Let Trump Be Trump

This inspiring memoir by the Muslim American Gold Star father and captivating DNC speaker is the story of one family's pursuit of the American dream. NAMED ONE OF THE FIVE BEST MEMOIRS OF THE YEAR BY THE WASHINGTON POST "Moving . . . a story about family and faith, told with a poet's sensibility . . . Khizr Khan's book can teach all of us what real American patriotism looks like." —The New York Times Book Review In fewer than three hundred words, Khizr Khan electrified viewers around the world when he took the stage at the 2016 Democratic National Convention. And when he offered to lend Donald Trump his own much-read and dog-eared pocket Constitution, his gesture perfectly encapsulated the feelings of millions. But who was that man, standing beside his wife, extolling the promises and virtues of the U.S. Constitution? In this urgent and timeless immigrant story, we learn that Khizr Khan has been many things. He was the oldest of ten children born to farmers in Pakistan, and a curious and thoughtful boy who listened rapt as his grandfather recited Rumi beneath the moonlight. He was a university student who read the Declaration of Independence and was awestruck by what might be possible in life. He was a hopeful suitor, awkwardly but earnestly trying to win the heart of a woman far out of his league. He was a brilliant and diligent young family man who worked two jobs to save enough money to put himself through Harvard Law School. He was a loving father who, having instilled in his children the ideals that brought him and his wife to America—the sense of shared dignity and mutual responsibility—tragically lost his son, an Army captain killed while protecting his base camp in Iraq. He was and is a patriot,

Access PDF Trump Rules Learn The Trump Rules And Tools Of Mega Success And Wealth From The Greatest Warrior And Winner In History

and a fierce advocate for the rights, dignities, and values enshrined in the American system. An American Family shows us who Khizr Khan and millions of other American immigrants are, and why—especially in these tumultuous times—we must not be afraid to step forward for what we believe in when it matters most. Praise for An American Family “An American Family is a small but lovely immigrant’s journey, full of carefully observed details from the order in which Ghazala served tea at a university event, to the schedule of the police patrols in the Boston Public Garden where Khan briefly slept while he was in between apartments, to the description of Humayun’s headstone as a ‘slab of white marble with soft streaks the color of wood smoke.’”—Alyssa Rosenberg, The Washington Post

Trump 101

In Trump 101, Trump himself becomes your personal mentor and coach as he shares tips, tactics, and strategies, all designed to help you make the most of yourself, your career, and your life. Each chapter covers a basic rule or belief, and shows you how to make it work for you. Learn the vital qualities and skills that every successful businessperson needs.

The Real Trump Deal

Washington Post national investigative reporter Carol Leonnig and White House bureau chief Philip Rucker, both Pulitzer Prize winners, provide the definitive insider narrative of Donald Trump's unique presidency with shocking new reporting and insight into its implications. "I alone can fix it." So went Donald J. Trump's march to the presidency on July 21, 2016, when he accepted the Republican presidential nomination in Cleveland, promising to restore what he described as a fallen nation. Yet over the subsequent years, as he has undertaken the actual work of the commander in chief, it has been hard to see beyond the daily chaos of scandal, investigation, and constant bluster. It would be all too easy to mistake Trump's first term for one of pure and uninhibited chaos, but there were patterns to his behavior and that of his associates. The universal value of the Trump administration is loyalty – not to the country, but to the president himself – and Trump's North Star has been the perpetuation of his own power, even when it meant imperiling our shaky and mistrustful democracy. Leonnig and Rucker, with deep and unmatched sources throughout Washington, D.C., tell of rages and frenzies but also moments of courage and perseverance. Relying on scores of exclusive new interviews with some of the most senior members of the Trump administration and other firsthand witnesses, the authors reveal the forty-fifth president up close, taking readers inside Robert Mueller's Russia investigation as well as the

Access PDF Trump Rules Learn The Trump Rules And Tools Of Mega Success And Wealth From The Greatest Warrior And Winner In History

president's own hap-hazard but ultimately successful legal defense. Here for the first time certain officials who have felt honor-bound not to publicly criticize a sitting president or to divulge what they witnessed in a position of trust tell the truth for the benefit of history. This peerless and gripping narrative reveals President Trump at his most unvarnished and exposes how decision making in his administration has been driven by a reflexive logic of self-preservation and self-aggrandizement - but a logic nonetheless. This is the story of how an unparalleled president has scrambled to survive and tested the strength of America's democracy and its common heart as a nation.

Media Madness

A rare, insider's look at the life of Donald Trump from Bill O'Reilly, the bestselling author of the Killing series, based on exclusive interview material and deep research Readers around the world have been enthralled by journalist and New York Times bestselling author Bill O'Reilly's Killing series-riveting works of nonfiction that explore the most famous events in history. Now, O'Reilly turns his razor-sharp observations to his most compelling subject thus far-President Donald J. Trump. In this thrilling narrative, O'Reilly blends primary, never-before-released interview material with a history that recounts Trump's childhood and family and the factors from his life and career that forged the worldview that the president of the United States has taken to the White House. Not a partisan pro-Trump or anti-Trump book, this is an up-to-the-minute, intimate view of the man and his sphere of influence-of "how Donald Trump's view of America was formed, and how it has changed since becoming the most powerful person in the world"- from a writer who has known the president for thirty years. This is an unprecedented, gripping account of the life of a sitting president as he makes history. As the author will tell you, "If you want some insight into the most unlikely political phenomenon of our lifetimes, you'll get it here."

Authoritarian Nightmare

It's not good enough to want it. You've got to know how to get it. Real estate titan, bestselling author, and TV star Donald J. Trump is the man to teach you the billionaire mind-set-how to think about money, career skills, and life. Here is crucial advice on investing in real estate from the expert, everything from dealing with brokers to renovating to assessing the value of property, buying and selling, and securing a mortgage. Trump will show you how to cut costs, decide how much risk to assume in your investments, and divide up your portfolio. He'll also teach you how to impress anyone, how to

Access PDF Trump Rules Learn The Trump Rules And Tools Of Mega Success And Wealth From The Greatest Warrior And Winner In History

correct or criticize someone effectively, and how to know if your friends are loyal—everything you need to know to get ahead. And once you've earned your money, you've got to learn to spend it well. Trump presents his consumer guide to the best things in life, from wine to golf clubs to engagement rings. Check out the billionaire lifestyle—how they shop and what they buy. Even if you're not superwealthy, you can afford many of these luxuries. And what look inside the Trump world would be complete without *The Apprentice*? Trump will take you behind the scenes, from the end of season one and into season two, with insights into the making and the meaning of TV's hottest show. As Donald Trump proves, getting rich is easy. Staying rich is harder. Your chances are better, and you'll have more fun, if you think like a billionaire. This is the book that will help you make a real difference in your life.

Elon Musk

#1 New York Times Bestseller America's top-rated cable news host offers his first book in ten years: a look at America's fight against those who would reverse our tradition of freedom—a fight we can't afford to lose in 2020. America is great for a reason. Built on principles of freedom, rugged individualism, and self-sufficiency, no country has ever accumulated more power and wealth, abused it less, or used that power more to advance the human condition. And yet, as America blossomed, leftwing radicalism and resentment festered beneath the surface, threatening to undermine democracy first in the sixties and now—more insidiously than ever—in the form of social justice warriors, the deep state, and compromised institutions like academia and the mainstream media. Our fate if we succumb to a Democratic victory in 2020? A big step toward full-blown socialism along with the economic dysfunction and social strife that are its hallmarks. With radical Democrats demanding the Green New Deal, socialized medicine, abortion on demand, open borders, abolishing the Electoral College, packing the Supreme Court, and an end to free speech, our great nation will be fundamentally transformed beyond recognition. Ronald Reagan once said, "Freedom is but one generation away from extinction," and his words have never rung truer. In *Live Free or Die*, Sean demonstrates why now is an All Hands on Deck moment to save the Republic. His solution is simple: if all you can do is vote, then vote. But if you can inform people of the truth, that's even better. And the truth is that the future of American freedom rests on Donald Trump's reelection.

Trump: Think Like a Billionaire

President Donald J. Trump lays out his professional and personal worldview in this classic work—a firsthand account of the rise of America's foremost deal-maker. "I like thinking big. I always have. To

Access PDF Trump Rules Learn The Trump Rules And Tools Of Mega Success And Wealth From The Greatest Warrior And Winner In History

me it's very simple: If you're going to be thinking anyway, you might as well think big."—Donald J. Trump Here is Trump in action—how he runs his organization and how he runs his life—as he meets the people he needs to meet, chats with family and friends, clashes with enemies, and challenges conventional thinking. But even a maverick plays by rules, and Trump has formulated time-tested guidelines for success. He isolates the common elements in his greatest accomplishments; he shatters myths; he names names, spells out the zeros, and fully reveals the deal-maker's art. And throughout, Trump talks—really talks—about how he does it. Trump: The Art of the Deal is an unguarded look at the mind of a brilliant entrepreneur—the ultimate read for anyone interested in the man behind the spotlight. Praise for Trump: The Art of the Deal “Trump makes one believe for a moment in the American dream again.”—The New York Times “Donald Trump is a deal maker. He is a deal maker the way lions are carnivores and water is wet.”—Chicago Tribune “Fascinating . . . wholly absorbing . . . conveys Trump's larger-than-life demeanor so vibrantly that the reader's attention is instantly and fully claimed.”—Boston Herald “A chatty, generous, chutzpa-filled autobiography.”—New York Post

Trump: The Art of the Deal

The Room Where It Happened

Elon Musk: The Life, Lessons & Rules for Success What can't Elon Musk do? As CEO of SpaceX and Tesla, founder of The Boring Company, and cofounder of OpenAI, Musk seems to be everywhere all at once, pushing all kinds of incredible new technologies. He's said he won't be happy until we've escaped Earth and colonized Mars. Between space rockets, electric cars, solar batteries, research into killer robots, and the billions he's made along the way, Musk is basically a real-life Tony Stark -- which is why he served as an inspiration for "Iron Man." But it wasn't always easy for Musk. This book covers how he went from getting bullied in school to small-time entrepreneur to CEO of two major companies that seem like they're straight out of science fiction -- and how he almost went broke along the way. The aim of this book is to be educational and inspirational with actionable principles you can incorporate into your own life straight from the great man himself. *INCLUDING* Elon Musk's 15 Rules for Success, 60 Greatest Quotes & 40 Little known facts! Trump Rules

NEW YORK TIMES BESTSELLER! Ivanka is donating the unpaid portion of her advance and all future royalties received from Women Who Work to the Ivanka M. Trump Charitable Fund, a donor advised fund that will make grants to organizations that empower and educate women and girls.* "This is a chatty step-by-step guide to living a happy life and getting ahead in a career." -USA Today "The advice is spot-on for everyone, not just women." -Tony Hsieh, CEO of Zappos.com and author of Delivering Happiness I believe that when it comes to women and work, there isn't one right answer. The only person who can create a life you'll love is you. Our grandmothers fought for the right to work. Our mothers fought for the choice to be in an office or to stay at home. Our generation is the first to fully embrace and celebrate the fact that our lives are multidimensional. Thanks to the women who came before us and paved the way, we can create the lives we want to lead—which look different for each of us. I've been fortunate to be able to build my career around my passions, from real estate to fashion. But my professional titles only begin to describe who I am and what I value. I have been an executive and an entrepreneur, but also—and just as importantly—a wife, mother, daughter, and friend. To me, "work" encompasses my efforts to succeed in all of these areas. After appearing on The Apprentice years ago and receiving a flood of letters from young women asking for guidance, I realized the need for more female leaders to speak out publicly in order to change the way society thinks and talks about "women who work." So I created a forum to do just that. This book evolves the conversation that started on IvankaTrump.com, where so many incredible women (and men!) have shared their experiences, advice, ambitions, and passions. Women who work lead meetings and train for marathons. We learn how to cook and how to code. We inspire our employees and our children. We innovate at our current jobs and start new businesses. Women Who Work will equip you with the best skills I've learned from some of the amazing people I've met, on subjects such as identifying opportunities, shifting careers smoothly, negotiating, leading teams, starting companies, managing work and family, and helping change the system to make it better for women—now and in the future. I hope it will inspire you to redefine success and architect a life that honors your individual passions and priorities, in a way only you can. * The Ivanka M. Trump Charitable Fund (the "Fund") is a donor advised fund that supports the economic empowerment of women and girls. Ivanka Trump is the grant advisor to the Fund and sole member of IT WWW Pub, LLC (the "LLC"), which receives royalties from the publication of Women Who Work. The LLC will contribute a minimum \$425,000 to the Fund, which is the unpaid portion of the advance, net of expenses. In addition, the LLC will contribute all future royalties it receives that are in excess of the advance to the Fund during the period from May 1, 2017 to May 1, 2022.

Access PDF Trump Rules Learn The Trump Rules And Tools Of Mega Success And Wealth From The Greatest Warrior And Winner In History

Trump on Trial

Conrad Black, bestselling author of *Franklin Delano Roosevelt: Champion of Freedom*, *Richard M. Nixon: A Life in Full*, and *Flight of the Eagle: America's Rise from Colonial Upstart to the World's Superpower*, turns his attention to his friend President Donald J. Trump and provides the most intriguing and significant, but certainly not uncritical, analysis yet of Trump's political rise. Ambitious in intellectual scope, contrarian in many of its opinions, and admirably concise, this is surely set to be one of the most provocative political books you are likely to read this year.

Donald Trump Top 10 Rules for Success

A comprehensive analysis of Donald Trump's legal history reveals his temperament, methods, character, and morality. Unlike all previous presidents who held distinguished positions in government or the military prior to entering office, Donald Trump's political worldview was molded in the courtroom. He sees law not as a system of rules to be obeyed and ethical ideals to be respected, but as a weapon to be used against his adversaries or a hurdle to be sidestepped when it gets in his way. He has weaponized the justice system throughout his career, and he has continued to use these backhanded tactics as Plaintiff in Chief. In this book, distinguished New York attorney James D. Zirin presents Trump's lengthy litigation history as an indication of his character and morality, and his findings are chilling: if you partner with Donald Trump, you will probably wind up litigating with him. If you enroll in his university or buy one of his apartments, chances are you will want your money back. If you are a woman and you get too close to him, you may need to watch your back. If you try to sue him, he's likely to defame you. If you make a deal with him, you had better get it in writing. If you are a lawyer, an architect, or even his dentist, you'd better get paid up front. If you venture an opinion that publicly criticizes him, you may be sued for libel. A window into the president's dark legal history, Plaintiff in Chief is as informative as it is disturbing.

Free, Melania

Instant New York Times Bestseller "Important and stunning. This is must-read material if you want to understand what the Trump administration is still up to right now." --Lawrence O'Donnell There are questions that the Mueller report couldn't--or wouldn't--answer. What actually happened to instigate the Russia investigation? Did President Trump's meddling incriminate him? There's no mystery to what Trump

Access PDF Trump Rules Learn The Trump Rules And Tools Of Mega Success And Wealth From The Greatest Warrior And Winner In History

thinks. He claims that the Deep State, a cabal of career bureaucrats--among them, Andrew McCabe, Lisa Page, and Peter Strzok, previously little known figures within the FBI whom he has obsessively and publically reviled--is concerned only with protecting its own power and undermining the democratic process. Conversely, James Comey has defended the FBI as incorruptible apolitical public servants who work tirelessly to uphold the rule of law. For the first time, bestselling author James B. Stewart sifts these conflicting accounts to present a clear-eyed view of what exactly happened inside the FBI in the lead-up to the 2016 election, drawing on scores of interviews with key FBI, Department of Justice, and White House officials and voluminous transcripts, notes, and internal reports. In full detail, this is the dramatic saga of the FBI's simultaneous investigations of both Hillary Clinton and Donald Trump--the first time in American history the FBI has been thrust into the middle of both parties' campaigns for the presidency. Stewart shows what exactly was set in motion when Trump fired Comey, triggering the appointment of Robert Mueller as an independent special counsel and causing the FBI to open a formal investigation into the president himself. And how this unprecedented event joined in ongoing combat two vital institutions of American democracy: the presidency and the Federal Bureau of Investigation. At stake in this epic battle is the rule of law itself, the foundation of the U.S. Constitution. There is no room for compromise, but plenty for collateral damage. The reputations of both sides have already been harmed, perhaps irrevocably, and at great cost to American democracy. Deep State goes beyond the limits of the legally constrained Mueller report, showing how the president's obsession with the idea of a conspiracy against him is still upending lives and sending shockwaves through both the FBI and the Department of Justice. In this world-historical struggle--Trump versus intelligence agencies--Stewart shows us in rare style what's real and what matters now. And for the looming 2020 election.

Plaintiff in Chief

"An analysis of the destruction the Trump administration has waged on our institutions, the cultural norms we hoped would save us, and our very sense of identity"--

Women Who Work

This is the book that the leftist elites don't want you to read -- Donald Trump, Jr., exposes all the tricks that the left uses to smear conservatives and push them out of the public square, from online "shadow banning" to rampant "political correctness." In Triggered, Donald Trump, Jr. will expose all the tricks that the left uses to smear conservatives and push them out of the public square, from online

Access PDF Trump Rules Learn The Trump Rules And Tools Of Mega Success And Wealth From The Greatest Warrior And Winner In History

"shadow banning" to fake accusations of "hate speech." No topic is spared from political correctness. This is the book that the leftist elites don't want you to read! Trump, Jr. will write about the importance of fighting back and standing up for what you believe in. From his childhood summers in Communist Czechoslovakia that began his political thought process, to working on construction sites with his father, to the major achievements of President Trump's administration, Donald Trump, Jr. spares no details and delivers a book that focuses on success and perseverance, and proves offense is the best defense.

Trump Never Give Up

The mainstream media and ultra-liberal Democrats can't understand why white voters, especially white men, are so angry. Wayne Allyn Root is an angry white male, and he knows why. This is his story, his testimony, and a look at what's happening to an entire group of good people: law-abiding, tax-paying, hard-working, middle-class people. They're being targeted, silenced, intimidated, persecuted – virtually wiped off the planet – in order to make guilty, politically correct white liberals feel better about themselves. It's open season on white males. And yes, you're damn right they're angry. In *Angry White Male*, Root makes his case why he and his brethren have every right to be angry. Millions of angry white males are not on the attack but rather responding in self-defense. Root urges the middle class to take charge before they are protested and legislated out of existence, penniless, powerless, jobless, afraid to speak for fear of being shouted down and immediately labeled "racist." Not afraid of being politically incorrect, *Angry White Male* exposes the unfair and unregulated policies, politically correct attitudes, and reverse racism that have recently oppressed and depressed the shrinking middle class – in voting, housing, guns, taxes, regulation, and jobs – and provides the playbook to empower readers to protect their rights. They can do this by verbalizing, mobilizing, and protesting, getting out to vote in record numbers, pushing for term limits, fighting the "not so free" trade battle, fighting for a "Middle-Class Contract with America" and "Middle-Class Income Tax Vacation," and arming themselves with the "Middle-Class Weapon of Self-Defense." Let the revolution begin!

The United States of Trump

NEW YORK TIMES BESTSELLER • With unparalleled reporting, a Pulitzer Prize-winning New York Times reporter continues to break news about the most important political story of our lives as he chronicles the clash between a president and the officials of his own government who tried to stop him. In the

Access PDF Trump Rules Learn The Trump Rules And Tools Of Mega Success And Wealth From The Greatest Warrior And Winner In History

early days of the Trump presidency, the people who work in the institutions that make America America saw Trump up close in the Oval Office and became convinced that they had to stand up to an unbound president. These officials faced a situation without parallel in American history: What do you do, and who do you call, if you are the only one standing between the president, his extraordinary powers, and the abyss? Michael S. Schmidt's *Donald Trump v. The United States* tells the dramatic, high-stakes story of those who felt compelled to confront and try to contain the most powerful man in the world as he shredded norms and sought to expand his power. Schmidt has broken many of the major stories of the Trump era, from the news of Hillary Clinton's use of a personal email account to the report on former FBI director James Comey's contemporaneous memos of conversations with Trump that led directly to the appointment of special counsel Robert S. Mueller III. Now he takes us inside the defining events of the presidency, chronicles them up close, and records the clash between an increasingly emboldened president and those around him, who find themselves trying to thwart the president they had pledged to serve, unsure whether he is acting in the interest of the country, his ego, his family business, or Russia. Through their eyes and ears, we observe an epic struggle. Drawing on secret FBI and White House documents and confidential sources inside federal law enforcement and the West Wing, *Donald Trump v. The United States* is vital journalism, recording the shocking reality of a presidency like no other, a riveting contemporary history, and a lasting account of just how fragile and vulnerable the institutions of American democracy really are.

Donald Trump: the Life, Lessons and Rules for Success

According to the media, Donald Trump could never become president. Now many are on a mission to prove he shouldn't be president. The Trump administration and the press are at war—and as in any war, the first casualty has been truth. Bestselling author Howard Kurtz, host of Fox News's *Media Buzz* and former *Washington Post* columnist, offers a stunning exposé of how supposedly objective journalists, alarmed by Trump's success, have moved into the opposing camp. Kurtz's exclusive, in-depth, behind-the-scenes interviews with reporters, anchors, and insiders within the Trump White House reveal the unprecedented hostility between the media and the president they cover. In *Media Madness*, you'll learn: Why White House strategist Steve Bannon told Trump he is in danger of being impeached How the love-hate relationship between the president and Morning Joe hosts—Joe Scarborough and Mika Brzezinski—turned entirely to hate How Kellyanne Conway felt betrayed by journalists who befriended her—and how she fought back How elite, mainstream news reporters—named and quoted—openly express their blatant contempt for Trump How Bannon tried to block short-lived Communications Director Anthony Scaramucci—and why Trump

Access PDF Trump Rules Learn The Trump Rules And Tools Of Mega Success And Wealth From The Greatest Warrior And Winner In History

soured on him How Ivanka and Jared Kushner aren't the liberals the pundits want them to be—and why Trump tried to discourage them from joining the White House Why Trump believes some journalists harbor hatred for him—and how some liberals despise his voters How Trump is a far more pragmatic politician than the press often acknowledges (and how the press dismisses his flip-flops when he flops their way) What Trump got wrong about Charlottesville—and how Steve Bannon predicted the debacle How the media consistently overreached on the Russian “collusion” scandal Why Trump actually likes journalists, secretly meets with them, and allows the press unprecedented access Why Reince Priebus couldn't do his job—and the real reason he left the White House How Sean Spicer privately berated journalists for bad reporting—and why he and Kellyanne Conway were relentlessly attacked by the media Never before has there been such an eye-opening, shocking look at what the White House and the media think about each other. It's not pretty. But it also makes for the most important political book of the year.

Angry White Male

The New York Times–bestselling roadmap to resistance in the Trump era from the internationally acclaimed activist and author of *On Fire* and *The Battle for Paradise*. The election of Donald Trump is a dangerous escalation in a world of cascading crises. Trump's vision—a radical deregulation of the US economy in the interest of corporations, an all-out war on “radical Islamic terrorism,” and a sweeping aside of climate science to unleash a domestic fossil fuel frenzy—will generate wave after wave of crises and shocks, to the economy, to national security, to the environment. In *No Is Not Enough*, Naomi Klein explains that Trump, extreme as he is, is not an aberration but a logical extension of the worst and most dangerous trends of the past half-century. In exposing the malignant forces behind Trump's rise, she puts forward a bold vision for a mass movement to counter rising militarism, nationalism, and corporatism in the United States and around the world. Longlisted for the National Book Award “I hope that Klein's book is read by more than just her (mostly) leftwing fan base. For whatever you think about her economic arguments, she makes a powerful and an important point: that you cannot understand Trump without looking at how he reflects bigger cultural and social dynamics. And what is perhaps refreshing about *No Is Not Enough* is that Klein tries to move beyond mere outrage and hand-wringing to offer a practical manifesto for opposition.” —Financial Times “Brims with ideas rarely heard in the mainstream media. And her fiery, punchy writing style, which is occasionally laced with humor, makes it hard to put down.” —The Georgia Straight

American Oligarchs: The Kushners, the Trumps, and the Marriage of Money and Power

Access PDF Trump Rules Learn The Trump Rules And Tools Of Mega Success And Wealth From The Greatest Warrior And Winner In History

How did America end up with a leader who acts so crudely and despotically, and counter to our democratic principles? Why do his followers stick with him, even when he acts against their interests? To fully understand, John Dean, a man with a history of standing up to autocratic presidents, joins with Bob Altemeyer, a psychology professor with a unique area of expertise: authoritarianism. Together, using psychological diagnostic tools, as well as exclusive research and analysis from the Monmouth University Polling Institute -- one of America's most respected public opinion research foundations -- the authors provide us with an eye-opening understanding of the Trump phenomenon and what we may be able to do to stop it.

The Trump White House

A New York Times Bestseller A multigenerational saga of two families, who rose from immigrant roots to the pinnacle of wealth and power, that tracks the unraveling of American democracy. In *American Oligarchs*, award-winning investigative journalist Andrea Bernstein tells the story of the Trump and Kushner families like never before. Their journey to the White House is a story of survival and loss, crime and betrayal, that stretches from the Klondike Gold Rush, through Nazi-occupied Poland and across the American Century, to our new gilded age. In building and maintaining their dynastic wealth, these families came to embody the rising nationalism and inequality that has pushed the United States to the brink of oligarchy. Building on her landmark reporting for the acclaimed podcast *Trump, Inc.* and *The New Yorker*, Bernstein's painstaking detective work brings to light new information about the families' arrival as immigrants to America, their paths to success, and the business and personal lives of the president and his closest family members. Bernstein traces how the two families ruthlessly harnessed New York and New Jersey machine politics to gain valuable tax breaks and grew rich on federal programs that bolstered the middle class. She shows how the Trump Organization, denied credit by American banks, turned to shady international capital. She reveals astonishing new details about Charles Kushner's attempts to ensnare his brother-in-law with a prostitute and explores how Jared Kushner and his father used a venerable New York newspaper to bolster their business empire. Drawing on more than two hundred interviews and more than one hundred thousand pages of documents, many previously unseen or long forgotten, Bernstein shows how the Trumps and the Kushners repeatedly broke rules and then leveraged secrecy, intimidation, and prosecutorial and judicial power to avoid legal consequences. The result is a compelling narrative that details how the Trump and Kushner dynasties encouraged and profited from a system of corruption, dark money, and influence trading, and that reveals the historical turning points and decisions—on taxation, regulation, white-collar crime, and campaign finance laws—that have brought

us to where we are today.

Commander in Cheat

Nelson Mandela is a global icon of peace and justice. An influence to human rights activists in South Africa, across the continent and on the Western and Eastern hemispheres, it is he who is seen as an example to follow. Through his resilience, he showed tremendous courage in fighting against Apartheid, to enduring the harsh conditions of prison on Robben Island, to leading a free and democratic South Africa as its first Black President and as leader of the African National Congress. If you're looking for inspiration from one of the world's best-known leaders, check out this book about a man who spent his life fighting for equality and human rights. Nelson Mandela served as South Africa's president between 1994 and 1999 and led the anti-apartheid revolution that sought to end segregation between the country's black and white populations. Throughout his life, he faced tremendous struggles such as racial discrimination and being sentenced to life imprisonment for conspiracy against the state. In total, he spent 27 years in jail. However, he is remembered for his resilience and for never giving up on his cause. Throughout all the hardships Mandela faced, he always sought opportunities to spread his vision for an equal South Africa and never lost focus on his life purpose. If you want to learn about the history of Mandela, this book covers his life story from his childhood to the day he was elected the first black state leader and his work after this milestone event. His inspiring story includes how he dealt with the harsh realities of prison and what lessons he learned that shaped him to be the powerful yet humble and kind man that he is remembered for being. If you want evidence that success comes to those who fight for it, the story of Mandela will give you exactly that. In this book, 'Nelson Mandela: The Life, Lessons & Rules for Success', you will discover: The story of Mandela and how it shaped the values that he chose to live his life by. Why he went to prison and how he managed to survive 27 years inside. How Mandela maintained his relentless passion to end the apartheid era in South Africa and which steps he took to make South Africa a better country for its citizens. The powerful life lessons Mandela learned along the way. The ten rules of success that Mandela lived by and endorsed - and how you can apply them to your life too. While Nelson Mandela has left us in physical form, his legacy continues to live on. Hailed as the greatest South African of all time, he is the reason why the nation opened its doors to the world and why it now has opportunities for all citizens to prosper. Due to his years of resistance, the nation went from being a blight in Africa to becoming the African nation that is seen as a new global superpower in less than three decades But how did this magnificent tale come to be? Click the 'buy now' button and find out.

The Dangerous Case of Donald Trump

Donald Trump: The Life, Lessons & Rules for Success Love him or hate him, there can be no denying Donald Trump is a success. He has walked his own path, facing down any and all obstacles thrown his way in his own unique manner. As a result, he elicits great hatred and unparalleled adoration in equal measure. The world doesn't know what to think of or how even to handle Donald Trump. There is no middle ground. You either love him, or you hate him. This is what makes his life so interesting. Whatever you think of the man, this much is undeniable: he uncovered an opportunity others didn't believe existed, the last, greatest deal for a 21st century salesman. This book covers Trump's journey, from beginnings in business right through to current day President Trump. It explores how he did it and the lessons we can learn, finishing off with Donald Trump's rules for a successful life. The aim of this book is to be educational and inspirational with actionable principles you can incorporate into your own life straight from the man himself. *INCLUDING* Donald Trump's 15 Rules for Success & 40 Little known facts! Don't wait, grab your copy today!

Surviving Autocracy

A compelling and masterful account, based on fresh reporting, of the investigation, impeachment, and acquittal of President Donald Trump, a ferocious political drama that challenged American democracy itself. In the spring of 2019, Speaker of the House Nancy Pelosi did not favor pursuing Trump's impeachment. Her view was: "He's just not worth it." But by September, after a whistleblower complaint suggesting that Trump had used his office for his political benefit, Pelosi decided to risk it. The impeachment inquiry led to charges of abuse of power and obstruction of Congress, a gamble that ultimately meant Trump would be the first impeached president on the ballot in US history. Pulitzer Prize-winning Washington Post reporters Kevin Sullivan and Mary Jordan have crafted a powerful, intimate narrative that concentrates on the characters as well as the dramatic events, braiding them together to provide a remarkable understanding of what happened and why. Drawing on the deep reporting of Post journalists as well as new interviews, Sullivan and Jordan deliver a crisp page-turner with exquisite detail and scenes. They put readers in the room for both sides of the now-famous phone call between Trump and Ukrainian president Volodymyr Zelensky on July 25, 2019, revealing the in-the-moment reactions of those listening to the call in Washington, as well as the tension in Kyiv, as aides passed notes to Zelensky while he was talking to Trump. Sullivan and Jordan deftly illuminate the aims and calculations of key figures. Pelosi's evolution from no to yes. Trump's mounting fury as "the I-word" became

Access PDF Trump Rules Learn The Trump Rules And Tools Of Mega Success And Wealth From The Greatest Warrior And Winner In History

inevitable. Senate majority leader Mitch McConnell firmly telling Trump on the phone about the Senate trial: You need to trust me. Trump on Trial teems with unexpected moments. House member Elissa Slotkin, a Michigan Democrat, alone at the National Archives, walking amid the nation's founding documents, weighing her vote on impeachment. Fiery Republican congressman Matt Gaetz of Florida, a favorite Trump warrior, deciding to lead the storming of the secure room in the US Capitol basement, where witnesses were testifying. The authors paint vivid portraits of the men and women branded by the president's supporters as foes from the "deep state": Ukraine experts Fiona Hill and Lt. Col. Alexander Vindman; ambassadors Marie Yovanovitch and William Taylor. The narrative spools out amid Trump's nonstop tweeting and the infinite echo chamber of social media, which amplified both parties' messages in ways unknown during past impeachments. Sullivan and Jordan, aided by editor Steve Luxenberg, follow the story into the aftermath of Trump's acquittal and the president's payback for those whom he believed had betrayed him. The retributions took place as the nation reeled from a devastating pandemic and widespread protests about racial injustice, with another trial looming: the 2020 election.

The Key to Understanding Donald J. Trump

As President Trump's National Security Advisor, John Bolton spent many of his 453 days in the room where it happened, and the facts speak for themselves. The result is a White House memoir that is the most comprehensive and substantial account of the Trump Administration, and one of the few to date by a top-level official. With almost daily access to the President, John Bolton has produced a precise rendering of his days in and around the Oval Office. What Bolton saw astonished him: a President for whom getting reelected was the only thing that mattered, even if it meant endangering or weakening the nation. "I am hard-pressed to identify any significant Trump decision during my tenure that wasn't driven by reelection calculations," he writes. In fact, he argues that the House committed impeachment malpractice by keeping their prosecution focused narrowly on Ukraine when Trump's Ukraine-like transgressions existed across the full range of his foreign policy—and Bolton documents exactly what those were, and attempts by him and others in the Administration to raise alarms about them. He shows a President addicted to chaos, who embraced our enemies and spurned our friends, and was deeply suspicious of his own government. In Bolton's telling, all this helped put Trump on the bizarre road to impeachment. "The differences between this presidency and previous ones I had served were stunning," writes Bolton, who worked for Reagan, Bush 41, and Bush 43. He discovered a President who thought foreign policy is like closing a real estate deal—about personal relationships, made-for-TV showmanship, and advancing his own interests. As a result, the US lost an opportunity to confront its deepening threats, and in cases like

Access PDF Trump Rules Learn The Trump Rules And Tools Of Mega Success And Wealth From The Greatest Warrior And Winner In History

China, Russia, Iran, and North Korea ended up in a more vulnerable place. Bolton's account starts with his long march to the West Wing as Trump and others woo him for the National Security job. The minute he lands, he has to deal with Syria's chemical attack on the city of Douma, and the crises after that never stop. As he writes in the opening pages, "If you don't like turmoil, uncertainty, and risk—all the while being constantly overwhelmed with information, decisions to be made, and sheer amount of work—and enlivened by international and domestic personality and ego conflicts beyond description, try something else." The turmoil, conflicts, and egos are all there—from the upheaval in Venezuela, to the erratic and manipulative moves of North Korea's Kim Jong Un, to the showdowns at the G7 summits, the calculated warmongering by Iran, the crazy plan to bring the Taliban to Camp David, and the placating of an authoritarian China that ultimately exposed the world to its lethal lies. But this seasoned public servant also has a great eye for the Washington inside game, and his story is full of wit and wry humor about how he saw it played.

An American Family

As this bestseller predicted, Trump has only grown more erratic and dangerous as the pressures on him mount. This new edition includes new essays bringing the book up to date—because this is still not normal. Originally released in fall 2017, *The Dangerous Case of Donald Trump* was a runaway bestseller. Alarmed Americans and international onlookers wanted to know: What is wrong with him? That question still plagues us. The Trump administration has proven as chaotic and destructive as its opponents feared, and the man at the center of it all remains a cipher. Constrained by the APA's "Goldwater rule," which inhibits mental health professionals from diagnosing public figures they have not personally examined, many of those qualified to weigh in on the issue have shied away from discussing it at all. The public has thus been left to wonder whether he is mad, bad, or both. The prestigious mental health experts who have contributed to the revised and updated version of *The Dangerous Case of Donald Trump* argue that their moral and civic "duty to warn" supersedes professional neutrality. Whatever affects him, affects the nation: From the trauma people have experienced under the Trump administration to the cult-like characteristics of his followers, he has created unprecedented mental health consequences across our nation and beyond. With eight new essays (about one hundred pages of new material), this edition will cover the dangerous ramifications of Trump's unnatural state. It's not all in our heads. It's in his.

After dozens of books and articles by anonymous sources, here is finally a history of the Trump White House with the President and his staff talking openly, on the record. In *Inside Trump's White House*, Doug Wead offers a sweeping, eloquent history of President Donald J. Trump's first years in office, covering everything from election night to the news of today. The book will include never-before-reported stories and scoops, including how President Trump turned around the American economy, how he "never complains and never explains," and how his actions sometimes lead to misunderstandings with the media and the public. It also includes exclusive interviews with the Trump family about the Mueller report, and narrates their reactions when the report was finally released. Contains Interviews with the President in the Oval Office, chief of staff, Mick Mulvaney, Jared and Ivanka Kushner, Donald Trump, Jr., Eric and Lara Trump, and White House insiders.

No Is Not Enough

"The conservative movement desperately needs someone like Wayne Allyn Rootdynamic, charismatic, fearlessWayne is the new conservative media powerhouse." --Rita Cosby, New York TimesBestselling Author Bestselling Author, successful entrepreneur, acclaimed motivational speaker, conservative pundit, and host of a popular talk show broadcast on Newsmax TV and the USA Radio Network has spent many years studying the incredible career of Donald Trump. *Trump Rules* brings together the strategies, tactics, skills, and techniques Donald Trump has used in business, and shows how these "rules" propelled Trump to the most powerful role in the US and the world.

The Fifth Risk

A New York Times Bestseller and #1 Wall Street Journal Bestseller! *LET TRUMP BE TRUMP: THE INSIDE STORY OF HIS PRESIDENCY* is the ultimate behind-the-scenes account of how he became President of the United States. Donald Trump was a candidate, and now a president, like none that have come before. His startling rise to the White House is the greatest political tale in the history of our republic. Much has been written about this once-in-a-millennial event but all of those words come from authors outside the orbit of Donald Trump. Now, for the first time, comes the inside story. Written by the guys in the room-two of Trump's closest campaign advisors-Let Trump Be Trump is the eyewitness account of the stories behind the headlines. From the Access Hollywood recording and the Clinton accusers, to Paul Manafort, to the last-moment comeback and a victory that reads like something out of the best suspense novel, *Let Trump Be Trump* pulls back the curtain on a drama that has mesmerized the whole world-

including the palace intrigues of the Mooch, Spicer, Preibus, Bannon, and more. By turns hilarious and intimate, Let Trump Be Trump also offers a view of Donald Trump like you've never seen him, the man whose success in business was built not only on great skill but on loyal relationships and who developed the strongest of bonds with the band of outsiders and idealists who became his team because they believed in him and his message. Written by Trump's campaign manager, the fiery Corey Lewandowski, and Dave Bossie, the consummate political pro and the plaintiff in the famous Citizens United Supreme Court case who helped steer the last critical months of the Trump campaign, Let Trump Be Trump is destined to be the seminal book about the Trump campaign and presidency.

How Democracies Die

The book "The Key to Understanding Donald J. Trump" tries to get beyond the smokescreen, and to understand the behavior of Donald Trump, which sometimes seems to elusive - having neither pattern nor order. Whether you are a fan or a foe of the president, a political amateur or just an average person who tries to understand whether there is logic to Trump's chaos - the book gives you a window into the brain of the world's most important man and an opportunity to read his thoughts in a way that will allow you to feel that you too can explain the rationale behind his actions, be it at the dinner table, in a conversation with friends or simply when reading the daily news. Biography Kobby Barda was born and raised in Holon, Israel and is an expert on US-Israel relations and a contributor for Israeli channel 20. Mr. Barda is the head of the "Gal Program" for Political Leadership at The Academic Center for Law and Science, Hod Hasharon, Israel. Barda holds a M.A. degree from Haifa University where his dissertation focused on AIPAC, and currently is P.HD Candide at Haifa University. In order to understand the phenomenon of President Trump, Barda uses his experience spanning over 20 years as a media consultant and communications expert where he has served as a political campaign manager and advisor to Israeli government ministers, Israeli Parliament members and Mayors. Barda was the man who alerted the world to the highly offensive cartoon of President Donald Trump and Prime Minister Benjamin Netanyahu in The New York Times. Kobby is married to Michal and the father of Ronny, Jonathan & Gili

Donald Trump v. The United States

The first behind-the-scenes look at the life of the most enigmatic First Lady in U.S. history Melania Trump is an enigma. Regardless of your political leanings, she is fascinating—a First Lady who, in many ways, is the most modern and groundbreaking in recent history. A former model whose beauty in person

Access PDF Trump Rules Learn The Trump Rules And Tools Of Mega Success And Wealth From The Greatest Warrior And Winner In History

leaves people breathless, a woman whose upbringing in a communist country spurred a relentless drive for stability, both for herself and for her family. A reluctant pillar in a controversial presidential administration who speaks five languages and runs the East Wing like none of her predecessors ever could—underestimate her at your own peril (as a former government official did and was summarily fired). But who is she really? In *Free*, Melania we get an insider's look at Melania Trump, from her childhood in Slovenia to her days in the White House, and everything in between. We see the Trump family dynamics that Melania has had to navigate, including her strained relationship with Ivanka. We get a rare glimpse into what goes into her famous and sometimes infamous clothing choices (including perhaps the real message behind Melania's controversial jacket, "I Really Don't Care, Do U?", which she wore while visiting the U.S.-Mexico border), and how a publicly quiet Melania actually speaks very loudly—if you just know where, and how, to listen. And we get a behind-the-scenes look at her often eyebrow-raising relationship with Donald Trump, from their beginnings to becoming the most unusual First Family in modern history. Looking at Melania in the pantheon of historic First Ladies, Kate Bennett shows just how different Melania Trump is and why she matters. Bennett, an expert on First Ladies, has unparalleled access to Melania's very small and loyal inner circle. As she shows in this page-turning book, the seemingly most reluctant First Lady is, in many ways, the most compelling and complex First Lady, ever.

A Very Stable Genius

NEW YORK TIMES BESTSELLER "Reilly pokes more holes in Trump's claims than there are sand traps on all of his courses combined. It is by turns amusing and alarming." -- The New Yorker "Golf is the spine of this shocking, wildly humorous book, but humanity is its flesh and spirit." -- Chicago Sun-Times "Every one of Trump's most disgusting qualities surfaces in golf." -- The Ringer An outrageous indictment of Donald Trump's appalling behavior when it comes to golf -- on and off the green -- and what it reveals about his character. Donald Trump loves golf. He loves to play it, buy it, build it, and operate it. He owns 14 courses around the world and runs another five, all of which he insists are the best on the planet. He also claims he's a 3 handicap, almost never loses, and has won an astonishing 18 club championships. How much of all that is true? Almost none of it, acclaimed sportswriter Rick Reilly reveals in this unsparing look at Trump in the world of golf. Based on Reilly's own experiences with Trump as well as interviews with over 100 golf pros, amateurs, developers, and caddies, *Commander in Cheat* is a startling and at times hilarious indictment of Trump and his golf game. You'll learn how Trump cheats (sometimes with the help of his caddies and Secret Service agents), lies about his scores (the "Trump Bump"), tells whoppers about the rank of his courses and their worth (declaring that every one of them is worth \$50

Access PDF Trump Rules Learn The Trump Rules And Tools Of Mega Success And Wealth From The Greatest Warrior And Winner In History

million), and tramples the etiquette of the game (driving on greens doesn't help). Trump doesn't brag so much, though, about the golf contractors he stiffes, the course neighbors he intimidates, or the way his golf decisions wind up infecting his political ones. For Trump, it's always about winning. To do it, he uses the tricks he picked up from the hustlers at the public course where he learned the game as a college kid, and then polished as one of the most bombastic businessmen of our time. As Reilly writes, "Golf is like bicycle shorts. It reveals a lot about a man." Commander in Cheat "paints a side-splitting portrait of a congenital cheater" (Esquire), revealing all kinds of unsightly truths Trump has been hiding.

True Crimes and Misdemeanors

From CNN chief legal analyst and bestselling author Jeffrey Toobin, a real-life legal thriller about the prosecutors and congressional investigators pursuing the truth about Donald Trump's complicity in several crimes--and why they failed. Donald Trump's campaign chairman went to jail. So did his personal lawyer. His long-time political consiglieri was convicted of serious federal crimes, and his national security advisor pled guilty to others. Several Russian spies were indicted in absentia. Career intelligence agents and military officers were alarmed enough by the president's actions that they alerted senior government officials and ignited the impeachment process. Yet despite all this, a years-long inquiry led by special counsel Robert Mueller, and the third impeachment of a president in American history, Donald Trump survived to run for re-election. Why? Jeffrey Toobin's highly entertaining definitive account of the Mueller investigation and the impeachment of the president takes readers behind the scenes of the epic legal and political struggle to call Trump to account for his misdeeds. With his superb storytelling and analytic skills Toobin recounts all the mind-boggling twists and turns in the case--Trump's son met with a Russian operative promising Kremlin support! Trump paid a porn star \$130,000 to hush up an affair! Rudy Giuliani and a pair of shady Ukrainian-American businessmen got the Justice Department to look at Russian-created conspiracy theories! Toobin shows how Trump's canny lawyers used Mueller's famous integrity against him, and how Trump's bullying and bluster cowed Republican legislators into ignoring the clear evidence of the impeachment hearings. Based on dozens of interviews with prosecutors in Mueller's office, Trump's legal team, Congressional investigators, White House staffers, and several of the key players, including some who are now in prison, True Crimes and Misdemeanors is a revelatory narrative that makes sense of the seemingly endless chaos of the Trump years. Filled with never-before-reported details of the high-stakes legal battles and political machinations, the book weaves a tale of a rogue president guilty of historic misconduct, and how he got

away with it.

Nelson Mandela

NEW YORK TIMES BESTSELLER "Comprehensive, enlightening, and terrifyingly timely." –New York Times Book Review "Cool and persuasive How Democracies Die comes at exactly the right moment." –The Washington Post Donald Trump's presidency has raised a question that many of us never thought we'd be asking: Is our democracy in danger? Harvard professors Steven Levitsky and Daniel Ziblatt have spent more than twenty years studying the breakdown of democracies in Europe and Latin America, and they believe the answer is yes. Democracy no longer ends with a bang—in a revolution or military coup—but with a whimper: the slow, steady weakening of critical institutions, such as the judiciary and the press, and the gradual erosion of long-standing political norms. The good news is that there are several exit ramps on the road to authoritarianism. The bad news is that, by electing Trump, we have already passed the first one. Drawing on decades of research and a wide range of historical and global examples, from 1930s Europe to contemporary Hungary, Turkey, and Venezuela, to the American South during Jim Crow, Levitsky and Ziblatt show how democracies die—and how ours can be saved.

Inside Trump's White House

What can we learn from Donald Trump? Read on your PC, Mac, smart phone, tablet or Kindle device. He is a successful New York entrepreneur, billionaire, television personality, investor, and real estate magnate. And his success may allow him to run the greatest economy in the world, the United State of America. He was No. 17 on Forbes 2011 Celebrity 100 List. Deep State

New York Times Bestseller What are the consequences if the people given control over our government have no idea how it works? "The election happened," remembers Elizabeth Sherwood-Randall, then deputy

Access PDF Trump Rules Learn The Trump Rules And Tools Of Mega Success And Wealth From The Greatest Warrior And Winner In History

secretary of the Department of Energy. "And then there was radio silence." Across all departments, similar stories were playing out: Trump appointees were few and far between; those that did show up were shockingly uninformed about the functions of their new workplace. Some even threw away the briefing books that had been prepared for them. Michael Lewis's brilliant narrative takes us into the engine rooms of a government under attack by its own leaders. In Agriculture the funding of vital programs like food stamps and school lunches is being slashed. The Commerce Department may not have enough staff to conduct the 2020 Census properly. Over at Energy, where international nuclear risk is managed, it's not clear there will be enough inspectors to track and locate black market uranium before terrorists do. Willful ignorance plays a role in these looming disasters. If your ambition is to maximize short-term gains without regard to the long-term cost, you are better off not knowing those costs. If you want to preserve your personal immunity to the hard problems, it's better never to really understand those problems. There is upside to ignorance, and downside to knowledge. Knowledge makes life messier. It makes it a bit more difficult for a person who wishes to shrink the world to a worldview. If there are dangerous fools in this book, there are also heroes, unsung, of course. They are the linchpins of the system—those public servants whose knowledge, dedication, and proactivity keep the machinery running. Michael Lewis finds them, and he asks them what keeps them up at night.

A President Like No Other

In *Never Give Up*, Donald Trump tells the dramatic stories of his biggest challenges, lowest moments, and worst mistakes—and how he uses tenacity and creativity to turn defeat into victory. Each chapter includes an inspiring story from Trump's career and concludes with expert commentary and coaching from adversity researcher and author Paul Stoltz. Inspirational and intelligent, *Never Give Up* will help you deal with your own personal challenges, failures, and weaknesses.

Trump Rules

The unvarnished and unbiased inside story of President Donald Trump and his White House by New York Times bestselling author Ronald Kessler. Based on exclusive interviews with the president and his staff, *The Trump White House: Changing the Rules of the Game* tells the real story of what Donald Trump is like, who influences him, how he makes decisions, what he says about the people around him, and how he operates when the television lights go off, while portraying the inside story of the successes that have already brought solid results as well as the stumbles that have turned off even longtime supporters and

Access PDF Trump Rules Learn The Trump Rules And Tools Of Mega Success And Wealth From The Greatest Warrior And Winner In History

undercut his agenda. The Trump White House reveals: • Trump aides Ivanka Trump and her husband Jared Kushner have been responsible for Trump's most disastrous decisions. Trump is aware that his daughter and son-in-law are problems and has hinted to them that they should go back to New York. Seeing Jared on TV, Trump said, "Look at Jared, he looks like a little boy, like a child." • First Lady Melania Trump has a tremendous impact on policy and strategy. She sits in on meetings and is widely admired by aides for her judgment. • Kellyanne Conway is the No. 1 White House leaker. • Trump's Secret Service Director Randolph "Tex" Altes proposed withdrawing protection from some Trump family members and aides to save money. Horrified White House staffers shot down the idea. • Trump has told friends that billionaires are constantly asking him to fix them up with longtime Communications Director Hope Hicks, a former model, but he says he refuses. • Trump calls certain reporters directly, feeding them stories attributed to "a senior White House official," creating the impression that the White House leaks even more than it already does. Never before has an American president had so much impact on the country and the world in so short a time as Donald Trump. Yet no president has stirred so much controversy, dominating media coverage and conversation both pro and con. Months after Trump took office, consumer confidence hit a seventeen-year high, unemployment plummeted to the lowest level in seventeen years, and the stock market zoomed to repeated record highs. At the same time, ISIS was nearly defeated, Arab countries banded together to stop financing terrorists and promoting radical Islamic ideology, and Trump's decision to send missiles into Syria because of its use of chemical weapons and his strident warnings to North Korean leader Kim Jong-un made it clear to adversaries that they take on the United States at their peril. Yet for all the media coverage, Trump remains a cipher. Ronald Kessler has known Trump and First Lady Melania Trump for two decades and understands him better than any other journalist. The book includes an exclusive interview with Trump, the only interview he says he has given or will give for a book as president. Crammed with media-grabbing revelations. The Trump White House is the unvarnished and unbiased inside story that answers the question: Who is Donald Trump?

Live Free Or Die

Some of us have been here before. Many people living today in America and around the world have direct experience with countries where an autocrat has seized control. Others have seen charismatic, populist leaders come to power within democracies and dramatically change the rules of the road for the public, activists, and journalists alike. In *Rules for Resistance*, writers from Russia, Turkey, India, Hungary, Chile, China, Canada, Italy, and elsewhere tell Americans what to expect under our own new regime, and give us guidance for living—and for resisting—in the Trump era. Advice includes being on the watch for

the prosecution of political opponents, the use of libel laws to attack critics, the gutting of non-partisan institutions, and the selective application of the law. A special section on the challenges for journalists reporting on and under a leader like Donald Trump addresses issues of free speech, the importance of press protections, and the critical role of investigative journalists in an increasingly closed society. An introduction by ACLU legal director David Cole looks at the crucial role institutions have in preserving democracy and resisting autocracy. A chilling but necessary collection, *Rules for Resistance* distills the collective knowledge and wisdom of those who “have seen this video before.”
