The Walking Dead: Here's Negan!

Who is Negan? Since his debut in THE WALKING DEAD #100, the charismatic psychopath has antagonized Rick Grimes, murdered his friend with a baseball bat wrapped in barb wire (which he calls "Lucille"), and led the Saviors into war against Alexandria and the neighboring communities. But who was he before society broke down? That question will be answered here, collecting the ñHEREÍ'S NEGAN!î story originally serialized in IMAGE+ magazine

The Walking Dead Omnibus

Winner of the 2011 Diamond Gem Award for Trade Book of the Year In the Walking Dead universe, there is no greater villain than The Governor. The despot who runs the walled-off town of Woodbury, he has his own sick sense of justice: whether it's forcing prisoners to battle zombies in an arena for the townspeople's amusement, or chopping off the appendages of those who cross him. The Governor was voted "Villain of the Year" by Wizard magazine the year he debuted, and his story arc was the most controversial in the history of the Walking Dead comic book series. Now, for the first time, fans of The Walking Dead will

body. Separated from his family he must now sort through the death and confusion to try and find his wife and son. Collects issues #1-6.

The Walking Dead. Vol. 10, What We Become

From the ashes of a devastated Woodbury, Georgia, come two opposing camps of ragtag survivors, battling for domination in Invasion by Jay Bonansinga, the sixth novel in the bestselling spin-off series Robert Kirkman's The Walking Dead. Underground, in the labyrinth of ancient tunnels and mine shafts, Lilly Caul and her motley crew of senior citizens, misfits, and children struggle to build a new life. But a secret ambition still burns inside her: she wants her beloved town of Woodbury back from the plague of walkers, and now the only thing that stands in her way currently roams the wasted backwaters of Georgia Way out in the hinterlands, amidst the rising tide of walkers pushing in from all directions, the psychotic Reverend Jeremiah Garlitz rebuilds his army of followers with a diabolical secret weapon. Intending to destroy Lilly and her crew - the very people who vanquished his cultish church - he now has the means to bring a special brand of hell down upon the tunnel dwellers. The final confrontation between these two human factions unleashes an unthinkable weapon - forged from the monstrous hordes of undead,

perfected by a madman, and soaked in the blood of innocents.

The Walking Dead

This deluxe hardcover features the first 24 issues of the hit series (complete with covers) all in one massive, oversized slip-cased volume. Perfect for longtime fans, new readers, and anyone needing a heavy object with which to fend off The Walking Dead!

The Walking Dead #100

In this riveting, “gory, and action-packed” (Jonathan Maberry) survival thriller, set in the expansive world of Robert Kirkman’s The Walking Dead series, three people from different walks of life in China must join forces against the typhoon of undead as chaos sweeps over Asia. In the aftermath of the zombie virus outbreak, what remains of the Chinese government has estimated that one billion walkers (called jiangshi) are currently roaming through the country. Across this dramatic landscape, large groups of survivors have clustered together for safety in villages and towns that have been built vertically as a means of protection against the unceasing wave of

How To Download eBook The Walking Dead Book 10 Walking Dead 12 Stories

jiangshi. Before this devastation, Zhu was one of the millions of poor farmers who left their rural roots for the promise of consistent employment in one of China's booming factory towns. Elena was an American teaching English in China while on a gap year before beginning law school. Hengyen was a grizzled military officer of some renown, and a passionate believer in his nation's ability to surmount any obstacle. But with the settlement's 3,000 mouths to feed and the scavengers having to travel further and further in search of food, Zhu ends up at his home village, where he is shocked to find survivors. Does he force them to join the settlement or keep their existence a secret? Meanwhile, Hengyen is tasked with the impossible: fortifying the Beacon against a 100,000-strong "typhoon" of walkers header their way. Even though he realizes that the Beacon hardly stands a chance, Hengyen is a believer and will stand with his compatriots to the very last, bringing him into conflict with Zhu, who intends to flee the path of the typhoon and make for the safety of China's dramatic mountain ranges before it's too late. Given "two decaying thumbs up," (Jonathan Mayberry, author of *Rot & Ruin*), this book is sure to get your heart racing and leave you wanting more!

The Walking Dead: Alien

The Fall of the Governor Part Two by Robert Kirkman and Jay Bonansinga is the fourth novel in the New York Times bestselling series based on the award-winning comic books and blockbuster television show. In the first in the series, Rise of the Governor, über-villain Philip Blake journeyed from his humble beginnings directly into the dark heart of the zombie apocalypse, and became the self-proclaimed leader of a small town called Woodbury. In book two, The Road to Woodbury, an innocent traveller named Lilly Caul wound up in the terrifying thrall of Phillip Blake's twisted, violent dictatorship within Woodbury's ever-tightening barricades. In The Fall of the Governor, Part One, classic characters from both the comic and television series, including Rick, Michonne and Glenn, finally made their appearance in the Walking Dead novel series, only to discover that the Governor is a very dangerous enemy. Now, after a pulse-pounding series of events,

possibly go wrong? For one brief moment, it seems Lilly and her plague-weary band of survivors might just engineer a better tomorrow. Banding together with other small town settlements, they begin a massive project to refurbish the railroad between Woodbury and Atlanta. The safer travel will begin a new post-apocalyptic era of trade, progress, and democracy. Little do they know, however, that trouble is brewing back home. Out of nowhere, a brutal new faction has attacked Woodbury while Lilly and the others have been off repairing the railroad. Now the barricades are burning. Adults have been murdered, children kidnapped. But why? Why subject innocent survivors to such a random, unprovoked assault? Lilly Caul and her ragtag posse of rescuers will soon discover the chilling answers to these questions and more as they launch a desperate mission to save the kidnapped children. But along the way, the dark odyssey will take them into a nightmarish series of traps and hellish encounters with incomprehensible swarms of undead. And as always, in the world of the Walking Dead, the walkers will prove to be the least of Lilly's problems. It's what the human adversaries have in store for her that will provide Lilly's greatest challenge yet.

goods, and Hershel's spaghetti, this is the ultimate gift for fans and walker-wary survivalists alike.

The Walking Dead

Written by Jay Bonansinga, based on the original series created by Robert Kirkman, *The Walking Dead: Descent* follows the events of *The Fall of the Governor*, and Lilly Caul's struggles to rebuild Woodbury after the Governor's shocking demise. Out of the ashes of its dark past, Woodbury, Georgia, becomes an oasis of safety amidst the plague of the walking dead - a town reborn in the wake of its former tyrannical leader, Philip Blake, aka The Governor. Blake's legacy of madness haunts every nook and cranny of this little walled community, but Lilly Caul and a small ragtag band of survivors are determined to overcome their traumatic past despite the fact that a super-herd is closing in on them. This vast stampede of zombies, driven by inexorable hunger and aimed directly at Woodbury, becomes their first true test. But Lilly and company refuse to succumb, and in a stunning counteroffensive, the beleaguered townspeople save themselves by joining forces with a mysterious religious sect fresh from the wilderness. Led by an enigmatic preacher named Jeremiah, this rogue church group seems tailor made for Woodbury and Lilly's dream of a

How To Download eBook The Walking Dead Book 10 Walking Dead 12 Stories

democratic, family-friendly future. The two factions meld into one, the town prospers, and everything seems hopeful for the first time since the plague broke out. But things - especially in the world of the walking dead - are often not what they seem. Jeremiah and his followers harbor a dark secret, the evidence of which very gradually begins to unravel. Along with a popular TV show also based on Kirkman's AMC comic books, The Walking Dead franchise is just getting better and better with Bonansinga's newest novel. In a stunning and horrifying finale, the world for Lilly and her close friends is turned upside down, and it is solely up to Lilly Caul to cleanse the town once and for all of its poisonous fate. These novels continue to be a great companion for fans of the television series and graphic novels!

The Walking Dead: Compendium 2

The first book explained how the Governor was created; this thrilling sequel to The New York Times bestseller further reveals his ruthless, inhuman conquest of Woodbury. The zombie plague unleashes its horrors on the suburbs of Atlanta without warning, pitting the living against the dead. Caught in the mass exodus, Lilly Caul struggles to survive in a series of ragtag encampments and improvised shelters. But the Walkers are multiplying. Dogged by their feral hunger for flesh and

How To Download eBook The Walking Dead Book 10 Walking Dead 12 Stories

crippled by fear, Lilly relies on the protection of good Samaritans by seeking refuge in a walled-in town once known as Woodbury, Georgia. At first, Woodbury seems like a perfect sanctuary. Squatters barter services for food, people have roofs over their heads, and the barricade expands, growing stronger every day. Best of all, a mysterious self-proclaimed leader named Philip Blake keeps the citizens in line. But Lilly begins to suspect that all is not as it seems. . . . Blake, who has recently begun to call himself The Governor, has disturbing ideas about law and order. Ultimately, Lilly and a band of rebels open up a Pandora's box of mayhem and destruction when they challenge The Governor's reign . . . and the road to Woodbury becomes the highway to hell in this riveting follow-up to Robert Kirkman and Jay Bonansinga's New York Times bestselling *The Walking Dead: Rise of the Governor*.

Invasion

The group's temporary respite from violence threatens to be shattered when a horde of zombies discovers their community.

The Walking Dead: Rise of the Governor

How To Download eBook The Walking Dead Book 10 Walking Dead 12 Stories

The Walking Dead Compendium is here! Since 2003, Robert Kirkman's The Walking Dead has been redefining the survival horror genre with its unique and vivid account of life after the end of the world. Although the cast is diverse and often changing (including, of course, a great number of zombies), at the heart of every tale is Rick Grimes: former police officer, husband, father, and de facto leader of a ragtag band of survivors looking to make a future for themselves in a world that no longer has one. To call The Walking Dead a zombie tale is accurate to a point, but it touches on only one facet of a story that asks timeless questions about what it means to live. It also asks whether or not this is possible in a world full of the dead. This is a great opportunity to experience this gripping read for the first time or catch up on the tale with the first four years worth of material, collected in one volume for the first time. The first eight volumes of this fan-favorite series collected into one massive collection. This volume collects THE WALKING DEAD #1-48.
