Reshaping the Work-Family Debate

Hardball takes readers deep inside the world of hardball competition - a world where the players are zealously committed to winning and relentlessly driven to strengthen their competitive positions, creating a virtuous cycle that puts them far out of competitors' reach. Based on twenty-five years of experience advising and observing a range of companies, Stalk and Lachenauer reveal how hardball competitors achieve decisive victories - without bending the law and without compromising their obligations to customers and stakeholders. These companies often play rough, and they don't apologize for it. Yet they are also extraordinarily adept at the "soft" side of management - rallying talent and building culture through a laserlike focus on the few issues most critical to success. Using detailed and engaging stories from many industries, Hardball outlines seven classic hardball strategies: unleash massive and overwhelming force, exploit anomalies, threaten competitors' profit sanctuaries, take it and make it your own, entice competitors' into retreat, break industry compromises, and hardball M&A. The authors reveal who uses hardball strategies, under what circumstances each strategy is most effective, and how to orchestrate the attack.

Building a Successful Family Business Board

Now considered a classic in the field, this book first called attention to what Kanter has referred to as the "myth of separate worlds." Rosabeth Moss Kanter was one of the first to argue that the assumed separation between work and family was a myth and that research must explore the linkages between these two roles.

Getting It All Done (HBR Working Parents Series)

Stop running on empty. Every day you juggle the many components that fill your life. Between work and family commitments, volunteer work, hobbies, and managing your physical and mental health, it's easy to feel overwhelmed and that you 're letting someone down or neglecting some aspect of your life. But you can find ways to honor all of your commitments without collapsing. The HBR Guide to Work-Life Balance will help you: Evaluate and adjust your priorities Manage expectations Set and spend your time budget Make plans--and backup plans Understand how to make trade-offs Prioritize self-care Discover what works for you

Managing Your Career (HBR Working Parents Series)

James Heskett, Earl Sasser, and Leonard Schlesinger reveal powerful new evidence

Bookmark File PDF The Harvard Business Review Family Business Handbook How To Build And Sustain A Successful Enduring Enterprise Hbr Handbooks

that paying close attention to the employee-customer relationship will enable any organization to be a low-cost provider and achieve superior results -- proving that you can have it all, a goal thought inadvisable just a few short years ago. At the heart of this bold assertion is the authors' indisputable conclusion supported by thirty-one years of groundbreaking research: today's employee satisfaction, loyalty, and commitment strongly influences tomorrow's customer satisfaction, loyalty, and commitment and ultimately the organization's profit and growth -- a quantifiable set of associations the authors call the value profit chain. In what may be the most far-reaching study ever undertaken of the strategic importance of the employee-customer relationship, Heskett, Sasser, and Schlesinger offer profound new insights into the life-long value of both employees and customers and the increasingly important concept of employee-relationship management. Readers will discover how organizations as diverse as aluminum maker Alcoa, travel agency Rosenbluth International, and the Willow Creek Community Church treat employees like customers (in the case of Willow Creek, volunteers as well). Conversely, the authors show how advertising agency Merkle Newman Harty and financial services provider ING Direct treat customers like employees, pursuing the ones they want most. At the Vanguard Group, Cisco Systems, and Southwest Airlines, both practices are common. The authors explain how these organizations and many others -- whether large or small, public or private, or not-for-profit -- achieve profitability and growth or the equivalent by leveraging results and process quality to deliver differentiated products and services at the lowest cost. Timely, essential, and important reading, *The Value*

Profit Chain should be readily accessible on the desk of every forward-thinking manager.

Family Wars

Based on insights from executives across the globe, this planning guide captures the unique challenges faced by leaders of a family business and presents an approach to help these operations survive and thrive across generations.

- Includes insights from leaders of family businesses from all over the world
- Describes important characteristics for leading family and business systems successfully
- Features case vignettes showcasing the complex inner workings of family and business stewardship
- Compares the homogeneity evident in non-family enterprises versus the heterogeneity of family enterprises
- Discusses the differences between leadership in family enterprises and non-family enterprises

How to Write a Great Business Plan

How working parents can lead more purposeful lives, characterized by harmony, connection, and impact. Parents in today's fast-paced, disorienting world can easily lose track of who they are and what really matters most. But it doesn't have to be this way. As a parent, you can harness the powerful science of leadership in order to

thrive in all aspects of your life. Drawing on the principles of his book *Total Leadership*--a bestseller and popular leadership development program used in organizations worldwide--and on their experience as researchers, educators, consultants, coaches, and parents, Stew Friedman and coauthor Alyssa Westring offer a robust, proven method that will help you gain a greater sense of purpose and control. It includes tools illustrated with compelling examples from the lives of real working parents that show you how to: Design a future based on your core values Engage with your children in fresh, meaningful ways Cultivate a community of caregiving and support, in all parts of your life Experiment to discover better ways to live and work Powerful, practical, and indispensable, *Parents Who Lead* is the guide you need to forge a better future, foster meaningful and mutually rewarding relationships, and design sustainable solutions for creating a richer life for yourself, your children, and your world. For more information, visit ParentsWhoLead.net.

The Harvard Business Review Family Business Handbook

The first ever comprehensive guide to family business succession planning. This book covers everything from what family business ownership is and how to structure ownership bylaws to business structure, leadership transition, and how a founder exits the business. Drawing on original research, case studies, and white papers, *Family Business Succession* is a thorough, complete, and "required reading" for every family member working in a family business.

Just as a Board of Directors is a governance structure for shareholders, a Family Council oversees a family on everything from educating the family for their future responsibilities as owners to settling disputes within the family. Using the common term family council to refer to family governance, the book will be a practical manual for all business families seeking structure to manage how their family governs itself and relates to their business. The book will answer several basic questions: 1. What are the forms of structured family governance? 2. What purpose is served, and disasters avoided, by using structure like a family council? 3. How does one select the form of family council that is appropriate for the size, age and complexity of the business family? 4. How are family councils established and maintained, and how do they evolve?

Keeping the Family Business Healthy

Move ahead in your career--without leaving your family behind. What happens when you're no longer setting goals and chasing dreams that work for you alone? When the career choices you make have ripple effects on your family? Can you uproot your household for an overseas assignment even if it's a surefire path to promotion? How do you make time for your kids--or yourself--if you work more than one job? These

are some of the questions you ask yourself as you struggle to balance managing your career with managing your family. In *Managing Your Career*, experts provide answers to the challenges you face as a working parent from negotiating a flexible schedule to overcoming the parenthood penalty whether you're taking time off, trading water, or reentering the workforce. You'll learn to: Assess the impact of downshifting on your career, your home life, and your identity Make time for professional development Communicate effectively with everyone, from your boss to your toddler Boost your impact and visibility, even with an erratic schedule Build support systems to get you through rough patches at work and cope with childcare failures The HBR Working Parents Series supports readers as they anticipate challenges, learn how to advocate for themselves more effectively, juggle their impossible schedules, and find fulfillment at home and at work. From classic issues such as work-life balance and making time for yourself to thorny challenges such as managing an urgent family crisis and the impact of parenting on your career, this series features the practical tips, strategies, and research you need to be--and feel--more effective at home and at work. Whether you're up with a newborn or touring universities with your teen, we've got what you need to make working parenthood work for you.

Generation to Generation

Don't let your own needs fall by the wayside. Take the kids to school and get to work

by nine o'clock. Plan your child's birthday party while eating lunch. Reschedule your dentist appointment. Draft a report for your boss, then rush to pick up your children and start the nighttime routine. Send a few more emails before going to bed. When in your day did you take time for yourself? Too many working parents focus solely on those around them, completely losing sight of what they need themselves. But neglecting your own needs and wants can prevent you from being healthy, productive, and happy. Taking Care of Yourself provides expert advice to help you identify what you value most out of your work and home life, make choices that align with those values, and manage the emotions that come with them. You'll learn to: Prioritize the areas of your life that are most important to you--and let go of what's not Cope with the sacrifices you're making both at work and at home Deal with the feelings that come with being a working parent, including guilt Carve out time for your mental health and your physical well-being Communicate your needs and expectations with your boss and your family Feel more present both at work and at home The HBR Working Parents Series supports readers as they anticipate challenges, learn how to advocate for themselves more effectively, juggle their impossible schedules, and find fulfillment at home and at work. From classic issues such as work-life balance and making time for yourself to thorny challenges such as managing an urgent family crisis and the impact of parenting on your career, this series features the practical tips, strategies, and research you need to be--and feel--more effective at home and at work. Whether you're up with a newborn or touring universities with your teen, we've got what you need to make working

HBR Guide to Work-Life Balance

The one primer you need to develop your entrepreneurial skills. Whether you're imagining your new business to be the next big thing in Silicon Valley, a pivotal B2B provider, or an anchor in your local community, the HBR Entrepreneur's Handbook is your essential resource for getting your company off the ground. If approximately 70 percent of all businesses are family businesses, and two out of three don't survive to the next generation, what can you do to make sure your business will survive and thrive? *Dirty Little Secrets of Family Business* comes clean with much-needed info on nitty-gritty issues such as entitlement; letting employees (even family members) go when they just aren't working out; compensation; including your kids in the business (when to bring them in, helping them move up, and prepping them to take over); shareholder agreements; selecting the next leader; deciding whether to keep the business or sell it; exit strategies for outgoing leaders; money matters; succession planning; communication; conflict resolution; establishing an effective board; and transitioning to the next generation. Readers can apply the numerous ideas and tips in this engaging guide to address any family business situation. Written for current and next-generation owners and utilizing multiple, firsthand stories of family business dos and don'ts, *Dirty Little Secrets of Family Business* gives you the top success strategies that you can use to build a better functioning family business. Acknowledging that every family is unique and a cookie-cutter approach is not the answer, experienced family business consultant Henry Hutcheson presents a deeper look at the underlying mechanics of what makes a family business work.

When Family Businesses are Best

The number of Christian women in today's professional workforce is increasing, and

they are hungry for practical mentoring. They yearn to learn from someone who has climbed the ladder of success without sacrificing family or faith—something author Diane Paddison has done with excellence and grace. The stories Paddison shares about her corporate, personal, and spiritual life, as well as the lives of other women like her, are both inspiring and instructive, providing on-target advice and concrete examples of how to succeed without feeling overwhelmed or compromised. This is a working book for working women. Full of practical, proven guidance that is both professionally viable and biblically sound, each chapter includes sidebars featuring pertinent facts from current research, resources relevant to the chapter's topic, action-oriented "to do" lists, and other interactive material. Chapters also include questions suitable for discussion, making it an excellent resource for use in small groups. *Work, Love, Pray* is a valuable resource for professional Christian women, but it's also a must read for the husbands, sisters, daughters, and friends who share their lives.

Dirty Little Secrets of Family Business (3rd Edition)

There's an 80 percent chance you're poor. Time poor, that is. Four out of five adults report feeling that they have too much to do and not enough time to do it. These time-poor people experience less joy each day. They laugh less. They are less healthy, less productive, and more likely to divorce. In one study, time stress produced a stronger negative effect on happiness than unemployment. How can we escape the

time traps that make us feel this way and keep us from living our best lives? Time Smart is your playbook for taking back the time you lose to mindless tasks and unfulfilling chores. Author and Harvard Business School professor Ashley Whillans will give you proven strategies for improving your "time affluence." The techniques Whillans provides will free up seconds, minutes, and hours that, over the long term, become weeks and months that you can reinvest in positive, healthy activities. Time Smart doesn't stop at telling you what to do. It also shows you how to do it, helping you achieve the mindset shift that will make these activities part of your everyday regimen through assessments, checklists, and activities you can use right away. The strategies Whillans presents will help you make the shift to time-smart living and, in the process, build a happier, more fulfilling life.

The Politics Industry

The one primer you need to develop your leadership skills. Put aside all the overhyped new frameworks, the listicles, the "10 best things you need to succeed as a leader today." The critical leadership practices--the ones that will allow a leader to make the biggest impact over time--are well established. They're about how you create a vision and inspire others to follow it. How you make difficult strategic choices. How you lead innovation. How you get results. These fundamental skills are even more important today as organizations and teams become increasingly networked, virtual, agile, fast-moving, and socially conscious. In this comprehensive

handbook, strategy and change experts Ron Ashkenas and Brook Manville distill proven ideas and frameworks about leadership from Harvard Business Review, interviews with senior executives, and their own experience in the field--all to help rising leaders stand out and have a big impact. In the HBR Leader's Handbook you'll find: Concise explanations of proven leadership frameworks from Harvard Business Review contributors such as Clayton M. Christensen and Michael E. Porter In-depth case studies of senior leaders such as Jim Wolfensohn at the World Bank, Paula Kerger at PBS, Darren Walker at the Ford Foundation, and Jim Smith at Thomson Reuters Step-by-step guidance to help you understand and start implementing six core leadership practices: building a unifying vision, developing a strategy, getting great people on board, focusing on results, innovating for the future, and leading yourself HBR Handbooks provide ambitious professionals with the frameworks, advice, and tools they need to excel in their careers. With step-by-step guidance, time-honed best practices, real-life stories, and concise explanations of research published in Harvard Business Review, each comprehensive volume helps you to stand out from the pack--whatever your role.

HBR Guide to Negotiating (HBR Guide Series)

While every family business is unique, embracing systematic governance processes can help any family business achieve goals shared by virtually all: orderly decision-making, peaceful continuity, and the freedom to make decisions based on the highest

and best purposes of both the business and the family.

Family Business

In years past, the keywords for leaders were confidence, single-minded purpose, and strategic planning. But today 's vastly complex, globalized, and fast-evolving world requires a different kind of leadership. This game-changing book details a new approach—entrepreneurial leadership—developed at Babson College, the number-one school for entrepreneurship in the world. Entrepreneurial leadership is inspired by, but is separate from, entrepreneurship. It can be applied in any organizational situation, not just start-ups. Based on two years of extensive research, it embraces three principles that add up to a fundamentally new worldview of business and a new logic of decision making. First, rapid change and increasing uncertainty require leaders to be “cognitively ambidextrous,” able to shift between traditional “prediction logic” (choosing actions based on analysis) and “creation logic” (taking action despite considerable unknowns). Guiding this different way of thinking and acting is a new view of business, where simultaneous creation of social, environmental, and economic value is the order of the day. Finally, entrepreneurial leaders leverage their understanding of themselves and their social context to guide effective action. Each chapter offers concrete examples of how educators across all disciplines are integrating these ideas into their courses—and even their entire curricula. The New Entrepreneurial Leader lays out a comprehensive new paradigm for reinventing

management education in order to mold leaders who will shape social and economic opportunity.

The Harvard Business Review Leader's Handbook

Tips, stories, and strategies for the job that never ends. When it comes to being a working parent, there are no right answers to the tough questions you grapple with, from how to get your toddler out the door to supporting your teen through struggles with their peers to whether or not to accept that big promotion—and the extensive travel and long hours that come with it. But there are answers that are right for you and your family. The HBR Working Parents Series Collection assembles the ideas and strategies you need to help you get ahead—and get through the day. Included in this set are *Managing Your Career*, *Getting It All Done*, and *Taking Care of Yourself*. This compilation offers insights and practical advice from world-class experts on the topics that matter most to working parents including making decisions at home and at work that align with your priorities; navigating tradeoffs—and managing the feelings that come with them; developing strategies for managing both the details of your day and the long-term view of your career; finding time for personal development; and making career choices that work for you—and your family. The HBR Working Parents Series supports readers as they anticipate challenges, learn how to advocate for themselves more effectively, juggle their impossible schedules, and find fulfillment at home and at work. From classic issues such as work-life balance and making time for

yourself to thorny challenges such as managing an urgent family crisis and the impact of parenting on your career, this series features the practical tips, strategies, and research you need to be—and feel—more effective at home and at work. Whether you're up with a newborn or touring universities with your teen, we've got what you need to make working parenthood work for you.

The Leader You Want to Be

The one primer you need to develop your managerial and leadership skills. Whether you're a new manager or looking to have more influence in your current management role, the challenges you face come in all shapes and sizes—a direct report's anxious questions, your boss's last-minute assignment of an important presentation, or a blank business case staring you in the face. To reach your full potential in these situations, you need to master a new set of business and personal skills. Packed with step-by-step advice and wisdom from Harvard Business Review's management archive, the HBR Manager's Handbook provides best practices on topics from understanding key financial statements and the fundamentals of strategy to emotional intelligence and building your employees' trust. The book's brief sections allow you to home in quickly on the solutions you need right away—or take a deeper dive if you need more context. Keep this comprehensive guide with you throughout your career and be a more impactful leader in your organization. In the HBR Manager's Handbook you'll find:

- Step-by-step guidance through common managerial tasks
- Short

sections and chapters that you can turn to quickly as a need arises - Self-assessments throughout - Exercises and templates to help you practice and apply the concepts in the book - Concise explanations of the latest research and thinking on important management skills from Harvard Business Review experts such as Dan Goleman, Clayton Christensen, John Kotter, and Michael Porter - Real-life stories from working managers - Recaps and action items at the end of each chapter that allow you to reinforce or review the ideas quickly The skills covered in the book include: - Transitioning into a leadership role - Building trust and credibility - Developing emotional intelligence - Becoming a person of influence - Developing yourself as a leader - Giving effective feedback - Leading teams - Fostering creativity - Mastering the basics of strategy - Learning to use financial tools - Developing a business case

Family Business Governance

Judging by all the hoopla surrounding business plans, you'd think the only things standing between would-be entrepreneurs and spectacular success are glossy five-color charts, bundles of meticulous-looking spreadsheets, and decades of month-by-month financial projections. Yet nothing could be further from the truth. In fact, often the more elaborately crafted a business plan, the more likely the venture is to flop. Why? Most plans waste too much ink on numbers and devote too little to information that really matters to investors. The result? Investors discount them. In How to

Bookmark File PDF The Harvard Business Review Family Business Handbook How To Build And Sustain A Successful Enduring Enterprise Hbr Handbooks

Write a Great Business Plan, William A. Sahlman shows how to avoid this all-too-common mistake by ensuring that your plan assesses the factors critical to every new venture: The people—the individuals launching and leading the venture and outside parties providing key services or important resources The opportunity—what the business will sell and to whom, and whether the venture can grow and how fast The context—the regulatory environment, interest rates, demographic trends, and other forces shaping the venture's fate Risk and reward—what can go wrong and right, and how the entrepreneurial team will respond Timely in this age of innovation, How to Write a Great Business Plan helps you give your new venture the best possible chances for success.

Engaged Ownership

This book shows family businesses working together at their best and explores how effective planning and communication help business families grow and become successful enterprises

Blue Ocean Leadership (Harvard Business Review Classics)

you're taking over a family business, family office, or trust, this book shows you how to work effectively with the management and board to keep the enterprise moving in the right direction. The first guide of its kind written from the owner's perspective, this book is designed to help owners who are truly committed to growing all forms of capital be successful in their role. You'll learn the time-tested process that helps you 'unstuck' decision-making, become engaged and effective, and manage the transfer from owner control to shared ownership while minimizing risk. Improve communication and relationships with the board, and ensure that every stakeholder understands your strategies and vision for the future. You'll allay the fears that frequently accompany ownership transfers, and inspire a sense of teamwork that leads to sustainable success generation after generation. As the Baby Boomers retire, business founders and entrepreneurs worldwide are transferring ownership of privately held enterprises to their children in record numbers. It can be a complex and difficult-to-navigate time for everyone involved. This book helps you smooth the way to a successful transition, and transcend the owner's traditionally passive role. Learn to work effectively with management and the board Get everyone on the same page in terms of vision and direction Build relationships that lead to forward-thinking decision making Succeed in the ownership role by bringing your expertise to the fore Ownership transfer often triggers a radical change in family enterprise, and if poorly managed, can turn a business in the wrong direction. Engaged Ownership shows you how to build a dynamic and effective partnership with trustees, board, and management, and become a successful steward of the family's financial, human,

The New Entrepreneurial Leader

The United States has the most family-hostile public policy in the developed world. Contesting the idea that women need to negotiate better within the family, and redefining the notion of success in the workplace, Joan C. Williams reinvigorates the work-family debate and offers the first steps to making life manageable for all American families.

Family Business Succession

Provides an overview of the big issues in the business world today, with firsthand accounts from young leaders tasked with tackling these issues head on.

Leading a Family Business: Best Practices for Long-Term Stewardship

This innovative textbook covers the most important managerial challenges facing family businesses. It is research-based and includes theory and practice along with concepts, cases and reflection questions to illustrate the key topics.

The Family Council Handbook

Many of the world's most successful businesses are family owned. With this comes the threat of family bust-ups, sibling rivalry and petty jealousies. *Family Wars* takes you behind the scenes on a rollercoaster ride through the ups and downs of some of the biggest family-run companies in the world, showing how family in-fighting has threatened to bring about their downfall. Whether it's the Redstone's courtroom battles or the feud over Henry Ford's reluctance to let go of the reins, the book reveals the origins, the extent and the final resolution of some of the most famous family feuds in recent history. Names you'll recognise include: the Gallo Family; the Guinness story; the Pathak family; and the Gucci family. An astonishing exposé of the way families do business and how arguments can threaten to blow a business apart, *Family Wars* also offers valuable advice on how such problems can be contained and solved.

Succeeding Generations

Explores the high failure rate and reveals how the family businesses endure through the generations, and offers advice on how to mentor successors in the family

The No Asshole Rule

Compensation is one of the most discussed items in business. And in a family business it gets personal. Authors Aronoff, McLure and Ward answer the some of the most important questions when it comes to the family what is fair pay among family members? How do I determine appropriate pay for my child? What should I pay my shareholders?

Work, Love, Pray

In the spring of 2010, Harvard Business School 's graduating class asked HBS professor Clay Christensen to address them—but not on how to apply his principles and thinking to their post-HBS careers. The students wanted to know how to apply his wisdom to their personal lives. He shared with them a set of guidelines that have helped him find meaning in his own life, which led to this now-classic article. Although Christensen 's thinking is rooted in his deep religious faith, these are strategies anyone can use. Since 1922, Harvard Business Review has been a leading source of breakthrough ideas in management practice. The Harvard Business Review Classics series now offers you the opportunity to make these seminal pieces a part of your permanent management library. Each highly readable volume contains a groundbreaking idea that continues to shape best practices and inspire countless managers around the world.

HBR Working Parents Series Collection (3 Books) (HBR Working Parents Series)

FAMILY BUSINESS, 3e, INTERNATIONAL EDITION provides the next generation of family business owners with the knowledge and skills needed for the successful management and leadership of the family enterprise. The author, Ernesto Poza, uses both text and cases to explore a diverse set of family firms, examining the interrelationships between the owners, the family, and the management team.

FAMILY BUSINESS, 3e, INTERNATIONAL EDITION at its core, is a practical book that presents management and family practices to model success as well as an honest look at the advantages and challenges facing family enterprises. With an emphasis on leadership and positioning for the future, FAMILY BUSINESS, 3e, INTERNATIONAL EDITION illustrates how the family enterprise can achieve sustained growth and continuity through generations.

Family Business Compensation

Forget about the hard bargain. Whether you 're discussing the terms of a high-stakes deal, forming a key partnership, asking for a raise, or planning a family event, negotiating can be stressful. One person makes a demand, the other concedes a point. In the end, you settle on a subpar solution in the middle—if you come to any

agreement at all. But these discussions don't need to be win-or-lose situations. Written by negotiation expert Jeff Weiss, the HBR Guide to Negotiating provides a disciplined approach to finding a solution that works for everyone involved. Using a seven-part framework, this book delivers tips and advice to move you from a game of concessions and compromises to one of collaboration and creativity, resulting in better outcomes and better working relationships. You'll learn how to: Prepare for your conversation Understand everyone's interests Craft the right message Work with multiple parties Disarm aggressive negotiators Choose the best solution

Hardball

Ten years ago, world-renowned professors W. Chan Kim and Renee Mauborgne broke ground by introducing "blue ocean strategy," a new model for discovering uncontested markets that are ripe for growth. In this bound version of their bestselling Harvard Business Review classic article, they apply their concepts and tools to what is perhaps the greatest challenge of leadership: closing the gulf between the potential and the realized talent and energy of employees. Research indicates that this gulf is vast: According to Gallup, 70% of workers are disengaged from their jobs. If companies could find a way to convert them into engaged employees, the results could be transformative. The trouble is, managers lack a clear understanding of what changes they could make to bring out the best in everyone. In this article, Kim and Mauborgne offer a solution to that problem: a systematic

Bookmark File PDF The Harvard Business Review Family Business Handbook How To Build And Sustain A Successful Enduring Enterprise Hbr Handbooks

approach to uncovering, at each level of the organization, which leadership acts and activities will inspire employees to give their all, and a process for getting managers throughout the company to start doing them. Blue ocean leadership works because the managers' "customers"--that is, the people managers oversee and report to--are involved in identifying what's effective and what isn't. Moreover, the approach doesn't require leaders to alter who they are, just to undertake a different set of tasks. And that kind of change is much easier to implement and track than changes to values and mind-sets. The Harvard Business Review Classics series offers you the opportunity to make seminal Harvard Business Review articles a part of your permanent management library. Each highly readable volume contains a groundbreaking idea that continues to shape best practices and inspire countless managers around the world--and will have a direct impact on you today and for years to come.

Taking Care of Yourself (HBR Working Parents Series)

Our political system in America is broken, right? Wrong. The truth is, the American political system is working exactly how it is designed to work, and it isn't designed or optimized today to work for us—for ordinary citizens. Most people believe that our political system is a public institution with high-minded principles and impartial rules derived from the Constitution. In reality, it has become a private industry dominated by a textbook duopoly—the Democrats and the Republicans—and plagued and perverted

by unhealthy competition between the players. Tragically, it has therefore become incapable of delivering solutions to America's key economic and social challenges. In fact, there's virtually no connection between our political leaders solving problems and getting reelected. In *The Politics Industry*, business leader and path-breaking political innovator Katherine Gehl and world-renowned business strategist Michael Porter take a radical new approach. They ingeniously apply the tools of business analysis—and Porter's distinctive Five Forces framework—to show how the political system functions just as every other competitive industry does, and how the duopoly has led to the devastating outcomes we see today. Using this competition lens, Gehl and Porter identify the most powerful lever for change—a strategy comprised of a clear set of choices in two key areas: how our elections work and how we make our laws. Their bracing assessment and practical recommendations cut through the endless debate about various proposed fixes, such as term limits and campaign finance reform. The result: true political innovation. *The Politics Industry* is an original and completely nonpartisan guide that will open your eyes to the true dynamics and profound challenges of the American political system and provide real solutions for reshaping the system for the benefit of all. THE INSTITUTE FOR POLITICAL INNOVATION The authors will donate all royalties from the sale of this book to the Institute for Political Innovation.

The Value Profit Chain

In Building a Successful Family Business Board , the authors show why private firms need the in-depth expertise and objective feedback that a well-chosen board, including qualified independent directors, can provide, and demonstrates how owners and directors can work together to ensure a long and profitable life for the firm.

Parents Who Lead

Stop juggling and start managing everything you need to do at home and at work. It used to be simple before kids: Say yes to everything, stay late, turn in flawless work, catch up on sleep later. But now you need a different mindset to succeed at work, as a parent, and as a family member. Getting It All Done can't teach you to be in two places at once, but it provides you with expert advice as you manage the challenges of succeeding at work while making sure your family is housed, fed, healthy, safe, and educated. You'll learn to: Delegate, enlist the help you need, and say no to taking on more Put your management skills to work outside the office Get more work done with kids at home Move on with resilience when you drop the ball Navigate the chaos during the busiest times at work and at home The HBR Working Parents Series provides support as you anticipate challenges, learn how to advocate for yourself more effectively, juggle your impossible schedule, and find fulfillment at home and at work. Whether you 're up with a newborn or planning the future with your teen, you'll find the practical tips, strategies, and research you need to make working parenthood work for you.

How Will You Measure Your Life? (Harvard Business Review Classics)

Examines the structure and management of family-owned businesses, from small companies to multinational conglomerates, discussing how they differ from public companies and how they move through generational changes in leadership

The Harvard Business Review Entrepreneur's Handbook

The definitive guide to working with -- and surviving -- bullies, creeps, jerks, tyrants, tormentors, despots, backstabbers, egomaniacs, and all the other assholes who do their best to destroy you at work. "What an asshole!" How many times have you said that about someone at work? You're not alone! In this groundbreaking book, Stanford University professor Robert I. Sutton builds on his acclaimed Harvard Business Review article to show you the best ways to deal with assholes and why they can be so destructive to your company. Practical, compassionate, and in places downright funny, this guide offers: Strategies on how to pinpoint and eliminate negative influences for good Illuminating case histories from major organizations A self-diagnostic test and a program to identify and keep your own "inner jerk" from coming out The No Asshole Rule is a New York Times, Wall Street Journal, USA Today and Business Week bestseller.

Managing the Family Business

Navigate the complex decisions and critical relationships necessary to create and sustain a healthy family business—and business family. Though "family business" may sound like it refers only to mom-and-pop shops, businesses owned by families are among the most significant and numerous in the world. But surprisingly few resources exist to help navigate the unique challenges you face when you share the executive suite, financial statements, and holidays. How do you make the right decisions, critical to the long-term survival of any business, with the added challenge of having to do so within the context of a family? The HBR Family Business Handbook brings you sophisticated guidance and practical advice from family business experts Josh Baron and Rob Lachenauer. Drawing on their decades-long experience working closely with a wide range of family businesses of all sizes around the world, the authors present proven methods and approaches for communicating effectively, managing conflict, building the right governance structures, and more. In the HBR Family Business Handbook you'll find:

- A new perspective on what makes family businesses succeed and fail
- A framework to help you make good decisions together
- Step-by-step guidance on managing change within your business family
- Key questions about wealth, unique to family businesses, that you can't afford to ignore
- Assessments to help you determine where you are—and where you want to go
- Stories of real companies, from Marchesi Antinori to Radio Flyer
- Chapter summaries you can use to reinforce what you've learned

Keep this comprehensive guide with you to help

you build, grow, and position your family business to thrive across generations. HBR Handbooks provide ambitious professionals with the frameworks, advice, and tools they need to excel in their careers. With step-by-step guidance, time-honed best practices, and real-life stories, each comprehensive volume helps you to stand out from the pack—whatever your role.

Passion & Purpose

You can be the leader you want to be--today and every day. Do you find yourself wishing you had more hours in the day? Do you want to do more, yet feel you just can't add another thing to your plate without being overwhelmed by stress or compromising your health, relationships, and integrity? No doubt, as a leader, there are some days when you feel the flow. You're able to make a difference and achieve big goals. You feel confident and energized. On days like this, you are your best self--the leader you want to be. But on other days, you go down a different, negative path, with pressures and doubts making you feel like a lesser version of yourself. How can you be the leader you want to be, every day? The answer is more than a time-management system or a silver-bullet solution for changing your routines. Leadership expert and coach Amy Jen Su's powerful new book helps readers discover that the answer lies within. By focusing in specific ways on five key leadership elements--Purpose, Process, People, Presence, and Peace--you can increase your time, capacity, energy, and ultimately your impact, with less stress and

more equanimity. Drawing on rich and instructive stories of clients, leaders, artists, and athletes, as well as on research by experts, the author brings together the best of both Western management thinking and Eastern philosophy to provide a holistic yet hands-on approach. The Leader You Want to Be is your indispensable guide to tapping into and expanding your leadership capacity so that you can be your best, sustain yourself, and thrive as a leader.
