. After being the favored son, his brothers betrayed him, which led to a thirteen-year journey of hardship, humble circumstances, accusations, and pain. But God used Joseph's adversities to fulfill a larger story—to be a spiritual and physical provider for others. "Josephs" today are men and women, old and young, who are set apart by God for his divine purposes. In The Joseph Calling Os Hillman will help you: Embrace God's activity in your life. Navigate through adversity. Discover your calling. Fulfill God's purpose for your

life. God has a plan for you at every stage of life. He wants you to know his assignment for you—and only you—so you can live an intentional and purpose-filled life.

### **The Will of God**

Autumn is a time of bright colors and full harvest moons; a time to reap and savor what we've sown. Our autumn years are the ideal time to reexamine our lives. Often spurred on by a 50th birthday or the last child leaving home, it becomes important to question who we are in the larger scheme of things, to wonder what we really want from our lives. *Finding Meaning, Facing Fears* (Winner of the Alpha Sigma Nu Book Awards 2013) invites us to explore the many opportunities this time of life presents: opportunities to stretch in our capacities, to face and conquer old demons, and to meet new challenges with greater resources than were available to us before. We will also have a greater opportunity to give back to the world the benefit of our experiences and to think about and implement our personal legacies. Dr. Shapiro helps us discover which alternatives will serve best in our relationships, career, even spiritual quests, and offers answers to the inevitable questions we face as we get older, such as: "Is that all there is?" "Is it too late to change my life?" "Where do I go from here?" and, "I've got everything I thought I wanted; why aren't I happy?"

## **The Call the Burden**

Beloved columnist and bestselling author Regina Brett offers her special brand of uplifting, yet practical advice to help readers find fulfillment in their work . . . and to deal with unexpected challenges. In this inspiring collection, Brett focuses on how we relate to our work, or lack of work, and the seeking of something deeper and more meaningful in our career and life. With essays like "Every job is as magical as you make it" and "Only you can determine your worth," this book relates tales of discouragement turning into hope, and persistence paying big dividends. People with challenges in their jobs or job search will find solace and advice.

## **The Purpose Driven Life**

## **Let Your Life Speak**

With wisdom, compassion, and gentle humor, Parker J. Palmer invites us to listen to the inner teacher and follow its leadings toward a sense of meaning and purpose. Telling stories from his own life and the lives of others who have made a difference, he shares insights gained from darkness and depression as well as

fulfillment and joy, illuminating a pathway toward vocation for all who seek the true calling of their lives.

### **Designing Your Life**

This is the book that not only tells you that you have a purpose and a destiny in God, but explains how to find and fulfill your purpose as well as reach your God appointed destiny. True rest is attainable with or without monetary wealth. True contentment is in knowing that you are fulfilling the God ordained purpose that is specifically for you.

### **The Path Made Clear**

Through letters and journals, Guinness shows how real people answered a call to fight slavery, reinvent health care, or create music. He then shows readers how to answer their own callings to become the entrepreneurs of life.

### **Desiring God**

“Whatever you do, do it from the heart, as something done for the Lord and not for people.” – Colossians 3:23 Every believer has a calling from God. We are all called

to salvation, to service, and to surrender. Discerning and pursuing God's call in your life becomes the work of a lifetime. Biblically insightful, theologically faithful, and practically helpful, Answering God's Call will draw readers into a deeper understanding of God's will for their lives.

### **Finding Your Way Back to God**

How do we make the most of life and the time we have? In the midst of our harried modern world, Os Guinness calls us to consequential living, reorienting our notion of history not as cyclical nor as meaningless, but as linear and purposeful. We can seek to serve God's purpose for our generation, read the times, and discern our call for this moment in history.

### **Live Your Calling**

\*Los Angeles Times bestseller\* "If hygge is the art of doing nothing, ikigai is the art of doing something—and doing it with supreme focus and joy." —New York Post  
Bring meaning and joy to all your days with this internationally bestselling guide to the Japanese concept of ikigai (pronounced ee-key-guy)—the happiness of always being busy—as revealed by the daily habits of the world's longest-living people. What's your ikigai? "Only staying active will make you want to live a hundred

years.” —Japanese proverb According to the Japanese, everyone has an ikigai—a reason for living. And according to the residents of the Japanese village with the world’s longest-living people, finding it is the key to a happier and longer life. Having a strong sense of ikigai—the place where passion, mission, vocation, and profession intersect—means that each day is infused with meaning. It’s the reason we get up in the morning. It’s also the reason many Japanese never really retire (in fact there’s no word in Japanese that means retire in the sense it does in English): They remain active and work at what they enjoy, because they’ve found a real purpose in life—the happiness of always being busy. In researching this book, the authors interviewed the residents of the Japanese village with the highest percentage of 100-year-olds—one of the world’s Blue Zones. Ikigai reveals the secrets to their longevity and happiness: how they eat, how they move, how they work, how they foster collaboration and community, and—their best-kept secret—how they find the ikigai that brings satisfaction to their lives. And it provides practical tools to help you discover your own ikigai. Because who doesn’t want to find happiness in every day?
