Revised Ordinances of Salt Lake City, Utah, 1920

When Jane Leonard gave half of her house to her only son, little did she realise that within twelve months, she would be forced to sell the home she had lived in for nearly five decades. The choice for this action was not hers, but the events that led up to her handing over fifty percent of Magnolia House paled by comparison to what happened after the ink had dried on the documents naming the new owners. As Magnolia House is put on the market for sale, love and betrayal, hopes and dreams and ultimately family loyalty will affect the lives of all of those who become involved.

Rediscover the heart of your home and your story. Home is meant to be a place to belong. A place to gather and connect. A place of beauty. A place to restore your soul.

Creating a restored home—the kind that you and your loved ones want to return to again and again—is as much about making everyone who enters feel cared for and comfortable as it is about creating a beautiful space. In Restoration House, home decor and lifestyle guide Kennesha Buycks of Restoration House blog shows you how to embrace your home and your story as you create mindful spaces that give life to you, your loved ones, and all who enter. With gorgeous photography and pages of practical tips for curating and decorating your home (even on a small budget) and welcoming others, Restoration House will help you make purposeful design decisions as you create renewing spaces for you to enjoy with family and friends. Whether you live in your dream house or you're still dreaming about it, you can feel at home in the home you have.

Shirley Jackson's *The Haunting of Hill House* has been hailed as a perfect work of unnerving terror. It is the story of four seekers who arrive at a notoriously unfriendly pile called Hill House: Dr. Montague, an occult scholar looking for solid evidence of a "haunting"; Theodora, his lighthearted assistant; Eleanor, a friendless, fragile young woman well acquainted with poltergeists; and Luke, the future heir of Hill House. At first, their stay seems destined to be merely a spooky encounter with inexplicable phenomena. But Hill House is gathering its powers—and soon it will choose one of them to make its own.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The House Connection

The rules of the houses of the natal chart and the connections between those houses provide a deep perspective of the personality and reveal answers to many questions that arise when interpreting charts for clients. This no-nonsense book explains clearly the rulers of the signs, the houses, the functions of these rulers, how to interpret the strongest house, and how aspects between house rulers work when reading the natal chart. This is an important book for students who are interested in understanding how the houses interrelate, for it explains why similar aspects between planets, or even planets in signs, will be affected by house placement and rulership.
