Two masters of offbeat Internet humor combine the mindless fun of children's coloring books and the hilariously soul-crushing realities of modern adult life With over 150 videos and 65 million Youtube views to their credit, Ryan Hunter and Taige Jensen know how to make people laugh. Their YouTube video, "Hipster Olympics" racked up nearly three million hits and quickly attained worldwide cult status amongst both the cool crowd (and those who like to poke fun at them). Their recent hit "The Walken Dead" was viewed over 600,000 times in less than three weeks. Now, the duo put their prolific creative talents to work in Coloring for Grown-Ups. The artwork may resemble that of a children's activity book, but look closer. Offering an ironic look at the stereotypes, habits, and challenges of modern adulthood, Coloring for Grown-Ups includes:

- A "Hipster or Homeless?" coloring page
- The 6 Steps to Abandoning Your Hopes and Dreams checklist
- An "Adulthood A to Z," ("A is for Anti-Depressants", "B is for Bills") Darkly humorous—and fun for any occasion —Coloring for Grown-Ups is the perfect stocking stuffer for reluctant adults of any age.

Farting Sloths Coloring Books For Adults And Kids

This is a book COLORING about farts. Yes, farts. It's also about ABCs, rhymes, and animals - but it's mostly about farts, and making you and your loved ones laugh about farts. Each letter stands for an animal and is accompanied by a rhyme, which are all short and stinky - much like farts are stinky. We hope you think this book stinks in all the right ways. What are the right ways? I'm glad you asked! We've got farts which smell, farts that BOOM, farts that splat, farts that upset your nose and send you for a tumble! We've even got farts so bad you could use them in a rumble! Was it you? Was it me? No, of course not - it was the animals! We've got animals from Australia, China, and even Madagascar! We've got animals from the east and animals from the west; animals from near and animals from far! We've got animals which fly high in the sky and those that swim deep in the sea! We've even got animals which are imaginary and some which are extinct, but keep that between you and me! Some are from rivers, some live in trees! Just buy the book and you - you will see; just buy the book - just buy it please! Worried we've skipped a letter or your favorite animal? I don't think so! We've got A for Antelope, B for Badger, C for Camel, D for
