Cold Hard Truth

A guide to gaining financial independence simplifies and clarifies the subject of personal finance planning, describing how anyone can become wealthy without speculation and unnecessary risk

A Handbook of the Troubadours

Have you ever wished you were sitting on an island looking out over emerald blue green waters with a slight breeze blowing across your face? You are sipping on a nice cold drink and watching as the boats go by. A young couple parasailing catches the corner of your eye. You hear the laughter of the young couple, as the sun cast this beautiful sunset across the sky. The waves are lapping on the beautiful sugar white sand. Awe, you are in paradise. Let us tell you how you can stop slaving behind the chair and enjoy paradise everyday. In this book, you will have a map that is mapped out for you step by step all you have to do is follow the steps to owning your business. By buying this book you have taken your first step into becoming your own entrepreneurs. Start following the map step by step and you to will be sitting on this big beautiful island.

The Salon Building Bible

Were the people who developed successful businesses lucky or did they have special talents? In 'Amazing Entrepreneurs' you can explore these questions through the lives of some of the world's most inspirational people and perhaps be motivated to do likewise! Helena Rubinstein was lucky to find a sponsor for her skin care business but it was her vision and tenacity that ensured her success. Ray Kroc's entrepreneurial talents enabled him to grow McDonalds from a local burger joint into an international phenomenon. The great life stories and achievements of characters including Thomas Edison, Madam C.J. Walker, Henry Ford, Walt Disney, Beulah Henry and William Boeing come alive in a unique way through BioViews(R). A BioView(R) is a short biographical story, similar to an interview. These unique stories provide from Amazing People Worldwide(R) an easy way of learning about amazing people who made major contributions and changed our world. These are inspirational stories that can help you achieve your ambitions in your journey through life.

Who Says Elephants Can't Dance?

7 Lessons from Heaven

Who Says Elephants Can't Dance? sums up Lou Gerstner's historic business achievement, bringing IBM back from the brink of insolvency to lead the computer business once again. Offering a unique case study drawn from decades of experience at some of America's top companies -- McKinsey, American Express, RJR Nabisco -- Gerstner's insights into management and leadership are applicable to any business, at any level. Ranging from strategy to public relations, from finance to organization, Gerstner reveals the lessons of a lifetime running highly successful companies.

Smart Women Finish Rich, Expanded and Updated

The Motley Fool Investment Guide for Teens

In this short, powerful book, multimillionaire and bestselling author Steven K. Scott reveals King Solomon 's breakthrough strategies to achieve a life of financial success and personal fulfillment. Steve Scott flunked out of every job he held in his first six years after college. He couldn 't succeed no matter how hard he tried. Then Dr. Gary Smalley challenged him to study the book of Proverbs, promising that in doing so he would achieve greater success and happiness than he had ever known. That promise came true, making Scott a millionaire many times over. In The Richest Man Who Ever Lived, Scott reveals Solomon 's key for winning every race, explains how to resolve conflicts and turn enemies into allies, and discloses the five qualities essential to becoming a valued and admired person at work and in your personal life. Scott illustrates each of Solomon 's insights and strategies with anecdotes about his personal successes and failures, as well as those of such extraordinary people as Benjamin Franklin, Thomas Edison, Oprah Winfrey, Bill Gates, and Steven Spielberg. At once inspiring and instructive, The Richest Man Who Ever Lived weaves the timeless truths of one of our greatest works of literature into a detailed roadmap for successful living today.

Management

The best-selling author of The Courage to Be Rich and You've Earned It, Don't Lose It shows readers how to obtain control over their money through changing their spending habits; how to understand investments, retirement, insurance, and credit; and how to gain true financial freedom. Reprint. 250,000 first printing.

The E-Myth Manager

Australian edition of a financial planning guidebook, originally published in 1991. Concepts are illustrated using the fictional character of a wealthy barber who offers his barbershop customers strategies to improve their finances. The author lives in Canada and is the head of a consulting firm that specialises in teaching financial planning techniques.

Millionaire Barber Stylist

We 're always promising ourselves that we are going to get on top of our finances -- finally pay down debt, start that investment portfolio, pay attention to our superannuation. But then life gets in the way. As we juggle the commitments and responsibilities in our busy lives, good money habits can quickly fade away. Canna Campbell is an experienced financial planner, and also a mother, partner and entrepreneur. She understands the challenge of trying to maintain balance and motivation when you 're time-poor, and she 's used this experience to develop an inspirational and effective approach to personal finance management. She shows you how to look at your finances with holistic and powerful mindfulness, easily incorporating her step-by-

Free Copy PDF The Wealthy Barber Updated 3rd Edition Everyone's Commonsense Guide To Becoming Financially Independent

step advice into your daily habits and routines. From new banking rituals and money mindsets to growing passive income through shares and property, she will help you shed the excess and embrace what you really love, value, use and appreciate — including your necessary luxuries. Canna leads by example, sharing her personal tips and tricks for building, managing and protecting your money. No matter what you earn or what level of knowledge you have, Mindful Money will help you to see that financial independence is achievable.

‘ Canna Campbell offers a glamorous vision of a life of minimalism and saving. Not spending feels more like a creative challenge connected to a sense of purpose, rather than deprivation. ’ New York Times

Modern Cosmology in Retrospect

This volume recounts the development of modern cosmology, in chapters contributed by many of the leading protagonists. Modern cosmology aims to determine the origin, evolution, and ultimate fate of the universe. It is an area of modern science that has engendered fierce debates that have captured public interest. This is an absorbing account of physical and observational cosmology, the great cosmological debates, important observations and the riddle of the dark matter. The enormous controversy surrounding the Big Bang theory is retold in personal recollections from H. Bondi, W. McCrea, and Fred Hoyle. Next are three chapters on the discovery of cosmic radio waves and the contributions made by radio astronomers to current cosmology. The book concludes with a tribute to some of the pioneers of cosmology. This is fascinating reading for astronomers, professional cosmologists, general physicists, historians, philosophers of science and general readers.

Pitch Perfect (movie tie-in)

The national bestseller that helps you turn common sense into money in the bank—now updated with 10 new rules to live by Gail Vaz-Oxlade likes to say that managing money isn't rocket science, it's discipline. But even she acknowledges that there are tricks to her trade and that making money decisions often feels more complicated than it needs to be. So, where do you start? With Gail's Money Rules, of course—her essential rules for making your money work for you. Covering every topic under the financial sun—from TFSA's to taxes, borrowing to breaking bad habits, relationships to RRSPs—Gail will show you that many of the rules you may have been following might actually be working against your best interests. Some of her advice is, as she says, common sense (Rule #17: Needs Must Come Before Wants), some of it is surprising (Rule #222: Don't Borrow to Contribute to an RRSP) and some may even seem counterintuitive coming from Gail (Rule #261: Take Pleasure from Your Money). New to this edition are rules that will help you maximize the return on your savings, get your head straight about what renovations really mean for your bottom line, and calculate your burn rate. All of the rules are divided into digestible pieces that give you a clear sense of what works and what doesn't—and how to start incorporating her advice into your life today. For money-phobes, this book will be a kick in the pants; for money minders, it will ease the worry that they've left a stone unturned; for everyone, Money Rules reveals what it takes to build a financial foundation that will last a lifetime.

Drawing and Painting Expressive Little Faces

America's elite have been using cash value life insurance to stockpile wealth for centuries. Used correctly, it is better described as a personal bank on steroids, and a financial bunker for tough times. To be clear, this book is not about the typical garbage peddled by most insurance agents. Rather, an alternative to the risky investment strategies taught by Wall Street. It details a highly efficient form of cash value life insurance designed to supercharge your savings and stockpile wealth. A product so powerful it's responsible for the success of Walt Disney, JC Penney, Ray Kroc, and thousands of others. Here's what you'll discover: How the wealthy use this vehicle to create more wealth, take less risk, and create predictable income down the road

Free Copy PDF The Wealthy Barber Updated 3rd Edition Everyone's Commonsense Guide To Becoming Financially Independent

Why banks and corporations place billions of dollars in this powerful vehicle How I earned over 300 percent returns leveraging my life insurance policies How you can create a safe, predictable foundation to enhance every financial decision you make How to win with taxes and keep more of the money you make While the information compiled into this book is valuable, you'll also find three case studies that show you exactly how it works. You'll be able to visually see how it grows, how it's accessed, as well as the future income that can be taken. _____ Influencers of this book are Nelson Nash, his book "Becoming Your Own Banker: Unlock the Infinite Banking Concept"; Pamela Yellen, her book "Bank on Yourself"; Dwayne Burnell, his book "Financial Independence in the 21st Century - Life Insurance * Utilize the Infinite Banking Concept * Compliment Your 401K - Retirement Planning With Permanent Whole Life versus Term or Universal - Create Financial Peace"; and my Father Dan Thompson, and his book "The Banking Effect: Acquiring wealth through your own Private Banking System." I was introduced to these financial strategies at a young age, and this book represents the effort and energy on both the part of everyone of my mentors, these authors here, as well as my own diligence in learning about and implementing these very same strategies into my personal finances. This book is designed to simplify some of the concepts surrounding cash value life insurance, such as Infinite Banking and Bank on Yourself, and make them easier to understand, stripping them down to the core benefits of cash value life insurance.

Financial Basics

Zamumo's Gifts

Organizations, like people, are creatures of habit. They tend to approach problems in predictable ways. This revolutionary book argues that such ingrained habits, which often masquerade as efficient procedures, actually obstruct growth. The 2,000 Percent Solution introduces "stall busting," a process that shows you how to recognize typical stalls (like poor communications, disbelief, misconceptions, procrastination, tradition and bureaucracy) and how to overcome them. Through unorthodox examples ranging from the sinking of the Titanic to sketches attributed to Leonardo da Vinci for a bicycle, The 2,000 Percent Solution redirects knee-jerk reactions onto more productive paths. In addition, you'll learn about a new set of thought processes for designing and implementing solutions that will reap benefits 20 times greater or faster than the same tired "normal" solutions. Packed with specific examples, advice and questions to help you improve your organization's process weaknesses, you'll learn how to go beyond today's best practices into the uncharted realm of what needs to be imagined and accomplished. Since the first printing of this book in 1999, organizations all over the world have made The 2,000 Percent Solution a daily resource for overcoming the dual challenges of tough competitors and a difficult business environment. We are particularly pleased that the book has become popular in the rapidly growing and changing markets of China. Readers say the advice and examples are as timely today as when the book was first published. We look forward to hearing your comments and questions at mitchell@mitchellandco.com.

The Richest Man Who Ever Lived

The Money Book for the Young, Fabulous & Broke

The Aladdin Factor

Along the fertile banks of the Mississippi River across from New Orleans, planter Camille Zeringue transformed a mediocre colonial plantation into a thriving gem of antebellum sugar production, complete

Free Copy PDF The Wealthy Barber Updated 3rd Edition Everyones Commonsense Guide To Becoming Financially Independent

with a columned mansion known as Seven Oaks. Under the moss-strewn oaks, the privileged master nurtured his own family, but enslaved many others. Excelling at agriculture, business, an ambitious canal enterprise, and local politics, Zeringue ascended to the very pinnacle of southern society. But his empire soon came crashing down. After the ravages of the Civil War and a nasty battle with a railroad company the family eventually lost the great estate. Seven Oaks ultimately ended up in the hands of distant railroad executives whose only desire was to rid themselves of this heap of history. *Lost Plantation: The Rise and Fall of Seven Oaks* tells both of Zeringue's climb to the top and of his legacy's eventual ruin. Preservationists and community members abhorred the railroad's indifferent attitude, and the question of the plantation mansion's fate fueled years of fiery, political battles. These hard-fought confrontations ended in 1977 when the exasperated railroad executives sent bulldozers through the decaying house. By analyzing one failed effort, *Lost Plantation* provides insight into the complex workings of American historical preservation efforts as a whole, while illustrating how southerners deal with their multifaceted past. The rise and fall of Seven Oaks is much more than just a local tragedy-it is a glaring example of how any community can be robbed of its history. Now, as parishes around New Orleans recognize the great aesthetic and monetary value of restoring plantation homes and attracting tourism, Jefferson Parish mourns a manor lost. Marc R. Matrana, Westwego, Louisiana, is a local historian and preservationist. See the author's site.

The Keys To Success

Reviews "A-M-A-Z-I-N-G! Jeff and Eric have done it again! I particularly loved the chapters on the resurgence of the American barbershop. It brought back memories of being a little boy and my early visits to the local barbershop. This inspiring and informative resource can help you define your financial goals and identify the steps you need to take to achieve them. Exploring common myths and misinformation surrounding wealth—such as “ money is the root of all evil ” —this book shows how overcoming fear and self-doubt can change the way you think about wealth and your potential for personal growth. Real-world examples illustrate how entrepreneurs can use alternative strategies to acquire properties below market value. Fully updated to reflect the current economic environment, this second edition includes the Top Ten Habits of Successful Wealth Dragons as well as new chapters on the foundations of true wealth and how to adopt abundance mentality. From expanded sections on multiple income streams to a more in-depth look at the psychology behind our approach to money, such as posing the question, “ Is money your friend?, ” this latest edition offers a roadmap to achieving infinite wealth. Knowing why you want to be wealthy increases your chances of becoming wealthy. This essential guide explores what lies beneath our relationship with money and offers practical methods to attain the freedom that monetary wealth affords and stresses the importance of having high moral wealth. Gain practical guidance delivered with an inspiring motivational message. Learn how to define your goals and maximize your likelihood of success. Explore the psychological patterns that prevent us from achieving our financial goals. Overcome the obstacles standing in the way of your financial freedom. It has never been more important to take control of your financial future. Uncertain economic futures, increasing healthcare costs, and unreliable retirement benefits are just a few reasons to start focusing on your financial future today. No matter what your ultimate goal is—whether you want to quit the daily grind, acquire assets for increased security, or build passive income streams to achieve true financial freedom—*The Wealth Dragon Way* shows you the best way to get there.

Get Better Or Get Beaten

Named the best personal finance book on the market by Consumers Union, Jane Bryant Quinn's bestseller *Making the Most of Your Money* has been completely revised and updated to provide a guide to financial recovery, independence, and success in the new economy. Getting your financial life on track and keeping it there -- nothing is more important to your family and you. This proven, comprehensive guidebook steers you around the risks and helps you make smart and profitable decisions at every stage of your life. Are you single, married, or divorced? A parent with a paycheck or a parent at home? Getting your first job or well along in your career? Helping your kids in college or your parents in their older age? Planning for retirement? Already retired and worried about how to make your money last? You'll find ideas to help you build your financial security here. Jane Bryant Quinn answers more questions more completely than any other personal-finance author on the market today. You'll reach for this book again and again as your life changes and new financial decisions arise. Here are just a few of the important subjects she examines:

- Setting priorities during and after a financial setback, and bouncing back
- Getting the most out of a bank while avoiding fees
- Credit card and debit card secrets that will save you money
- Family matters -- talking money before marriage and mediating claims during divorce
- Cutting the cost of student debt, and finding schools that will offer big "merit" scholarships to your child
- The simplest ways of pulling yourself out of debt
- Why it's so important to jump on the automatic-savings bandwagon
- Buying a house, selling one, or trying to rent your home when buyers aren't around
- Why credit scores are more important than ever, plus tips on keeping yours in the range most attractive to lenders
- Investing made easy -- mutual funds that are tailor-made for your future retirement
- What every investor needs to know about building wealth
- How an

Financial Peace Revisited

Terry O'Reilly, host of the popular radio show Under the Influence, provides the best stories about smart marketing for small business. In Terry's gifted presentation, This I Know is more than applied business techniques. It offers a unique view of contemporary life through the lens of advertising. Skillfully revealing the machinations behind the marketing curtains, O'Reilly explains how small business can harness the tricks of the trade that the biggest corporations use to create their own marketing buzz.

Money. Wealth. Life Insurance.

A practical financial guide covers such topics as eliminating debt, investing simply, making sound financial decisions, and revolutionizing relationships with the flow of money.

Making the Most of Your Money Now

More than ten years after his first bestselling book, The E-Myth, changed the lives of hundreds of thousands of small business owners, Michael Gerber 椀trepreneur, author, and speaker extraordinaire 椀res the next salvo in his highly successful E-Myth Revolution. Drawing on lessons learned from working with more than 15,000 small, medium-sized, and very large organisations, Gerber has discovered the truth behind why management doesn ' t work and what to do about it. Unearthing the arbitrary origins of commonly held doctrines such as the omniscience of leader (Emperor) and the most widely embraced myth of all 椀 E-Myth Manager offers a fresh, provocative alternative to management as we know it. It explores why every manager must take charge of his own life, reconcile his own personal vision with that of the organisation, and develop an entrepreneurial mind-set to achieve true success.

The Wealthy Barber

Addresses personal finance issues that are of relevance to today's world of high debt and disproportionate lifestyles, addressing such topics as credit cards, student loans, credit scores, insurance, and mortgages.

This I Know

This book is a reference volume and a digest of more than a century of scholarly work on troubadour poetry. Written by leading scholars, it summarizes the current consensus on the various facets of troubadour studies. Standing at the beginning of the history of modern European verse, the troubadours were the prime poets and composers of the twelfth and thirteenth centuries in the South of France. No study of medieval literature is complete without an examination of the courtly love which is celebrated in the elaborately rhymed stanzas of troubadour verse, creations whose words and melodies were imitated by poets and musicians all over medieval Europe. The words of about 2,500 troubadour songs have survived, along with 250 melodies, and all have come under intense scholarly scrutiny. This Handbook brings together the fruits of this scrutiny, giving teachers and students an overview of the fundamental issues in troubadour scholarship. All quotations are given in the original Old Occitan and in English. The editors provide a list of troubadour editions and an index, and each chapter includes a list of additional readings.

Be a \$100,000 Haircutter

"The Wealthy Gardener is a hybrid. It is half fiction, half nonfiction. Chapters are divided into life lessons, each opening with a fictional story followed by real-life anecdotes. Why this format? As a father I wanted to engage my son in many lessons on wealth, but I didn't want to preach at him. A better way to do it then was by creating a parable. Like reading a biography for pleasure and insight, learning through stories can be more enjoyable and profound. While this approach comes at the risk of oversimplifying principles, it is a risk chosen for the greater good of clarity. The hybrid format remains the best way to entertain, engage, and explain the lessons of prosperity"--

Lost Plantation

A guide to becoming financially independent with tips on saving and investing.

Money Rules

In 1540, Zamumo, the chief of the Altamahs in central Georgia, exchanged gifts with the Spanish conquistador Hernando de Soto. With these gifts began two centuries of exchanges that bound American Indians and the Spanish, English, and French who colonized the region. Whether they gave gifts for diplomacy or traded commodities for profit, Natives and newcomers alike used the exchange of goods such as cloth, deerskin, muskets, and sometimes people as a way of securing their influence. Gifts and trade enabled early colonies to survive and later colonies to prosper. Conversely, they upset the social balance of chiefdoms like Zamumo's and promoted the rise of new and powerful Indian confederacies like the Creeks and the Choctaws. Drawing on archaeological studies, colonial documents from three empires, and Native oral histories, Joseph M. Hall, Jr., offers fresh insights into broad segments of southeastern colonial history, including the success of Florida's Franciscan missionaries before 1640 and the impact of the Indian slave trade on French Louisiana after 1699. He also shows how gifts and trade shaped the Yamasee War, which pitted a number of southeastern tribes against English South Carolina in 1715-17. The exchanges at the heart of Zamumo's Gifts highlight how the history of Europeans and Native Americans cannot be understood without each other.

Amazing Entrepreneurs

Ivan Zoot shares a 365 day program in how to become a \$100,000 haircutter. Everything you need to know is right here in an easy-to-use format.

The Wealth Dragon Way

"Dr. Mary Neal's unforgettable account of a 1999 kayaking accident that took her life, and what happened next, has riveted more than a million readers. But something happened as she shared her story in the years since. Not only did Neal realize she had more to tell, she discovered she had yet to answer the biggest question of all: How does knowing heaven is real change our lives on Earth?" -- Amazon.com.

The Wealthy Gardener

Jack Welch built GE into the most successful American corporation of the late 20th century. He accomplished this by focusing on quality, insisting on innovation, and forging a series of innovative business strategies that transformed GE from an overly bureaucratic, slow moving, and self-satisfied dinosaur into a lean, agile competitor. Like Jack Welch himself, *Get Better or Get Beaten*, 2nd Edition, continues to carve its own path and call its own shots. Updated to reflect the realities of today's 24/7/365 global e-economy, this classic management manifesto gets in your face and tells you what you need to know. For virtually every business situation, it answers one overriding question-- What would Welch do? --with clarity, purpose, and a singular focus on achieving bottom-line results. Small enough to fit in your coat pocket, yet bursting with Welch's leadership secrets on every page, it paints a compelling picture of how to teach employees--and yourself--to accept nothing but the best. Look inside to discover: Strategies Welch used to pull off the largest acquisition in GE's history--the stunning \$48-billion purchase of Honeywell How Welch is using e-communication to energize and revitalize every corner of GE--from the mailroom to the boardroom The inside story on Six Sigma--Welch's sweeping quality initiative that is the foundation of GE's success Jack Welch is a no-nonsense leader and has acknowledged that, when preparing for a speech, he has frequently peeked into *Get Better or Get Beaten*. Hard-hitting and honest, it is today's most entertaining and enlightening book on climbing to the top of today's corporate ladder--and doing what it takes to stay there.

The 2,000 Percent Solution

- Revised anniversary edition and next entry in the Weil Series in Liturgics
- Well-known book; well-respected authors
- Timely, as The Episcopal Church considers the shape that prayer book revision may take 2015 marks the thirtieth anniversary of Lee Mitchell 's great standard work on the 1979 Book of Common Prayer. As his student, protégé, and colleague, Ruth Meyers takes this classic work and updates it for the Church in its current era and for the future. For clergy, seminarians, liturgists, historians

Praying Shapes Believing

Kevin O ' Leary shares invaluable secrets on entrepreneurship, business, money and life. Can you make millions just by " visualizing yourself rich " as some business prophets suggest? Don ' t buy it, says Kevin O ' Leary. If you want to be a successful entrepreneur and amass wealth, you ' re going to have to work for it. But the good news is: with the right guidance, focus and perseverance, you can turn entrepreneurial vision into lucrative reality and have the personal freedom that only wealth can buy. Kevin O ' Leary would know. The much-feared and revered Dragon on the immensely popular show *Dragons ' Den* (and *Shark Tank* in the U.S.) started his company in his basement with a \$10,000 loan from his financially savvy mother. A few years later, Kevin sold that company for more than four billion dollars. In this compelling, candid and, above

all else, brutally honest business memoir, Kevin provides engaging, practical advice and lessons that will give anyone a distinct competitive edge. From the Hardcover edition.

Personal Financial Planning

Students are confronted with major financial decisions as they enter college, and yet they have little experience with personal finance. Their decisions, if not well made, could adversely affect them throughout their lives. This book is meant to empower students at the beginning of their financial lives with basic, straightforward information on managing bank accounts, creating spending plans, determining how much they can afford to pay for college, making student-loan decisions, establishing a credit history, and other money-management options. This 2nd edition updates changes in online banking, smartphone apps, credit cards, and student loans but retains basic financial information that ensures students won't learn about money the hard way. A chapter for parents has been added so they can help their students become financially knowledgeable, and it includes advice for parents about making decisions related to college costs. In addition, a chapter for grandparents contains suggestions on how to help college-bound grandchildren--financially and in other ways--without endangering their own financial security. A basic investments chapter is included for first-time investors. The intent of Financial Basics is to enhance student readers' financial knowledge and provide money-management options for finding their own best way to become masters of their money.

Nine Steps to Financial Freedom

The Wealthy Barber

A musical tale of collegiate a cappella filled of high notes, high drama, and high jinks that inspired the hit films Pitch Perfect and Pitch Perfect 2. Get ready to be pitch slapped. The roots of unaccompanied vocal music stretch all the way back to Gregorian chants of the Middle Ages, and collegiate a cappella is over a century old. But what was once largely an Ivy League phenomenon has, in the past twenty years, exploded. And it ' s not what you think. Though the blue blazers and khakis may remain, a cappella groups at colleges across the country have become downright funky. In Pitch Perfect, journalist Mickey Rapkin follows a season in a cappella through all its twists and turns, covering the breathtaking displays of vocal talent, the groupies (yes, there are a cappella groupies), the rock-star partying, and all the bitter rivalries. Rapkin brings you into the world of collegiate a cappella characters—from movie-star looks and celebrity-size egos to a troubled new singer with the megawatt voice. Including encounters with a cappella alums like John Legend and Diane Sawyer and fans from Prince to presidents, Rapkin shows that a cappella isn ' t for the faint of heart—or lungs. Sure to strike a chord with fans of Glee and The Sing-Off, this raucous story of a cappella rock stars shows that sometimes, to get that perfect harmony, you have to embrace a little discord. From the Trade Paperback edition.

Mindful Money

The Wealthy Barber

Learn how to get everything you want with this motivational book from Jack Canfield and Mark Victor Hansen, the #1 New York Times bestselling authors of the Chicken Soup for the Soul series. Anything is possible if you dare to ask! Personal happiness. Creative fulfillment. Professional success. Freedom from fear—and a new promise of joy that's yours for the asking. We have the ability at our fingertips to achieve these things. It's the Aladdin Factor: the magical wellspring of confidence, desire—and the willingness to ask—that allows us to make wishes come true. Now bestselling motivational authors Jack Canfield and Mark Victor Hansen introduce us to the Aladdin Factor—and help us put it into effect in our own lives. The Aladdin Factor helps us by pinpointing the major stumbling blocks to asking—and teaching simple techniques to overcome them. With inspirational stories about people who have succeeded by asking for what they want, this book shows us how to turn our lives around—no matter what kind of obstacles we face. And with this knowledge, we can reap the riches of a truly well-lived life—a treasure that comes not from an enchanted lamp, but from the heart.
