It ’ s not an easy task and many people don ’ t make the effort as they probably feel it ’ s not that important. But, if you ’ re in a place where you ’ re questioning your lifestyle and what you do for a living, then this should be the first step you take to identify what you really want to spend the majority of your time doing. At ClickDo Ltd., a digital marketing & SEO agency in London, the authors do what they love every single day and with this book they want to provide you with inspiration to find something you can see yourself doing in the near future. Fernando Raymond, the CEO of ClickDo Ltd., and Manuela Willbold, blogger & senior content writer at ClickDo Ltd., have created this guide with a mission to show people that as the internet marketplace grows, there are almost endless work options online for anyone with any talent and skill. With the creative support and vision of ClickDo senior web designer Kasun Sameera, this book has come to life. “ In 20 years, you will be more disappointed by what you didn ’ t do than by what you did. “ – Mark Twain, American writer We ’ ve all gone through this same experience: we went to school, got a degree and worked – but did we do what we felt passionate about? Fernando started ClickDo Ltd. because he asked himself that exact question. His vision was to lead a free life where he could work from anywhere in the world. He identified his passion for SEO and digital marketing and set up ClickDo Ltd. with only a few clients in the early days. Kasun joined him and together they went on the journey of building many more online businesses like web hosting company SeekaHost. Manuela felt an emerging passion for writing while working as a teacher and found ClickDo while searching for WordPress Training to start her own blog. Now, she writes content and manages various ClickDo blogs. If they can do it, so can you!

You will be amazed at how simple these strategies and concepts are and how easy it will be for you to apply them to your own business or project. Here's what's in the book: Things to consider before you start; 5 crucial things you must consider before you start pouring in your hard earned money. Ignore it at your own peril. Planning a home based business; complete, step by step instructions on how to plan and start a new home business. You get specifically designed instructions for each of these essential phases: information gathering, selecting a business, time management, home site evaluation, business organization, developing a marketing plan, creating a profit and loss projection, and more. This is must-know must-do information; ignore it and you stand a good chance to fail. Fundamentals of home business financial planning; tried and tested business boosting ideas to help you stay pointed toward profit. How to estimate your start-up costs; easy to grasp explanations that you can apply immediately to make sure your business will be on the right track. Plus, common mistakes you should avoid. Record keeping; what are the three facts your records should tell you to instantly reveal inherent problems and hidden opportunities. Taxes; discover how to take advantage of the significant tax savings that are available to the home-based business owner in the form of deductions, credits, and depreciation allowances. Zoning, licensing and permits; laws and regulations you must be aware of to avoid legal errors. How to build the image of your home business; simple, easy to copy ideas that will enhance your image - and the response you get from your customers. The initial promotion for a new home based business; practical techniques you can put to work immediately. Effective home business ideas that bring immediate results; what are the secrets behind the people who have million dollar home based businesses? Discover the 24 techniques proven to turn your home business into a money machine. All these and much much more. My name is Meir Liraz and I'm the author of this book. According to Dun & Bradstreet, 90% of all business failures analyzed can be traced to poor management. This is backed up by my own experience. In my 31 years as a business coach and consultant to small businesses, I've seen practically dozens of small business owners go under and lose their businesses -- not because they weren't talented or smart enough -- but because they were trying to re-invent the wheel rather than rely on proven, tested methods that work. And that is where this book can help, it will teach you how to avoid the common traps and mistakes and do everything right the first time.

START-UP NATION addresses the trillion dollar question: How is it that Israel-- a country of 7.1 million, only 60 years old, surrounded by enemies, in a constant state of war since its founding, with no natural resources-- produces more start-up companies than large, peaceful, and stable nations like Japan, China, India, Korea, Canada and the UK? With the savvy of foreign policy insiders, Senor and Singer examine the lessons of the country's adversity-driven culture, which flattens hierarchy and elevates informality-- all backed up by government policies focused on innovation. In a world where economies as diverse as Ireland, Singapore and Dubai have tried to re-create the "Israel effect", there are entrepreneurial lessons well worth noting. As America reboots its own economy and can-do spirit, there's never been a better time to look at this remarkable and resilient nation for some impressive, surprising clues.

Starting a Business from Home gives you the valuable advice you need on how to run a successful business from your own desk and, crucially, how to rise to the challenge of business expansion. Packed with practical advice, Starting a Business From Home covers how to research your market, business ownership and titles issues, raising money and managing your finances, building and operating a website, writing a business plan, preparing your accounts, taking your product to market and expanding overseas - all from your home. Exercises, end of chapter actions and technical resources in the appendices mean that this is the ultimate practical guide for home-based entrepreneurs. Case studies from around the world showcase best practice and provide inspirational stories from successful businesses that began in the home.
