This book is a collection of confessions I never felt able to share within the church. It's filled with my personal journal entries that were written during the darkest seasons of my life, and it contains the one truth that will continually change everything you believe about where you're going and how to get there. What is that truth exactly? It's as close as your reflection in the mirror. Friend, the truth is that you-and only you-are the answer to the healing, restoration, and promise for your life. The stories filling these pages are from the pain behind rape, divorce, self-hate, illness, mental struggles, infertility, loss, and more. They're told from the far-too-convincing lie that God is a punisher of sins, and that promise can't be ours until all the pieces are put back in place. These stories unlock the truth behind what it looks like to walk through dirt while embracing destiny, and they unfilter the process behind the steps you must take to possess your promise.

For more than 50 years, relational or incarnational ministry has been a major focus in youth ministry. But for too long, those relationships have been used as tools—as a means to an end—where adults try to influence students to accept, know, trust, believe, or participate in something. While our motives may be good, it's possible that by focusing on these goals, we're not ministering the whole person. When we choose not to engage in the full life of a

student, we run the risk of failing them and our ministry. In this thoughtful and insightful book, Andrew Root challenges us to reconsider our motives and begin to consider simply being with and doing life alongside teenagers with no agenda other than to love them right where they are, by place-sharing. As he shares stories of his (and others') successes and failures in relational youth ministry, you'll find practical ideas to help you recreate the role of relationships in your youth ministry. If you're involved in the lives of teenagers, whether as a youth pastor, volunteer youth worker, church leader, or parent, you'll want to read this book and work together to discover the value of place-sharing in the lives of teens. You'll see that it's time to tear down the old structure of relational youth ministry and start again.

Tobacco, among the most popular consumer products of the twentieth century, is under attack. Once a behavior that knew no social bounds, cigarette smoking has been transformed into an activity that reflects sharp differences in social status. *Unfiltered* tells the story of how anti-smoking advocates, public health professionals, bureaucrats, and tobacco corporations have clashed over smoking regulation. The nations discussed in this book--Australia, Canada, Denmark, France, Germany, Japan, the United Kingdom, and the United States--restrict tobacco advertising, tax tobacco products, and limit where smoking is permitted. Each is also struggling to shape a tobacco policy that ensures corporate accountability, protects individual liberty, and asserts the state's public health power. *Unfiltered* offers a comparative perspective on legal, political, and social conflicts over tobacco control. The book makes a unique

contribution to our understanding of how scientific evidence, global health advocacy, individual risk assessments, and governmental interests intersect in the crafting of tobacco policy. It features national case studies and cross-cultural essays by experts in health policy, law, political science, history, and sociology. The lessons in Unfiltered are crucial to all who seek to understand and influence tobacco policy and reduce tobacco-related mortality worldwide.

Abiding by these rules, businesses follow in the successful footsteps of brands like Patagonia, T-Mobile, adidas, GoDaddy, and others.

A Wretch Like Me is a powerful testimony of what God's saving grace and redemption can do for those trapped in the clutches of addiction. Addiction has no filter. Addiction is controlled by the thief; ready to steal, kill, and destroy. This Christian Living autobiography offers insight to the life, and mindset, of someone trapped inside addiction and eating disorders. Stephanie's life was controlled by bulimia and severe alcohol abuse for over fifteen years. After the tragic death of her daughter, Stephanie gave up on life, and wanted to just simply die. Severe alcohol, abuse, and malnourishment, led to countless seizures from alcohol withdrawals. Nothing was worth living for. After the birth of her second child, the enemy continued to whisper his lies into her ear, "it is all your fault that your daughter is gone," and she believed him. She quickly fell back into the deepest level of torment and Hell that addiction has to offer. Homeless, violently sick of being sick, and painfully alone, Stephanie was finally desperate for change. This book takes you on a journey through the painful life of an addict, visions of Hell, and by God's grace alone, we come out together on the other side, walking in His freedom and truth. If you are struggling with an addiction or alcoholism, this book is for you. If you are trapped by an eating disorder, this book is for you. If you know nothing about addiction other than the destruction it is causing a loved one, and you want to gain insight, this book is for you. If you see the same homeless man asking for help on that same street corner, day after day, and don't know how to help, then this book is for you to give to him. Stephanie's autobiography is raw and unfiltered, but filled with mighty wisdom and truth, guiding you to the solid fact that foot of the cross is always level. Stephanie humbled herself, surrendered her life to Jesus, and now God has taken her prior mess and made it into a beautiful message full of His redemption and grace. Think your life is too far gone, and not worth saving? Come read through this

journey. He can, and will, rescue A Wretch Like Me.
